

PRINCIPAL'S REPORT 2023-2024 (AIDED STREAM)

HIGHLIGHTS OF THE ACHIEVEMENTS OF THE COLLEGE 2023-2024

RANKING

- a) According to **'India Today' ranking of Colleges 2023**, MCC maintains its position within the Top Ten Colleges in the country. The College is ranked 7th in Arts, 5th in Science, 7th in Commerce, 10th in Social Work, 7th in BBA, and 10th in BCA.
- b) MCC has been ranked No.7 in India and No.2 in Tamil Nadu among Private Autonomous Colleges as per **'EducationWorld' India Higher Education Rankings 2023-2024**.
- c) According to the Ministry of Human Resource Development (MHRD) **National Institutional Ranking Framework (NIRF) 2023**, MCC secured 16th position in the category of 'Arts and Science Colleges' in the country.

The Hon'ble Governor of Tamil Nadu honoured Madras Christian College for its remarkable achievement, ranking among the top 20 institutions in all categories based on NIRF Ranking. The Principal & Secretary delivered a presentation on "National Institutional Ranking Framework - Analysis and Strengthening of Quality Parameters" at Raj Bhavan, Chennai, on 26th July 2023.

INFRASTRUCTURE DEVELOPMENTS

- a) The **MCC Pulicat Estuarine Biological Research Centre (MCC PEBRC)** was refurbished to be used for research and field study at Pulicat and to upgrade it for interdepartmental and inter-institutional research collaborations. The renovated and refurbished MCC Pulicat Estuarine Biological Research Centre (MCC PEBRC) was rededicated on 15th April 2023. The facility was reopened by Mr. John Sathyan, Senior Advocate, Madras High Court and an alumnus of the Department of Zoology, MCC.
- b) **New Washroom Facility** near Commerce Block of Self-Financed Stream was inaugurated on 20th October 2023.
- c) **New Alumni & Development Office** was dedicated on 20th October 2023.
- d) Refurbished **Computing Laboratory of the Department of Mathematics**, Aided Stream was dedicated on 5th January 2024.

- e) **Faculty Room for the Department of Data Science**, Self-Financed Stream was inaugurated on 8th March 2024.
- f) **Washrooms for Women at Pavilion** funded by MRF Limited were dedicated on 8th March 2024.
- g) **Refurbished MCC FLI Nursing Training Building** was dedicated on 18th March 2024. RANE NSK contributed for the refurbishment and modernization of the nursing building.
- h) **Skill Development Training Centre for Visually Impaired at Miller's Library** was dedicated on 19th March 2024. This Centre is supported by the “Help the Blind Foundation” with the funding support from Saint Gobain and Cognizant Foundation.

MCC RSL SCHOOL - 75th YEAR CELEBRATION

The MCC RSL School celebrated its Platinum Jubilee with grandeur on October 25, 2023. To commemorate this milestone, a special Platinum Jubilee Magazine was unveiled. The Principal of Madras Christian College launched the 75th Platinum Jubilee Magazine, which was formally accepted by Dr. G. J. Manohar, Headmaster, MCC Hr. Sec. School, Chetpet. Dr. S. Alfred Devaprasad, a Member of the Madras Christian College Association and Board of Directors, delivered an inspiring address during the event.

The occasion was graced by esteemed dignitaries, including Mr. S.R. Raja, MLA of the Tambaram Constituency, and Mrs. K. Vasanthakumari, Mayor of the Tambaram Corporation, along with Ward Members, Alumni, and dedicated Volunteers.

RETIREMENT

Faculty

Prof. T. Smile Ross, Associate Professor of Philosophy, and Dr N.M. Hariharan, Associate Professor of Political Science, opted for voluntary retirement during this academic year.

The following members of faculty from the Aided Stream got retired at the end of this academic year:

Name of the Staff	Designation	Department
Dr Mekala Rajan	Associate Professor & Head	English
Dr P. David Prabhakar	Associate Professor & Head	Tamil
Dr P. George	Associate Professor	Tamil
Dr N. Ilango	Associate Professor	Tamil
Dr Miriam Samuel	Associate Professor & Head	Social Work

Administrative & Support Staff

Mr I. Moses D'Sliva, Lab Asst SG, opted for voluntary retirement during this academic year.

Mr Philip Gnanarathinam, Store Keeper, Department of Chemistry, and Mr Prakash, Support Staff, Department of Microbiology got retired at the end of this academic year.

The Madras Christian College expresses its deep sense of gratitude for the meaningful services rendered by them.

FACULTY

Ph.D. Degree

The following members of faculty from the Aided Stream were conferred Ph.D. Degree in their respective disciplines during the academic year 2023-2024:

Name of the Staff	Department	Guided by
AIDED STREAM		
Dr J. Jeyarathi	Botany	Dr M. Kotteswari Assistant Professor Department of Botany Pachaiyappa's College, Chennai
Dr R. Daniel	Physics	Dr K. Sivaji Associate Professor (Retd.) Department of Physics University of Madras
Dr S. Janet Priscilla		

PAPER PRESENTATIONS

INTERNATIONAL CONFERENCES/SEMINARS

Ms. Deepa Priyadarshini, **Department of English**, presented a paper titled “Mirror, Mirror on the Wall: A Study of Mirror Reflection, Self-Perception and Trauma in Sylvia Plath’s Mirror and Christina Rossetti’s Passing and Glassing” at an International conference Redefining Narratives: Contemporary Perspectives and Representations organised by UG and PG Departments of English, WCC on 4th & 5th February 2024.

Dr. P. David Prabhakar, **Department of Tamil**, presented a research paper titled Global Outlook on Tamil Culture: Contribution of Thaninayagam Adikala at the 11th World Tamil Conference on 21.08.2023 organized by Sayeed Women's College and inaugurated the forum and delivered a keynote talk.

Dr. N. Ilango presented a research paper entitled “A Reinterpretation of Mythological elements and Historical events depicted in the plays of Kalaigar M. Karunanidhi” at the 11th World Tamil Conference held in August 2023.

Dr. P. Jayapradaban, **Department of History**, presented a paper entitled “The Village account of Chengalpattu Records: special reference to the Chengalpattu Palm Leaf Records at the two days International Seminar on Chronology Through Inscriptions held at Arignar Anna Government Arts College, Villupuram, on 19th & 20th October 2023.

Dr. W. Christina Kokila presented a paper entitled, “The Jewish Merchants and their Culture in the Madras Presidency” in the Multi Disciplinary International Conference on Indian Culture and traditions, Glorious Past, Dynamic Present and Promising Future” held from 12th to 14th September 2023, organized by the Government Arts and Science College, Burgur.

Dr. A. Gughan Babu presented a paper entitled “Historical Significance of the Handicrafts Industry in the Modern Era: From Prosperity to the Plight of British India, at the International Seminar held in Musiri Government College on 16th February 2024.

Dr S. Deepika, presented research papers on (i) “Echoes in Stone: Unravelling 7th Century Gender Dynamics via Mamallapuram Sculptures” in International Conference on Gender Dynamics in History, Society, Culture, and Power Structure organized by the Department of History and Centre for Women’s studies, Stella Maris College (Autonomous), Chennai, 30th -31st January 2024; (ii) “Multidisciplinary Interfaces of Environmental Sciences Used in Archaeological Research” in International conference on “Global Perspectives on Transforming Academics Through Research and Innovative Strategies” conducted by Women Christian College, Chennai on 26 & 27 July 2023. The paper published in the book “Multidisciplinary research in academics: The way forward” published by Research and Development Cell Institution’s Council Information Resource Centre Internal Quality Assurance Cell of Women Christian College, Chennai (ISBN: 9788119106271); (iii) “Unveiling Urban Minds: Exploring Caste Cognizance among college students” (With special reference to Chennai City)” in the one-day International Conference on Human Rights Day organized by Department of Political Science, Periyar Maniammai Institute of science & Technology (Deemed University), Thanjavur, Tamil Nadu and State Human Rights Commission, Tamil Nadu on 10th December 2023.

Ms. A. Parameswari presented a paper entitled “Reimagining Chola Architecture: Exploring the Gendered Constructs of Power and Diversity in the International Conference on Gender Dynamics in History, Society, Culture, and Power Structures organized by the Department of History and Centre for Women’s Studies, Stella Maris College (Autonomous), Chennai, on 30th – 31st January 2024.

Dr. S. Kalyani, **Department of Public Administration**, presented a paper on “Societal Realities and Socio-Economic drivers of Manual Scavenging in Tamil Nadu, India in the in the one day International Conference on “Changing Dimensions of Human Rights

Contemporary and Upcoming Role” held on 10th December 2023, organised by the State Human Rights Commission Tamil Nadu and Department of Political Science, Periyar Maniyammai Institute of Science and Technology, Thanjavur.

Dr. Jojan Job, **Department of Philosophy**, presented a paper entitled “A Frenchman in search of the Indian Mahatmas: Biographical journeys of Romain Rolland” in the International Conference ‘Revisiting French Indology through Intercultural Approaches’, Department of French Studies, Faculty of Arts, Banaras Hindu University in collaboration with ICSSR and ICHR, New Delhi. October 30 - November 1, 2023.

Dr.T.Shirmila, **Department of Commerce**, presented papers on (i) “Restoration to Rejuvenation: Circular Economy Entrepreneurship awareness and its impact on the student community” at the AICTE – sponsored International Conference on Emerging Technologies and Circular Economy held on 26-27 May 2023 at Apeejay School of Management, Dwarka, Delhi; (ii) “A study on awareness on sustainable consumption among consumers in Chennai” at the AICTE – sponsored International Conference on Emerging Technologies and Circular Economy held on 26-27 May 2023 at Apeejay School of Management, Dwarka, Delhi; (iii) “Exploring the Social Media Marketing Tools Employed by Marketers and The Impact on Consumer Perspectives with Reference to Chennai” in the International Conference on Sustainability & Technological Advancement in Business ICSATAB - 2023 organized by Department of Commerce and Accounting & Finance Patrician College of Arts and Science, Chennai in collaboration with Bishop Ambrose College, Coimbatore held on 15th December 2023.

Dr Tabitha Durai presented papers on (i) “Influence of AI-enabled digital payment systems on mental accounting among Gen-Z” presented at “9th International Conference - AI-The inevitable strategic gamechanger in Business” organised by the Departments of Accounting & Finance and Bank Management, Ramakrishna Mission Vivekananda College, Chennai, on 17th August 2023; (ii) “Wearable Devices: Application of Acceptance Model among Non-Users of Technology” presented at the International Conference on “Panoramic Advancements in Business Paradigm: A Holistic Perspective (ICPABP’23)” organized by the Department of Management and IQAC, Patrician College of Arts and Science, Chennai on 22nd September 2023. [Awarded as Best Paper]; (iii) “The Impact of AI enabled Chatbots on Affective Trust of Customers in Online Retail” at the “International Conference on Panoramic Advancements in Business Paradigm: A Holistic Perspective (ICPABP’23)” organized by the Department of Management and IQAC, Patrician College of Arts and Science, Chennai on 22nd September 2023; (iv) “The Impact of Workplace Diversity Management on Organizational Excellence in the IT Sector” at “International Conference on Inspiring an Inclusive Future, Development for All, the trust of all in Business Perspective” organized by PG & Research Department of Commerce, College of Science and Humanities, SRM Institute of Science and Technology (Ramapuram Campus), Chennai, on 10th October 2023; (v) “Organisational Efficiency and

Employee's perspective based on the Scientific Management Theory" presented at the 4th International Conference On Transforming Business Practices in Changing Global Economy: Strategies for Business Resilience organised by School of Management and Commerce, ITM University, Gwalior on 13th & 14th October, 2023; (vi) "Adoption of AI Applications in Online Shopping Through Planned Behaviour of Consumers" at SIMS 14th Annual International Research Conference in Securing the Future through Sustainability, Health, Education and Technology organised by Symbiosis Institute of Management Studies, Pune from 13th to 15th December 2023; (vii) "Exploring the impact of Influencer Marketing on the Consumers' Purchase Intention of Millennials and Gen Z" at the International Conference on "Emerging Trends and Technological Innovations in Commerce and Management (IC-ETTICOM 2024)" organised by the Alpha Arts and Science College on 24th January 2024 [Awarded as Best Paper].

Dr B. Chinna Muthu presented the following papers in International Conference on "Thriving in Turbulent Times: Sustainable Growth Through Innovative Practices" held on 9th and 10th August 2023 organised by Department of Commerce in Association with Institution's Innovation Council, Women's Christian College (Autonomous), Chennai on (i) "A Study on the Awareness and Factors Affecting the Purchase of Electric Vehicles"; (ii) "Challenges of Student with Disabilities (SwDs) on the Effective Use of Assistive Technology in an Inclusive College Environment"; (iii) "A Quantitative Study on the Challenges Faced by Music Teachers Tutoring Through Online"; (iv) "Factors Influencing the Perception of Academicians and Students on Blended Learning in Higher Education – An Empirical Study";

He also presented a paper on "Navigating Social Commerce: Understanding Factors Influencing Customer Purchase Intentions" presented in the International Conference on "Economic Growth and Sustainable Development" held on 21st December 2023 organised by the Internal Quality Assurance Cell (IQAC) & the School of Commerce, Shri Shankarlal Sundarbai Shasun Jain College, Chennai in collaboration with the Department of Commerce, School of Science and Humanities, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai.

Dr Anli Suresh presented papers on (i) "Analysis of the Effect of Payment System Indicators for Bank Digital Payments" in the International Conference on Commerce, Accounting, Research and Ethical Practices - I-CARE 2023 held on 3rd and 4th August 2023, organized by PG & Research Department of Commerce, Bhakthavatsalam College, Chennai, India; (ii) "Comprehending FinTech Trends in Bancassurance Influencing the Purchase Decision of the Consumers" in the International Conference on Commerce, Accounting, Research and Ethical Practices - I-CARE 2023 held on 3rd and 4th August 2023, organized by PG & Research Department of Commerce, Bhakthavatsalam College, Chennai, India; (iii) "Forecasting the Future of Bank Investment: Estimation through Income from Investment of top Banks in India" in the International Conference on Commerce, Accounting, Research and Ethical Practices - I-CARE 2023 held on 3rd and 4th August 2023, organized by PG & Research

Department of Commerce, Bhakthavatsalam College, Chennai, India; (iv) Influencing Factors impacting the Comprehensive Sustainable Growth among the Customers of Bancassurance in India” in the International Conference on " Thriving in Turbulent Times: Sustainable Growth through Innovative Practices", held on August 9th & 10th 2023, organized by PG & Research Department of Commerce, Women’s Christian College, Chennai, India; (v) Innovative Strategies influence of Bank Investment Options towards Economic Sustainable Growth” in the International Conference on " Thriving in Turbulent Times: Sustainable Growth through Innovative Practices", held on August 9th & 10th 2023, organized by PG & Research Department of Commerce, Women’s Christian College, Chennai, India; (vi) Impact of Paytm as A Digital Payment Application on Sustainable Growth in the Digital Transformation in the Modern Era” in the International Conference on " Thriving in Turbulent Times: Sustainable Growth through Innovative Practices", held on August 9th & 10th 2023, organized by PG & Research Department of Commerce, Women’s Christian College, Chennai, India; (vii) “ Role of AI in bank payment applications” in the 9th International Conference on the theme AI- The Inevitable Strategic Game Changer in Business, held on August 17th 2023, organized by Accounting and Finance and Bank Management of Ramakrishna Mission, Vivekananda College, Chennai, India; (viii) AI Applications and its influence on Investors’ inclination towards Bank Investment Options” in the 9th International Conference on the theme AI- The Inevitable Strategic Game Changer in Business, held on August 17th 2023, organized by Accounting and Finance and Bank Management of Ramakrishna Mission, Vivekananda College, Chennai, India; (ix) “Influence of FinTech Factors on Bancassurance Patronization and its impact on Financial Inclusion” in the International Conference on Financial Inclusion in Digital Era Challenges And Opportunities, held on September 11th 2023, organized by Sankara college of Science and Commerce, Coimbatore, India; (x) “Influencing Factors for the Acuity and Adoption of Digital Payment System towards Financial Inclusion in Digital Era” in the International Conference on Financial Inclusion In Digital Era Challenges And Opportunities, held on September 11th 2023, organized by Sankara college of Science and Commerce, Coimbatore, India; (xi) “Innovations, Causation and Inclination towards Bank Investment Options among the Investors’ – Probing Financial Inclusion” in the International Conference on Financial Inclusion in Digital Era Challenges And Opportunities, held on September 11th 2023, organized by Sankara college of Science and Commerce, Coimbatore, India; (xii) “Role of AI-based Digitalization for a Sustainable Bancassurance among the Insured” in the First International Seminar on Recent Advances for Sustainable Development in the Area of Management, Humanities and Law held on November 18th 2023, organized by Department of Law, PIMR , Indore, India; (xiii) “Impact of Digital Transformation through Digital Payment Application with Special Reference to PayTm” in the ICCR Sponsored Two Days International Conference on India’s G20 Presidency and Horizons of Business Sustainability held on December 18th & 19th 2023, organized by FSH, SRM Institute of Science & Technology, Vadapalani Campus, Chennai, India; (xiv) “Attributes inclining the investors towards the preference of bank investment decisions and sustainability in the Indian Banking Scenario” in the ICCR Sponsored Two Days International

Conference on India's G20 Presidency and Horizons of Business Sustainability held on December 18th & 19th 2023, organized by FSH, SRM Institute of Science & Technology, Vadapalani Campus, Chennai, India; (xv) "Comprehensive Sustainable Group of Bancassurance Impacting the Horizons of Business in India" in the ICCR Sponsored Two Days International Conference on India's G20 Presidency and Horizons of Business Sustainability held on December 18th & 19th 2023, organized by FSH, SRM Institute of Science & Technology, Vadapalani Campus, Chennai, India; (xvi) 'Embracing AI inducing Sustainability focusing on bancassurance experience among the Consumers' for the ANVESH 2k24 International Research Conference hosted by Sai Balaji International Institute of Management Sciences and International Institute of Management and Human Resource Development (Women), Pune, India on 19th and 20th January 2024.

Dr Prince Solomon, **Department of Social Work**, presented a paper along with students Ms. Diya Thomas, Mr. Allan John during the 20th Annual International Human Trafficking and Social Justice Conference titled "Rescue, Relief, and Rehabilitation of Bonded Laborers through Experience Sharing" Sponsored by the University of Toledo, September 20-22, 2023.

Dr T. Robinson, **Department of Mathematics**, presented papers on (i) Certain Operations on Truncated Triangular Grid Graphs, International Conference on Computational Engineering (ICCE 2023), Saveetha Institute of Medical and Technical Sciences, Chennai, 8th & 9th December 2023; (ii) Pre-processing CT Images in the Segmentation of *Mangifera indica* L.CV. Mallika – An Algorithm to identify Cavities, International Conference on Computational Engineering (ICCE 2023), Saveetha Institute of Medical and Technical Sciences, Chennai, 8th & 9th December 2023.

Dr Thomas Rosy presented papers titled (i) "Goodman-type harmonic convex functions defined by q-differential operators" at the 5th International Mediterranean Congress held at Mersin, Turkiye, during 13th-14th January, 2024; (ii) "On certain subclass of analytic functions associated with (p,q)-Wanas operator" at the International Conference on Mathematical Sciences and Applications (ICMA-2024) held at Sacred Heart College, Titupattur during 15th – 16th February, 2024.

Dr S. Sunil Varma and Dr Thomas Rosy presented a paper titled "Estimates on Logarithmic coefficients of a general subclass of starlike univalent functions", International Conference on Advances in Mathematics & Computer Science-2023, (ICAMCS -2023) held at Scott Christian College, Nagercoil, 5th – 6th May, 2023.

Dr S.Sunil Varma presented papers titled (i) "Hardy classes of certain subclasses of analytic univalent functions" in the 29th International Conference On Finite Or Infinite Dimensional Complex Analysis and Applications held at Pondicherry University, Pudhucherry during 21st – 25th August 2023; (ii) "Maximal area integral problem for a subclass of univalent analytic functions" in the 29th International Conference On Finite

Or Infinite Dimensional Complex Analysis and Applications held at Pondicherry University, Pudhucherry during 21st – 25th August 2023; (iii) “Hardy spaces of certain subclasses of harmonic univalent functions” at the International Conference on Mathematical Sciences and Applications (ICMA-2024) held at Sacred Heart College, Titupattur during 15th – 16th February, 2024; (iv) “Integral means and maximal area integral problem for a subclass of p -valent functions.” at the International Conference on Mathematical Sciences and Applications (ICMA-2024) held at Sacred Heart College, Titupattur during 15th – 16th February, 2024; (v) “On a subclass of meromorphic functions with nonzero pole inside the unit disk” at the International Conference on Mathematical Sciences and Applications (ICMA-2024) held at Sacred Heart College, Titupattur during 15th – 16th February, 2024.

Mr Abhishek Krishnamoorthy and Dr T. Robinson presented a paper titled “A study on epichristoffel words using epichristoffel trees.at International Conference on Mathematical Modelling, Simulation and Nonlinear Dynamics-2024 (ICMMSND 2024), Bharathiar University, Coimbatore 15th and 16th February 2024.

Dr. T. Mary Vergheese, **Department of Chemistry**, presented a paper titled “Effect of Concentration of AgNO_3 in the green synthesis of silver nanoparticles using Azadirachta Indica (Neem) leaf extract, characterization and Biomedical applications” and “Green Carbon dots from waste Brachyura shells as a Fluorescence Probe for Picomolar Detection of Dopamine” at the International conference on trends in Biological Sciences: Impetus on human health on 12th & 13th October, 2023 at SRM Institute of Science and Technology, Chennai.

Dr Senthilkumar Umapathy, **Department of Botany**, presented papers on (i) Meta-barcoding of the diet of spotted deer (*Axis axis* Erxleben) to understand the grazing patterns in Madras Christian College Campus, Chennai. XXXIII Annual Conference of IAAT & International Seminar on Advances in Plant Systematics, Biogeography and Biodiversity Conservation, University of Calcutta, Kolkata, November 25-27, 2023; (ii) Meta-barcoding of pellets unravels the foraging preferences of spotted deer (*Axis axis* Erxleben); a case study from Tamil Nadu. Genomics India 2024, Shiv Nadar Institute of Eminence, Delhi NCR, February 1-3, 2024; (iii) Species, Genetic and Chemical diversity of genus *Jatropha* from India. International Conference on Current Trends and Future Prospects of Plant Biology & 14th Plant Sciences Colloquium, University of Hyderabad, Telangana, February 23 -25, 2024.

Dr K. Manoj Dhanraj and Dr C. Joyce Priyakumari, **Department of Zoology**, presented a paper on Insecticidal activity of *Anisomeles malabarica* against *Periplaneta americana* - An *in vitro* and *in silico* study. International Conference on Recent Advances in Applied Zoology (ICRAAZ-24) by Department of Advanced Zoology and Biotechnology, Women's Christian College, Chennai-600006 on 10/01/2024 and 11th January 2024

Dr C. Joyce Priyakumari presented a paper on Assessment of the mosquitocidal impact and non-target effects of botanical pesticides derived from *Indigofera parviflora* on the immature stages of *Culex quinquefasciatus* Say. International Conference on Recent Advances in Applied Zoology (ICRAAZ-24) by Department of Advanced Zoology and Biotechnology, Women's Christian College, Chennai, on 10th & 11th January 2024

Dr Ananthi Rachel Livingstone presented a paper on ‘Effect of Temperature on regeneration of a species of an earthworm- *Eisenia foetida* in second International Conference on Advancements in Science, Management & Engineering (ICSMEA 2023) organized by Global Conference Hub, Coimbatore, Tamilnadu, India on 24th & 25th June 2023.

Dr J. Logamanya Tilak, et al. presented papers on (i) ‘Differential Expression of Sex Reversal in Brain and Gonads of Mullet (*Mugil cephalus*) at NGS Transcriptome Analysis in the “12th International Symposium on Reproductive Physiology of Fish” held in Greece from 15 to 19 May, 2023; (ii) Port Development Embracing Global Trade: A Negligent Issue of Ecology vs Economy in the “International Seminar on Biodiversity Conservation: Global Strategies and Legal Scenarios” organized by Kerala Law Academy Law College, Trivandrum, Kerala on 30th September, 2023; (iii) Plankton of Pulicat Lake: A study on the diversity, dynamics and ecological significance in the “International Conference on Recent Advances in Animal Biology and Conservation” organized by Department of Zoology, University College, Trivandrum, Kerala from 19 – 21st December, 2023.

Dr Allen J. Freddy and Dr M. Akila presented papers on (i) Bioaccumulation of Heavy Metals as Xenobiotics and eds Association to Diabetic Heart Diseases in the “International Conference on trends in biological sciences: Impetus on human health (ICBS)” organized by SRM Arts and Science college, Kattankulathur, Chengalpet on 12th and 13th October 2023.

Dr Anulin Christudhas, et al. presented a paper on Molecular Assessment of Mobile Colistin Resistant (MCR-1) gene in *Salmonella enterica* isolated from Poultry in Southern India at the International Conference on Recent Advances in Applied Zoology (ICRAAZ-24) by Department of Advanced Zoology and Biotechnology, Women's Christian College, Chennai-600 006 on 10/01/2024 and 11/01/2024

Dr A. Anita Pearline Esther presented a paper on ‘Local Biodiversity Heritage Sites in Kerala: An Existential Tag for Biodiversity Conservation Boost and Current Endangerment to it’ at One day International Seminar on “Exploring the intersection of Animal Studies: Understanding animals in Society”, Department of English, St. Berchams College, Changanacherry, Kerala, in collaboration with the University of Wales Trinity, United Kingdom on 4th December 2023.

NATIONAL CONFERENCES/SEMINARS

Dr D. Meshak, **Department of Tamil**, presented a paper on ‘Cultural Elements in the Poems of P.A. Sathya Saatchi’ in a Seminar on Cultural Perspectives Tamilology conducted by Trinity Women's College, Namakkal on 20.09.2023 (ISBN: 9789394785458).

Dr T. Sebulon Prabu Durai presented a paper on “Peculiarities of Hymns by Abraham Pandithar” in the seminar titled “Tamilology for Culture” held at Trinity Women's College, Namakkal on 20.09.2023 ISBN: 9789394785458.

Dr S. Stalin presented a paper on the topic ‘Tamil Research Papers’ in the Teachers Skill Development Program organized by Art and Culture Foundation, on 07.12.2023.

Dr. R. Venkataramanujam, **Department of History**, presented papers on (i) Cornish, Cholera and Colonialism: A Dissenting Voice in Nineteenth Century Madras at the 30th Annual Session of Tamil Nadu History Congress, held in Holy Cross College, Nagercoil, on 22nd -24th September 2023; (ii) Connected History of Revolutionary Activities in Germany during the First World War: The Role of Chempakaraman Pillai at the 82nd Session of the Indian History Congress held in Kakatiya University, Warangal, Telengana, on 28th – 30th December 2023.

Dr. K. Ashok presented papers entitled (i) Satiated Schooling- Chief Minister’s Breakfast Scheme (CMBFS) of Tamil Nadu, at the 30th Annual Session of Tamil Nadu History Congress, held at Holy Cross College (Autonomous), Nagercoil, on 22nd -24th September, 2023; (ii) Caring the Marginilised: Tribal Health Care in Tamil Nadu at the 42nd Annual Session of South Indian History Congress held at University College, Thiruvananthapuram, Kerala on 28-30 October 2023.

Dr. Marilyn Gracey Augustine presented a paper entitled “Forming a Nexus: Indian Diaspora and the Spread of Satyagraha across Seas at the 82nd Session of the Indian History Congress” held in Kakatiya University, Warangal, Telengana, on 28th – 30th December 2023.

Dr. P. Jayapradaban presented a paper entitled “The Evolution and Expansion of the Madras Army” at the 82nd Annual Session of Indian History Congress held at Department of History & Tourism Management, Kakatiya University, Warangal, Telangana, on 28-30 December 2023.

Dr. W. Christina Kokila presented a paper entitled, “Re-exploring the historical role in the Palestine -Israel discord” in the Indian History Congress held in Kakatiya University, Warangal, Telangana from 28th - 30th December 2023.

Dr. A. Gughan Babu presented papers entitled (i) Trade and Development of the British Monetary System of Madras Presidency at the 30th Annual Session of Tamil Nadu History Congress, held at Holy Cross College (Autonomous), Nagercoil, on 22nd -24th September, 2023; (ii) Historical Overview of the Monopoly of Britain's Opium Trade and Impecunious India at the 42nd Annual Session of South Indian History Congress held at University College, Thiruvananthapuram, Kerala on 28-30 October 2023; (iii) Subaltern Indian Women Under in the Coal Mines – The Hidden History of the British Aristocrats in the Period of World War II at the 82nd Session of the Indian History Congress held in Kakatiya University, Warangal, Telangana, on 28th – 30th December 2023.

Dr S. Deepika presented papers on (i) “Trimurti cave – Mamallapuram” in one day conference “Historical Research on Mamallapuram” conducted by Department of Tamil “Bharathi Mandram” at Madras Christian College on 23.03.2023; (ii) “An Insight into Characterized Zoomorphic Sculptures in Pallava Rock Architecture” in South Indian History Congress, August 2022. The paper published in UGC-CARE listed Journal Proceedings of the South Indian History Congress 41 (2023) ISSN No: 2229-3671.

Dr. Ashik J. Bonofer, **Department of Political Science**, presented a paper titled “200 Years of Tamil Indentured Labour to Sri Lanka and Repatriates” at the “One-Day Conference on Refugees, Repatriates and Statelessness in India” at Loyola College, Chennai, on 19 December 2023, organised by Loyola Institute of Social Science Training and Research (LISSTAR), Tamil Nadu Dr. Ambedkar Law University, Centre for Refugees and Statelessness (TISS), and Department of Political Science, Madras Christian College.

Dr. Haans J. Freddy presented papers titled (i) “India's Quest for Energy Security: Oil Diplomacy with OPEC” at the Conference on “Non-Traditional Security Challenges in India and China” from 22 to 23 April 2024, organised by the Institute for Contemporary Chinese Studies, Mahatma Gandhi University and Sichuan Academy of Social Science, China; and (ii) “India's Energy Dilemma: Delving into National Security Challenges amidst Oil Imports” at the Conference on “National Security in the 21st Century World Order” from 23 to 24 February 2024, organised by Saveetha School of Law.

Mr Adarsh Vijay presented papers titled (i) “Situating India's Naval Attachés in Military Change: A Nation Branding Perspective” at the National Webinar on "India in the Emerging Global Order" on 24 October 2023, organised by the Society for Social Empowerment, New Delhi, Chaudhary Bansilal University Bhiwani, Haryana, and the Department of Political Science, University of Calicut; and (ii) “India's Constitutional Darwinism and Naval Paradiplomacy: A Conceptual Forecast” at the Two Day National Seminar on "Contextualizing the Constitution of India: Past, Present, and Future” on 15th and 16th November 2023, organised by the Department of Political Science, Central University of Andhra Pradesh.

Dr. N. Ansuman, **Department of Public Administration**, presented a research paper in ICSSR sponsored Two- Day National Conference on Bridging the Digital Divide – Engaging in Imperative Policy, Capacity and Competency Building organized by the Department of Public Administration, Madras Christian College (Autonomous) on 5th & 6th April 2023.

Dr B. Prince Solomon Devadass, **Department of Social Work**, published an article in the Indian Development Review (IDR) on ‘Rethinking rehabilitation for the Irular tribe of Tamil Nadu’, on 12th January 2024.

Dr Thomas Rosy and Dr S. Sunil Varma, **Department of Mathematics**, published a paper on “Radius problem for a subclass of univalent functions”, Purakala, Volume 32, Issue 1, 2023.

Dr Huldah Samuel and Dr K. Sathish Kumar, published a paper on “Degree Splitting Graphs of Certain Classes of Graphs with Small Power Domination Number”, Tuijin Jishu/Journal of Propulsion Technology, vol. 44, No. 6, 2023, pp. 1453 – 1458.

Dr S. Sunil Varma and Dr Thomas Rosy published a paper on “Estimates on logarithmic coefficients of a general subclass of starlike univalent functions”, Mathematical Sciences International Research, Volume 12, No.1 2023, pp 163-169.

Dr S. Sunil Varma published a paper on “Hardy spaces and integral means of certain integral operators on analytic functions”, Creative Mathematics and Informatics. Volume 33, No.1 (2024), pp 47 – 36.

Dr K. Sathish Kumar, et al. published a paper on “Power dominator chromatic numbers of splitting graphs of certain classes of graphs, Communications in Combinatorics and Optimization, Vol. 9, No. 2 (2024), pp. 317-327.

Dr G. Kumarapandiyam, **Department of Statistics**, published papers on (i) A Study on Perception of Water Scarcity with Particular Reference to Chennai Corporation Zone, Investigacion Operacional, Vol. 45(1), pp. 45-50 (Scopus); (ii) sample size estimator: Calculate Sample Size for Various Scenarios. R package version 1.0.0 <

Dr M Salomi, et al. published book chapters on (i) Machine Learning Methods Application to Predict and Cross Validate Textile Fabrics Data, VRI Publication, ISBN :978-93-91332-61-7; (ii) Assessment of Anti thyroid medications and radioactive iodine therapy Amongst Hyperthyroid Patients, VRI Publication, ISBN :978-93-91332-61-7;

(iii) created academic E-Content (video and e-text for 6 lessons) for the Ministry of Education assigned MOOC on Statistical Methods for Psychological Research -2.

Dr S. Karthikeyan, **Department of Physics**, published a paper on Facile synthesis of PVA-formamide based solid state electrolyte membrane: A combined experimental and computational studies, *Solid State Ionics* 402 (2023) 116378.

Dr. P. Wilson, published a research article on ‘Mechanical and corrosion characteristics of micro-arc oxidized magnesium alloy (ZE41) friction stir welds in modified SBF’ in *Physica Scripta*, 2023, 98,10, 105901.

Dr. P. Wilson, Dr. Nimmy Edwin and Dr. R. Vijay Solomon, **Department of Chemistry** published a research article ‘Particle on a ring model for polyacenes’ in *Computational and Theoretical Chemistry*, 2023, 1225, 114166.

Dr. P. Wilson and Dr. R. Vijay Solomon published a research article ‘Computational assessment of amino acid-coupled benzanthrone 2-aminoacetamides as molecular probes for insulin amyloid fibril visualization’ in *New Journal of Chemistry*, 2023, 47, 28.

Dr. E. Iyyappan and Dr. Vijay Solomon, published a research article ‘Deciphering the structure-property relationship and antioxidant mechanisms of Trehalose – An in-silico approach’ in *Journal of Molecular Structure*, 2023, 1291, 135957.

Dr. T. Jaba Priya, published a research article ‘Host-Guest Complex of Cucurbituril with 5-Fluorouracil: Structural Study, Effect on Cytotoxicity, and Intracellular ROS Generation’ in *Pharmaceutical Chemistry Journal*, 2023, 56, 11.

Dr. T. Mary Vergheese and Mr. G. Gnanamani Simiyon, published research articles on (i) ‘From Sink to Shelf: Organic Solvents’ in *Resonance*, 2023, 28, 5; (ii) ‘Christmas Tree Model of Periodic Table of Chemical Elements’ in *Resonance*, 2023, 28, 3.

Mrs. R. Kavitha published a research article ‘Biosynthesis of bioactive pigment from halotolerant *Bacillus cereus* for fabric – an eco-friendly initiative’ in *Biomass Conversion and Biorefinery*, 2023, 1-15.

Dr. D. Reuben Jonathan, published research articles on (i) ‘Synthesis, structural, spectral, thermal, and optical characterization of a new curcumin derivative: A promising material for NLO applications’ in *Journal of Molecular Structure*, 2024, 1295, 136705; (ii) ‘Investigations on 3D-structure, properties and antibacterial activity of two new curcumin derivatives’, in *Journal of Molecular Structure*, 2023, 1292, 136063; (iii) ‘Synthesis and characterization of a single crystalline exocyclic double-bonded NLO active chalcone derivative: (2E) -2-(2,4,6-trimethoxybenzylidene)-3,4-dihydro-2H-naphthalene-1-one, in *Journal of Molecular Structure*, 2023, 1291, 135990; (iv)

‘Molecular structure analysis of 4-fluoro phenyl(4-methyl piperidin-1-yl) methanone and a comparative study of its optical, antimicrobial and antioxidant activities with 4-chloro phenyl (4-methyl piperidin-1-yl) methanone’ in *Journal of Molecular Structure*, 2023, 1271, 134080; (v) ‘Synthesis and Characterization of a New Non-Linear Optical Material: (4-Chlorophenyl)(4-Hydroxypiperidin-1-yl) Methanone’ in *Polycyclic Aromatic Compounds*, 2023, 1-11; (vi) ‘Synthesis of Biologically Active α -Tetralone Condensate: Growth of Single Crystal, Characterization by Experimental and Simulation Methods’ in *Polycyclic Aromatic Compounds*, 2023.

Dr. R. Vijay Solomon, published research articles on (i) ‘Computational exploration of the structure-photophysical property relationship of 2,6-dicyanoaniline derivatives for optoelectronic applications’ in *Journal of Molecular Structure*, 2024, 1295, 136626; (ii) ‘Conjugation-modulated optoelectronic and anti-corrosion properties of pyrrole oligomer: Insights from DFT/TD-DFT analysis’ in *Journal of Molecular Structure*, 2024, 1295, 136722; (iii) ‘Trianglimine-Mediated Selective Sieving of Cis Isomer from the Mixture of Dihaloethenes: A Combined Molecular Dynamics and DFT Investigation’ in *ChemPhysChem*, 2023, 24,24, 20230057; (iv) ‘Explorations on the synthesis, structure, DFT, DNA binding properties and molecular docking of tridentate Schiff base Copper (II) complexes’ in *Chemical Physics Impact*, 2023, 7, 100286 (v) ‘Exploring the solvation of water molecules around radioactive elements in nuclear waste water treatment’ in *Sustainable Chemistry Research*, 2023, 2; (vi) ‘Spectroscopic and theoretical approach of DNA interaction and anticancer studies of bio-pharmaceutically active pyrimidine derived Cu(II) and Zn(II) complexes’ in *International Journal of Biological Macromolecules*, 2023, 249, 126095; (vii) ‘Insight into designing of 2-pyridone derivatives for COVID-19 drug discovery - A computational study’ in *Structural Chemistry*, 2023, 34, 4; (viii) ‘Role of sulphur and oxygen in phosphine ligands in the extraction process of Am^{3+} over Eu^{3+} ions in water medium – A theoretical study’ in *Journal of Molecular Liquids*, 2023, 382, 122035; (ix) ‘Computational Insights and Virtual Screening of Repurposed FDA-Approved Drug Against SARS-CoV-2 Protease’ in *Iranian Journal of Science*, 2023, 47, 3; (x) ‘Synergistic enhancement of corrosion protection of carbon steels using corrosion inhibitors and biocides: Molecular adsorption studies, DFT calculations and long-term corrosion performance evaluation’ in *Journal of Environmental Chemical Engineering*, 2023, 11, 3, 109842; (xi) ‘Breaking free from academic scams: Five key reflections on the cloned journal conundrum’ in *Learned Publishing*, 2023; (xii) ‘Highly Selective Turn-on Fluorescence Sensor for Cd^{2+} Ions by Tripodal Organic Ligand’ in *Journal of Fluorescence*, 2023, 1-12; (xiii) ‘Environmentally friendly synthesis and computational studies of novel class of acridinedione integrated spirothiopyrrolizidines/indolizidines’ in *Green Processing and Synthesis*, 2023, 12, 1, 20230036; (xiv) ‘Exploring the solvation of water molecules around radioactive elements in nuclear waste water treatment’ in *Physical Sciences Reviews*, 2023; (xv) ‘Do mono- or diphenol substitutions in phenanthroline-based ligands serve in effective separation of $\text{Am}^{3+}/\text{Eu}^{3+}$ ions?- Insights from DFT calculations’ in *Separation Science and Technology (Philadelphia)*, 2023, 58,4.

Dr. E. Raj Kumar, published research articles on (i) ‘Anticancer Potential of Dendritic Poly(aryl ether)-Substituted Polypyridyl Ligand-Based Ruthenium(II) Coordination Entities’ in ACS Applied Bio Materials, 2023, 6, 10; (ii) ‘Peripherally “tertiary butyl ester” functionalized bipyridine cored dendrons: from synthesis and characterization to molecular dynamic simulation study’ in New Journal of Chemistry, 2023, 47,18; (iii) ‘Coordination compounds of iron, ruthenium and osmium’ in Photochemistry and Photophysics of Coordination Compounds: Fundamentals and Applications in 2023.

Mr. Gnanamani Simiyon, published a research article ‘Writing Electronic Configuration: An Easy Approach’ in Resonance, 2023, 28, 4.

Dr Senthilkumar Umapathy and Dr Joyce Sudandara Priya, **Department of Botany**, published a paper on Chemical Profiling of Camptothecin (CPT) In the Ecotypes of *Nothapodytes Nimmoniana* (Graham) Mabb. From Western Ghats In: Recent Advances In Healthcare Research- Proceedings of the Interdisciplinary Conclave, Madras Christian College, Chennai, pp. 7-16.: Tabitha Durai, P. Hanumantha Rao and Marilyn Gracey Augustine (Eds).

Dr S. Ravi Shankar, et al. published papers on (i) Effect of cadmium stress on seedgermination and seedling morpho-physiological growth parameters of barnyard millet (*Echinochloa frumentacea* Link). Plant Science Today 10(1): 252-260; (ii) Histological and in vitro seed culture studies on *Biancaea sappan* (L.) Tod. (Caesalpinaceae). Plant Science Today. 2022; 9(3): 564–567.

Dr P. Selva Singh Richard published papers on (i) *Impatiens karuppusamyi* (Balsaminaceae), a new species from the southern Western Ghats, India. Ann. Botanic Fennici, 60: 131 – 135; (ii) Butterflies are ecosystem engineers in the Western Ghats: A brief review with systems perspective. In: *Biodiversity Hotspots of the Western Ghats and Sri Lanka*. ed. T. Pullaiah. Apple Academic Press. Pg. 253 – 284.

Dr B. Babu and Dr M. Kumar published a paper on Distribution and new records of Myxomycetes from Tropical Dry Evergreen Forests of South India. Asian Journal of Mycology 6(2): 290–304.

Dr M. Kumar, et al. published a paper on ‘Exploring the Therapeutic Potential of Edible *Pleurotus* Mushroom Species for Oxidative Stress and Diabetes Management’ Journal of King Saud University – Science 35 (2023) 102926.

Dr G. Gnanasekaran, et al. published papers on (i) Rediscovery of *Impatiens parvifolia* and reinstatement of *I. omissa* (Balsaminaceae) in India. *Phytotaxa* 589(3): 269–277; (ii) *Lepidagathis gandhii* (Barleriaceae: Acanthaceae), a new species from Tamil Nadu, India. *Kew Bulletin* 75(2): 5. 203–212. 2023; (iii) Why is it essential to critically study allied taxa while describing those new to science? A case study based on *Lepidagathis keralensis*

(Acanthaceae). *Current Science* 125(3): 247–252. 2023; (iv) Taxonomy of *Lepidagathishamiltoniana* (Barlerieae: Acanthaceae), an endemic species of India. *Rheedea* 33(2): 74–82; (iv) First report on the distribution of *Aegiceras corniculatum* (L.) Blanco (Primulaceae) from the Nicobar archipelago, India. *Ocean and Coastal Research*, 71, e23034; (v) Two new species of *Lepidagathis* (Acanthaceae: Barlerieae) from the low-elevation lateritic plateaus of Karnataka and Kerala, India – *Rheedea* 33(4); (vi) Two new heterotypic synonyms in *Lepidagathis* (Acanthaceae: Barlerieae) from India – *Rheedea* 33(4).

Dr R. Ranjith Kumar, et al., published a paper on Bioethanol production from hydrolysate derived by ultrasonic pretreated defatted biomass of municipal wastewater grown mutant *Tetrademus dimorphus* EMS2. *Journal of Applied Biological Sciences*, 18(1): 1-13.

Dr Senthilkumar Umapathy, et al. published papers on (i) Bioactives and Pharmac constituents of an Unani Drug - *Phyllanthus maderaspatensis* L. (Family: *Phyllanthaceae*) In: Bioactives and Pharmacology of Medicinal plants, Apple Academic Press, USA & CRC Press of Taylor & Francis; (ii) Bioactives and Pharmacology of *Tribulus terrestris* L. (Family: *Zygophyllaceae*) In: Bioactives and Pharmacology of Medicinal plants, Apple Academic Press, USA & CRC press of Taylor & Francis; (iii) Simultaneous Quantification of Three Steroidal Glyco-Alkaloids in Different Species of Genus *Solanum* L. Using High-Performance Thin Layer Chromatography (HPTLC) In: Tabitha Durai, P. Hanumantha Rao and Marilyn Gracey Augustine (Eds), Recent Advances In Healthcare Research- Proceedings of the Interdisciplinary Conclave, Madras Christian College, Chennai, pp.23-34; (iv) Phytochemical Evaluation of *Syzygium Travancoricum* Gamble (Myrtaceae) From Southern Western Ghats, India In: Tabitha Durai, P. Hanumantha Rao and Marilyn Gracey Augustine (Eds), Recent Advances In Healthcare Research- Proceedings of the Interdisciplinary Conclave, Madras Christian College, Chennai, pp. 54-66.

Dr Ananthi Rachel Livingstone, **Department of Zoology**, published a paper on “Isolation and identification of Micro and Mesoplastics from *Oreochromis niloticus* of Puzhal lake, Redhills, Tamil Nadu, India”, *CIBTech Journal of Zoology* Vol.12 ISSN: 2319-3883, pp 252-256.

Dr Anulin Christudhas, et al. published a paper on Molecular Assessment of Mobile Colistin Resistant (MCR-1) gene in *Salmonella enterica* isolated from Poultry in Southern India. *Scientific Abstracts- International Conference on ‘Recent Advances in Applied Zoology (ICRAAZ 24), Women’s Christian College, Chennai.* pg. 45. ISBN: 978-81-958002-7-8.

Dr A. Anita Pearline Esther published papers on (i) Ecology of Spotted Deer (*Axis axis*) in Madras Christian College, Chennai, India. *CIBTech Journal of Zoology* Vol.12 ISSN: 2319-3883, pp 200 – 207; (ii) “Investigation on the Foraging Behaviour of *Monomorium*

pharaonic (Hymenoptera: Formicidae)” ISBN - 978-93-95967-36-5, 19/07/2023. Monograph.

LECTURES DELIVERED/RESOURCE PERSONS

Dr. Mekala Rajan, **Department of English**, was invited to be the (i) Guest of Honour for the Literary Association and Clubs Inauguration in Vinayaka Mission’s Research Foundation on 24th August 2023; (ii) Inaugural Chief Guest for ELITE 2K23-An Inter-Collegiate Literary Fest on 18th October 2023 by Hindustan College of Arts and Science, Padur.

Dr. Samuel Rufus delivered lectures (i) in ‘Refresher Course on Language and Literature’ organized by the University of Madras in collaboration with the UGC-HRDC on 21st November 2023; (ii) on ‘Refresher Course in English’ organized by the Department of English, Pondicherry University, Pondicherry in collaboration with HRDC on 29th August 2023; (iii) in A National Seminar on Pluralism and Diversity in South Asian Literature on 11th October 2023. It was organised by St. Mary’s College, Thoothukudi; (iv) served as a resource person for A Faculty Development Programme on Recent Trends in Language Teaching and Learning, on 13th October 2023, organised by SDNB Vaishnav College for Women, Chrompet; (v) a talk in a Two-Day National Level Externship on Ecological Concerns through Eco-narratives, on 6th January 2024, organised by The Department of English, Madurai Kamaraj University; (vi) a lecture in A Five-Day Online FDP on Pedagogical Paradigms: navigating Innovation IN Education on 8th-9th January 2024, organised by VIT Chennai; (vii) a lecture in A Seven-Day Faculty Development Programme (Virtual Mode) on ‘Contemporary Literary Trends and Devices’ from 5th February to 11th February 2024. Organised by P.G and Research Department of English, SRM Institute of Science and Technology; (viii) a lecture in A Two-Day National Seminar on Mediating the ISMS: Locating the Dynamics of Ideology in the Modern World through Screens on 1st & 2nd March 2024; (ix) a lecture in a National Conference on Health Humanities: Intersection of Health, literature, Arts, Society & Culture on 29th January organised by the PG Department of English in collaboration with PG Department of Psychology, SDNB Vaishnav College for Women; (x) a lecture in a Two-Day International Seminar on Beyond the Written Word: navigating the Frontiers of English Literature on 19th & 20th February 2024. Organised by the PG Department of English & Research Centres of St. Xavier’s College for Women, Aluva in collaboration with Sree Sankara College, Kalady; (xi) a lecture in A One-Day National Workshop on Academic Writing on 20th February 2024, Organised by the Department of English, Loyola College, Chennai; (xii) a Resource Person to conduct a one-day workshop on 20th February 2024, organised by Vels University, Pallavaram.

Ms. Christina Dhanasekaran delivered a lecture titled ‘Academic Writing: Understanding and Organizing the Mechanics of Words’ at MCC Research Colloquium on 21st October 2023.

Dr. G. Phebe Angus delivered a lecture on “Teaching English Language Skills through Digital Mode” at the SBOA School, Chennai on 2nd June 2023.

Dr. G. Phebe Angus delivered a lecture on “Retelling the Music and Magic of Literature” on 14th October 2023 at the Shree Niketan Patasala, Mannivakkam, Chennai.

Dr David Wesley was invited to deliver (i) guest lecture on “The Fundamentals of Theatre” by the Theatre Club and Department of General English (SFS), SDNB Vaishnav College on 30.01.2024; (ii) a lecture on “Performance and Life” by the Department of Communication, Madras Christian College, on 20.07.2023; (iii) as Resource Person to the five-day online FDP on “Pedagogical Paradigms: Navigating Innovation in Education”. Dr Wesley delivered a lecture on “Performing the English Classroom” on 09.01.2024; (iv) as Resource Person to S.S.S. Jain College for Women to conduct a workshop on “Communication through Theatre” on 08.01.2024; (v) as Resource Person to conduct a “Theatre Workshop” by Women’s Christian College on 12.12.2023; (vi) as Resource to the Refresher Course conducted by the Department of English, University of Madras on 23.01.2023. Dr Wesley gave a lecture on “Performing the Classroom”; (vii) Dr David Wesley was invited to review a journal article for the South Asian Review in July 2023. Dr Wesley reviewed an article titled “Tamil Aesthetic Tradition in a Foreign Genre: A Study of Jeyamohan’s “Kaadu”; (viii) as Resource Person to conduct a workshop on “Dramatic Reading” by Chellammal College on 14th July 2023.

Dr. P. David Prabhakar, **Department of Tamil**, (i) was the special guest in the closing ceremony of the second PEDAS- Inter-School Football Tournament held in the college and delivered the prize giving talk on 25.08.2023; (ii) worked as an instructor on the subject of Language Learning and Teaching in a co-organised teacher skill development training organized by Tagore College of Arts and Science, on 23.09.2023; (ii) participated and delivered a talk as a special invitee on the topic of Language Learning and Teaching in the Teacher Skill Development Workshop organized by Tagore College of Arts and Science, on 19.10.2023; (iii) delivered a talk on the theme "Poets of Vajramani Christian Way, Musical and Literary Works" at the Foundation Lecture of Madras University on 15.11.2023.

Dr. Y. Paul Prabu Santharaj (i) presided over the second session of a one-day seminar organized by research students and Madras Christian College Research Field under the theme 'Studies in Tamil from a Multifaceted Perspective' from 02.12.2023 to 02.12.2023; (ii) acted as the coordinator of a seven-day workshop on devotional literature in Tamil in a teacher skill development program organized by Art and Culture Foundation; (iii) delivered a talk on Tamil artistic traditions to the students of Tambaram Railway Station Training Center, on 16.11.2023; (iv) acted as the coordinator of a one-day workshop called “Kali” in the teacher skill development program organized by the Foundation on 07.12.2023; (v) visited Krishnagiri Government Girls School as a departmental expert to explain about multi-age sculptures to the students on 27.12.2023.

Dr. J. Sudarvizhi delivered (i) a talk on 13.07.2023 to introduce the merits of Tamil language to the first year Tamil students of Presidency College, Chennai; (ii) a keynote address on 11.09.2023 in Bharatiyar Memorial Day program at Peri College of Arts and Science. (iii) a talk on the topic of Bharatiyar Studies in Modern Poetry Tradition at the workshop on “Tracks of Tamil Studies” organized by the Department of Science and Art in Science and Art on 06.10.2023 in S.R.M.; and (iv) a talk on the topic ‘Life and Creation’ on December 23, 2024.

Dr. S. Sathasivam (i) delivered a talk on the book ‘Truth Test Mahatma Gandhi’ in the International online Book Reading Forum 138 organized by Ayya Nadar Janaki Ammal College on 07.09.2023; (ii) delivered a special talk at a function to honor Tamil Mother organized by Swayaveeram Public Welfare Society on 14.10.2023; and (iii) delivered a talk on Tamil Culture in Society Literature at Tambaram Tamil Sangam on 15.10.2023.

Dr. S. Muthukandan delivered (i) a lecture on Local History and Customs in the special topic of Street Art History Writing at Thanjai Tamil University on 04.10.2023; (ii) Atimaram, Full Book Bharati Budhkalayam, Chennai, December 2023.

Dr. S. Stalin delivered as a special guest at the Kamarasar Birthday Celebration and Education Development Day event held at Alvin Public School, Selaiyur on 14.07.2023.

Dr. S. Marry (i) delivered a talk on “Marriage in Chandragiri Riverside Novel” in a Seminar on ‘A review of Madhya Sahitya Academy award winning works in Telugu’ on 23-12-2023; (ii) moderated and delivered a talk in the inter-college short drama competition on 14.12.2023 organized by Y.M.C.A Student Council Project Committee and the Department of Tamil, MCC.

Dr. N. Mary Nesapriyam delivered (i) a talk on the topic of Always Three Kings, on 29.06.2023 at the Music Explosion Month live program organized by the Knowledge Society. (ii) a keynote talk on the topic of Principles of word type classification at a translation Workshop for school teachers organized by the World Tamil Research Institute and Tamil Language and Language Field on 23.11.2023.

Dr. R. Venkataramanujam, **Department of History**, was a resource person and delivered a lecture in the National Human Rights Commission sponsored one-day Basic Training Programme on “Practices and Possibilities of achieving Gender Equality and Empowerment of Women in Contemporary India” organized by the Department of History, Loyola College (Autonomous), Chennai on 28th November 2023; (ii) chaired a Session on ‘History and Tourism’ and presented a paper titled History, Tourism and Gender: A Changing Scenario in the International Conference on Gender Dynamics in History, Society, Culture, and Power Structures organized by the Department of History and Centre for Women’s Studies, Stella Maris College, Chennai on 30th – 31st January 2024.

Dr. V. Chitra was a Resource Person and delivered a special lecture entitled Buddhist Architecture in S.D.N.B. Vaishnav College for Women, Chennai on 15th December 2023.

Dr. V. Chitra was a Resource Person and delivered a lecture entitled Promoting Leadership Skills among Youth in Tamil Nadu in A Three Day Training Programme for Youth Development for Promotion of Inclusive Society organized by Kalaignar Karunanidhi Government Arts College, Tiruvannamalai on 28th February 2024.

Ms. Sreedevi, K.C. was a Resource Person and delivered a lecture entitled Women and Environment – A Sneak Peak into Ecofeminism in One Day National Seminar on Theoretical Perspectives on Feminism – A Quest for ‘Self’ organized by Postgraduate Department of History, St. Mary’s College, Thrissur on 21st February 2024.

Dr. S. Deepika served as (i) Resource Person for the 10-day workshop on “Critical Approaches to Ancient Tamil Classics” on the topic “Ancient Tamil Classics in Archaeological Approaches” organized by Central Institute of Classical Tamil (CICT) on 14.06.2023; (ii) Resource Person for the Thamizhiyal Aaivu Mandram – Tamil Lecture on the topic “Tholliyal Aaivugalum Manidha Nagarigamum” organized by Department of Tamil, Madras Christian College, Tambaram on 18th October 2023; (iii) Guest Speaker at Global Conference “Sangamam: Revisiting the art of head weaving and natural dyeing” organized by Women’s Indian Chamber of Commerce and Industry (WICCI) – National Handloom Council on 9th & 10th February 2024; (iv) Resource person for the special lecture on “Indus Valley Civilization and its Forensic research” organized by Dravidian Historical Research Centre on 24/01/2024; (v) Resource Person for the Heritage walk program “Pallava Textiles: A Sculptured History” organized by WICCI Tamil Nadu Handloom Council on 24/9/2023; (vi) Resource Person for the 6 months Diploma Course in Tamil Epigraphy & Numismatics organized by DakshinaChitra museum (June – November 2023); (vii) Resource Person for the Heritage walk program “Museum walk” organized by Chennai Walks on 18/4/2023 as a part of World Heritage Day.

Dr. R. Vidya, **Department of Political Science**, was a resource person on 29 November 2023 at Kendriya Vidyalaya (No. 2), Air Force Station, Tambaram, for an interactive session on the “Indian Constitution” as part of the *PM SHRI Scheme*.

Dr. Ashik J. Dr. D. Reuben Jonathan, served as a judge for a Science Exhibition conducted at WCC, to celebrate 'National Science day' on 24th January, 2024.

Dr. R. Vijay Solomon served as a resource person (i) in Five Days Training Program (FDP) on Research Integrity & Journal Publications and delivered a lecture on ‘Nuances of Journal Selection’ conducted by Internal Quality Assurance Cell (IQAC) & Research

Cell of SDNB Vaishnav College, Chennai. on 11th January 2024; (ii) in an Online workshop conducted by St. Mary's College, Thoothukudi, and delivered a lecture on 'Avoiding Predatory Publishing: Guidelines for choosing Quality Journals in the Digital Age' conducted on 11th December 2023; (iii) in a Capacity Building workshop for faculty at Lady Doak College, Madurai, and delivered a lecture on 'Nuances of Publishing Service – Learning Research' on 21st November 2023; (iv) in a One Day Online Faculty Development Programme (FDP) on Intricacies of Writing for Research Publications and Projects and delivered a lectures on 'The Art of Writing successful Research Proposals' & From Manuscript to Research Article: A Practical Approach on 27th October 2023 at St. Josephs College, Trichy; (v) in a Seminar on Research Methodology at MCC and delivered a lecture on 'Kick start the Research writing' on 16th October 2023; (vi) in Five Day Online Faculty Development Programme (FDP) workshop, jointly organized by AIACHE and MCC and delivered a lecture on 'Academic Research and Publications in Arts and Humanities' on 10th October 2023; (vii) in a Four days state level hands on workshop organized by School of Sciences, Guru Nanak College, Chennai between 9th - 12th October 2023 and delivered a lecture on 'Mastering Molecular Dynamics, Docking, ADMET and network pharmacology'; (viii) in a webinar and Delivered a lecture on 'Identifying Dubious Journals: A Practical Approach' on 27th September 2023 at the Sri Sarada College for women; (ix) in a Three day Faculty development programme conducted by the International Network for Christian Higher Education & MCC between 28th - 30th September 2023 and Delivered a lecture on 'The Nuances of Scientific writing and publishing'; (x) and delivered a lecture on 'Essentials of Computational Chemistry : Foundations and Applications' on 12th September 2023 at SDNB Vaishnav College, Chennai; (xi) In Faculty Enrichment programme, A three day national level workshop on research methodology and delivered a lecture on 'From confusion to clarity journal selection tips and tricks' on 8th September 2023 at Kristu Jayanti College, Bengaluru; (xii) and delivered a lecture on 'An Overview of Publishing Research Article' on 18th July 2023 at the Department of Communication, MCC; (xiii) in a workshop series on Research Methodology and delivered a lecture on 'Introduction to Research Methodology' at MCC on 23rd June 2023; (xiv) in Summer Training Program in Chemistry (STPIC-2023) organized by Academy of Sciences, Chennai, and delivered a lecture on Unleashing the potential of computational chemistry in education and research on 3rd - 17th June 2023.

Dr. E. Rajkumar served as Resource Person and delivered an Invited Lecture on 'Crystalline Wonders: Exploring the World of Solid State Chemistry' in a seminar on 14th December 2023, organized by Department of Chemistry, SDNB Vaishnav College, Chennai.

Dr M. Kumar, **Department of Botany**, delivered lectures in (i) 'SCIGNITE 01-Fanning the Flames of Scientific Passion', organized by Madras Christian College from 18th to 29th January 2024; (ii) Mega series of Faculty Development Programme 'PRAGYA' organized by Department of Botany, SDNB Vaishnav College for Women, Chrompet, Chennai, Tamil Nadu on 27th December 2023; (iii) OHEPEE-IDP

sponsored National Seminar on Ecological Sustainability & Natural Product Development organized by Department of Biotechnology, MSCB University, Odisha from 14th – 15th July 2023; (iv) OHEPEE-IDP sponsored one week short term Faculty Development Program on Molecular Microbiology and Immunology organized by Department of Biotechnology, MSCB University, Odisha from 9th -13th July 2023; (v) National Level summer internship on Biodiversity, Taxonomy and Application of Algae (BTAA-23), offered hands on molecular Phylogeny of marine algae, organized by Madras Christian College from 22 May – 7th June 2023; (vi) Two week online Refresher course in Botany, organized by Ramanujam College, New Delhi & Government Arts College, Karur from 18 February to 4 March 2023 under Pandit Madan Mohan Malaviya National Mission on teachers and training, Ministry of Education.

Dr G. Gnanasekaran delivered (i) a lecture in the ‘SCIGNITE 01-Fanning The Flames of Scientific Passion’, organized by Madras Christian College from 18-29 January 2024; (ii) Invited Lecture on Systematics of Lepidagathis Willd. (Acanthaceae: Barlerieae) in India in the XXXIII Annual conference of IAAT and International Seminar on Advances in Plant Systematics, Biogeography and Biodiversity Conservation at Department of Botany, University of Calcutta from 25 to 27 November 2023. [Only Abstract Published]; (iii) a lecture in the National Level summer internship on Biodiversity, Taxonomy and Application of Algae (BTAA-23), offered hands on Taxonomic rules and regulation, organized by Madras Christian College from 22 May – 7th June 2023; (iv) Invited Lecture on ‘Systematics of Acanthaceae in India’ in the International Seminar on Plant Systematics: Present Status and Future Prospects to be held at Department of Botany, University of Calicut from 15 to 17th February 2024.

Dr Reji J.V. delivered a lecture in the Internship Programme ‘SCIGNITE 01- Fanning the flame of scientific passion’ organized by the MCC-MRF Innovation Park in association with the Science Departments of MCC.

Dr R. Ranjith Kumar, delivered lectures for (i) ‘SCIGNITE 01-Fanning The Flames of Scientific Passion’, organized by Madras Christian College from 18-29 January 2024; (ii) National Level summer internship on Biodiversity, Taxonomy and Application of Algae (BTAA-23), offered hands on Application of algae, organized by Madras Christian College from 22nd May – 7th June 2023; (iii) Summer Internship on Algal Culture Techniques, held on 9th June 2023 and delivered lecture on "Bioprospecting of Algal", at Annakili Amma Research Institute (AARI), Chennai; (iv) on “Bioprospecting of Spirulina For Natural Pigment Phycocyanin Production” in the Skill Based Internship Programme on “Algae and its Commercial Products” Organized by RUSA 2.0, Entrepreneurship and Carrier Hub, University of Madras on 05.08.2023 at CAS Botany, Guindy Campus.

Mr Leslie Lawrence delivered a lecture in the National Level summer internship on Biodiversity, Taxonomy and Application of Algae (BTAA-23), offered hands on Techniques in microphotography, organized by Madras Christian College from 22nd May to 7th June 2023.

Dr Senthilkumar Umapathy (i) delivered a lecture in the internship program “SCIIGNITE 01- Fanning the Flames of Scientific Passion” organized by MCC-MRF Innovation Park in Association with the Sciences department of MCC, Tambaram, 18-20 & 29th January 2024; (ii) served as Resource Person in “Workshop on phyloinformatics in Molecular Systematics and Evolution”, organized by Department of Botany, Mount Carmel College, Bangalore, January 10-12, 2024; (iii) Invited talk delivered on “Research Integrity and Journal Metrics” in Training program on Research Integrity and Journal Publications, Organized by Research Cell, SDNB Vaishnav College for Women, Chromepet, Chennai, 8th January 2024; (iv) Invited talk delivered on “Journal Metrics and Research Databases” in 3-Days FDP on “The Nuances of Scientific Writing and Publishing”, organized by INCHE & MCC, CSI College of Engineering, Ketti, The Nilgiris, September 28-30, 2023.

Dr. Ananthi Rachel Livingstone, **Department of Zoology**, served as Resource person (i) on Poultry Farming and Management for the 3 days Training program on “Empowering Self Help Groups in Pulicat through Skill Development Program” for the SHGs in Pulicat from August 3rd – 5th, 2023 organised by MCC PEBRC in collaboration with National Fisheries Development Board, Hyderabad and Pradhan Mantri Matsya Sampada Yojana; (ii) at the one day Awareness campaign and workshop on “ Backyard Aquaponics Farming” organised by the MCC-PEBRC and National Fisheries Development Board with Pradhan Mantri Matsya Sampada Yojana held on 14th August, 2023 at Agnes Martin Auditorium, sponsored by National Fisheries Development Board, Hyderabad; (iii) 3 day Skill Development Program on " Seaweed resources in India - diversity, prospects and challenges" organised by the MCC-PEBRC and National Fisheries Development Board with Pradhan Mantri Matsya Sampada Yojana held on 23rd August, 2023 at MCC PEBRC sponsored by National Fisheries Development Board, Hyderabad; (iv) hands on training for the school students on Biodiversity - food web, food chain on 8th and 9th February, 2024 for the Tamil Nadu State Council for Science and Technology and MCC - 15-day residential Young Student Scientists Program (YSSP) for government school students from Chengalpet and Kancheepuram districts; (v) Guest of honour for the inauguration of the Eco club at Ewart Women's Christian College, Melrosapuram on 31st January 2024.

Mrs. Adline Jennefa Daniel served as Resource Person for (i) Three days training program on “Empowering Self-Help Groups in Pulicat through Skill Development Programs” organised by MCC-PEBRC and NFDB (National Fisheries Development Board) with PMMSY (Pradhan Mantri Matsya Sampada Yojana) 3rd - 5th August, 2023 at MCC PEBRC, Pulicat, sponsored by National Fisheries Development Board, Hyderabad and Pradhan Mantri Matsya Sampada Yojana; (ii) hands on training for the school students on Apiculture and Vermiculture on 8th & 9th February, 2024 for the Tamil Nadu State Council for Science and Technology and MCC - 15-day residential Young Student Scientists Program (YSSP) for government school students from Chengalpattu and Kanchipuram districts.

Dr. Anulin Christudhas was Resource Person for One day Awareness campaign and workshop on “Backyard Aquaponics Farming” organised by MCC-PEBRC and NFDB (National Fisheries Development Board) with PMMSY (Pradhan Mantri Matsya Sampada Yojana) on 14th August, 2023 at Agnes Martin Auditorium, MCC sponsored by National Fisheries Development Board, Hyderabad.

Mrs. P. Lalitha Lavanya served as Resource person for hands on training on Genetics and Inheritance biology for government school students from Chengalpet and Kancheepuram districts as part of Young Student Scientists Program 2024, Tamil Nadu State Council for Science and Technology. 2nd and 5th February 2024.

Dr. A. Anita Pearline Esther delivered (i) an Invited Lecture on World Ocean Day - “Climate Change Mitigation and Adaptation : Imminent Need for Pulicat Lake” at Consulate General of the United States of America, Chennai, on 12th June 2023; (ii) Resource Person Three days training program on “Empowering Self-Help Groups in Pulicat through Skill Development Programs” organised by MCC-PEBRC and NFDB (National Fisheries Development Board) with PMMSY (Pradhan Mantri Matsya Sampada Yojana) 3rd - 5th August, 2023 at MCC PEBRC, Pulicat, sponsored by National Fisheries Development Board, Hyderabad and Pradhan Mantri Matsya Sampada Yojana; (iii) Resource Person SCIIGNITE 01 “Fanning the flames of Scientific Passion” Organised by MCC-MRF Innovation park and the Science departments of MCC, - 18.1.2024 - 22.1.2024; (iv) Resource person for the hands on training for the school students on Human genetics - Blood grouping, identification of different Mendelian traits and Dermatoglyphics on 2nd & 5th February 2024 for the Tamil Nadu State Council for Science and Technology and MCC - 15-day residential Young Student Scientists Program (YSSP) for government school students from Chengalpattu and Kanchipuram districts.

Dr Samuel Justin, **MCC-MRF Innovation Park**, served as the Resource person for (i) hands-on training in Electrochemical Techniques during the National Summer Internship on Skill Development organized by Department of Chemistry, on 1st June 2023; (ii) Resource person delivering talk on “Research & Publication Ethics” organized by the Deanery-R & D, MCC during July 2023; (iii) delivered Talk on Converting innovation into a startup organized by Salem College of Engineering on July 27, 2023; (iv) Hands-on training on Transcriptomics during the workshop on Multi-Omics organized by Department of Botany, MCC.

Dr Beutline Malgija delivered a Talk on Converting innovation into a startup organized by Salem College of Engineering on 27th July 2023; and served as Resource Person for Hands-on training on Transcriptomics during the workshop on Multi-Omics organized by Department of Botany, MCC.

RECOGNITIONS

Dr. P. Wilson has been elected as (i) Life Fellow by the Council of Indian Chemical Society during 2023; (ii) Chairman of Indian Chemical Society, Tamil Nadu branch during December 2023. He has also become a member of American Chemical Society.

Dr. G. Phebe Angus, **Department of English**, was selected for the Online Professional English Network (OPEN) course for summer 2023 and received a scholarship to complete a course on “Developing and Teaching Academic Writing” – a 64-hour Online Training Course offered by the from Iowa State University from 11th July to 5th September 2023.

Dr. S. Sathasivam, **Department of Tamil**, received the ‘World Tamil Mamani Award’ from Dr. Gurmeet Singh, Vice-Chancellor of Puducherry University at the 16th World Tamil Cultural Movement Conference held in Mauritius on 25th September 2023.

Dr N. Anusman, **Department of Public Administration**, was (i) the Principal Investigator for Vada Chennai Valarchi Thittam – Survey conducted from July 2023 to September 2023; (ii) SWAYAM Moocs Course Coordinator for Public Financial Administration 2023-2024 and for Urban Local Government - 2023-2024.

Dr E. Caroline Victoria, **Department of Physics**, received the Best Teacher award in recognition of outstanding service to the student community with dedication and devotion as a Teacher by the Lions International and RRASE College of Engineering, Chennai.

Department of Chemistry received the “Best Performing Department Award” for the academic year 2021-2022 under the science category from the college. The Department was awarded a rolling trophy and a cash prize of Rs.1 lakh during the convocation ceremony held on 30th October 2023. This award was granted based on the profile of the department, performance of faculty and students, flagship programs, learning resources, and future prospects of the Department.

Dr. E. Iyyappan, Mrs. R. Kavitha, Dr. R. Vijay Solomon, and Dr. N. Prabhu received cash awards and certificates for publishing article in Scopus indexed journal from the Deanery, Research & Development, MCC on 5th April 2023.

Dr. Vijay Solomon was awarded the 'MCC Alumni Research Publication Award' for the Author with publication of a single article with the highest impact factor' for the year 2021-2022 on 30th October 2023.

Dr. N. Prabhu was awarded 'MCC Alumni Research Publication Award' for the Author with the highest number of publications in indexed journals', for the year 2021-2022 on 30th October 2023.

Department of Botany was awarded Second Best performing Department by the College for the academic year 2021-2022 under the science category. The Department was awarded a rolling trophy and a cash prize of Rs.50,000/- during the convocation ceremony held on 30th October 2023.

PROJECTS

Dr. P. Wilson has been sanctioned a grant of Rs. 2,40,000/- for the project titled, “Synthesis of Nitrogen Doped TiO₂ Pyridinic Nitrogen RGO Nanocomposite for Energy Storage Devices” by Tamil Nadu State Council for Science and Technology during July 2023.

Dr. S. Stalin, **Department of Tamil**, was awarded a seed money grant of Rs.1,00,000/- to conduct a study on the topic of “Documenting the development of Madras Christian College (non-teaching staff) through employment opportunities among the local people around Tambaram”.

Dr Ashik J Bonofer, **Department of Political Science**, received a grant of Rs.20,000/- in January 2023 from V-Dem, University of Gothenburg, Ministry of Foreign Affairs, Sweden, and the European Union for a one-year project.

Dr Haans J Freddy received a grant of Rs. 3,00,000/- in February 2024 from the Indian Council of World Affairs, New Delhi, for an 18-month project.

Dr S. Kalyani and Dr V. Vijay Devanesan, **Department of Public Administration** and Dr B. Chinna Muthu, **Department of Commerce**, have been sanctioned a grant of Rs.7,43,000/- for their Minor Project titled “Prohibition of Employment as Manual Scavengers and Rehabilitation Act-2013 [PEMSR] - A Mixed Methodology Study on the Status of Implementation and Rehabilitation under the Self Employment Scheme for Rehabilitation of Manual Scavengers (SRMS) in Chennai Corporation” funded by the Indian Council for Social Science Research, New Delhi, for the year 2024-2025.

Dr Shobhana Karthikeyan, **Department of Economics**, has been sanctioned a project titled “The Lives and Livelihoods of the Veena-making Artisans of Thanjavur District in Tamil Nadu by the Malcolm and Elizabeth Adiseshiah Research Project Award to Autonomous Colleges in Tamil Nadu, for Rs.1,00,000/- from November 2023 to October 2024.

Dr B. Chinna Muthu, **Department of Commerce**, Aided Stream, has been sanctioned a grant of Rs.5,00,000/- for his Research Project entitled “Socio-economic Impact Assessment of Beti Bachao, Beti Padhao (BBBP) Scheme in Rural Tamil Nadu – An Empirical Study in Cuddalore district of Tamil Nadu” under Special Call for Short-term Empirical Research 2023-24 by the Indian Council of Social Science Research (ICSSR) under the Short-term Empirical Research Project Scheme.

Dr B. Chinna Muthu served as Co-Principal Investigator in the Research Project titled “Socio-Economic-Psychological Wellness Survey and Focus Group Discussion Conducted in North Chennai” as part of ‘Vada Chennai Valarchi Thittam’ funded by the Tamil Nadu Urban Habitat Development Board (TNUHDB) and Chennai Metropolitan Development Authority’s (CMDA) with a sanctioned budget of INR 5,00,000/- (Rupees Five Lakh Only) during August 2023.

Dr B. Prince Solomon Devadass, **Department of Social Work**, was Principal Investigator, Study on the Prevalence and Patterns of illicit Drugs in Tambaram City Police Jurisdiction, Tamil Nadu - Multi - Stakeholder Analysis, supported by Commissioner of Police, Tambaram City Police, 2023 (Grant Rs. 1,00,000/-)

Dr. S. Sudharsan is serving as (i) Project Coordinator to Consolidate State Level Social Audit Report for AHP & BLC Schemes under Housing for All Programme of Pradhan Mantri Awas Yojana (PMAY) (Urban) of Tamil Nadu Urban Habitat Development Board (TNUHDB), Govt. of Tamil Nadu, June 2023, (Grant Rs. 20,000/-); (ii) Co-Investigator, Study on the Prevalence and Patterns of illicit Drugs in Tambaram City Police Jurisdiction, Tamil Nadu- Multi - Stakeholder Analysis, supported by Commissioner of Police, Tambaram City Police, 2023, (Grant Rs. 1,00,000/-); (iii) Project Coordinator, Research Project ‘Scope and prospects for Skill Training of Disadvantaged youth in Chetpet. A need assessment study from the perspective of the Neighbourhood Social Work Model’, 2023-2024 (Grant Rs. 1,00,000/-).

Dr. T. Robinson, **Department of Mathematics**, has been selected as a Co-Investigator of the JSPS International Collaborative Research Project titled “Inclusive Graphicacy Tools and Techniques for Promoting Access to STEM Education for Students with Visual Impairment-comparison among Europe, North America and Asia” (Principal Investigator: Dr. Hisae Miyauchi, University of Tsukuba, Japan, Grant Number: JSPS KAKENHI 23KK0038, Duration: October 2023 - March 2027).

Dr. G. Gnanasekaran, **Department of Botany**, has been sanctioned a project as Co-investigator ‘Reconstructing the Flora of Madras in the late 17th and early 18th centuries’ funded by The Royal Society, London - Yusuf Hamied International Exchange Award for 2 years (December 2023 – December 2025, £ 11,931.97).

Dr Senthilkumar Umapathy has been sanctioned (i) a grant of Rs.8,25,000/- for his project titled “Molecular Phylogeny and Biogeography of genus *Phyllanthus* of India based on chloroplast and nuclear markers” by the Science and Engineering Research Board (SERB) for a duration of 36 months; (ii) Major Research Project entitled “Molecular Phylogeny and Biogeography of genus *Phyllanthus* of India based on nuclear and chloroplast markers” for 3 years- DST-SERB under TARE Scheme. [18.3 Lakhs] File No. SERB/TAR/2021/000320.

SEED MONEY GRANT

Dr. S. Stalin, **Department of Tamil**, has been awarded a seed money of Rs.1,00,000/- to conduct a study on the topic of “Documenting the development of Madras Christian College Non-Teaching Staff through employment opportunities among the local people around Tambaram”.

Dr. E. Iyyappan, **Department of Chemistry**, was awarded a Seed Money Grant of Rs. 1,00,000/- for the Project entitled “Piezo Catalytic Effect of Substituted Hydroxyapatite nanoparticles for Environmental Remediation: A Green Approach” during June 2023.

Dr. G. Gnanasekaran, **Department of Botany**, was awarded a Seed Money Grant of Rs.1,00,000/- for his project titled “Tree community structure and carbon stocks of Madras Christian College campus, India”.

Dr. Reji J.V. was awarded a Seed Money Grant of Rs.1,00,000/- for his project titled ‘In vitro mass multiplication of selected rare threatened tropical dry evergreen forest tree species for conservation.

FOREIGN VISITS

Dr P. Wilson visited (i) USA to revive MoUs with Universities/Colleges and to meet Alumni Chapters from 18th April to 10th May 2023; (ii) South Korea to renew the MoU between Madras Christian College and Hanshin University from 26th May to 3rd June 2023; (iii) Australia to attend the Annual Meeting and Triennial International Conference organized by the Colleges and Universities of the Anglican Communion (CUAC) at Trinity College, the University of Melbourne and to meet our Alumni Chapters from 1st to 7th July 2023; (iv) visited Taiwan to attend ‘2023 Partner School President Forum’ to be held at Chang Jung Christian University (CJCU), Taiwan and also to visit a few partner institutions from 12th to 19th November 2023.

Dr Y. Paul Prabu Santharaj, Dr N. Kanikkaraju and Dr S. Sathasivam, **Department of Tamil**, went to Malaysia to present a paper in the First International Conference on Traditional Poetry 2023 (ITPC 2023), from 8th to 11th June 2023.

Dr Y. Paul Prabu Santharaj and Dr S. Sathasivam presented research papers in the 16th World Tamil Cultural Movement Conference held in Mauritius from 24th to 26th September 2023.

Dr Meera Rajeev Kumar, **Department of Public Administration**, participated in Taiwan International Cooperation and Development Fund Human Resource Fellowship Programme held at Taiwan from 30th August to 15th September 2023.

Dr. Miriam Samuel and Dr Prince Solomon Devadass, **Department of Social Work**, visited Sri Lanka, as part of the International Study Tour for II MSW students during 11th to 21st January 2024.

Dr S. Sudharsan, **Department of Social Work**, went to Taiwan as a Visiting Faculty to Chang Jung Christian University from 21st May to 3rd June 2023.

Dr Thomas Rosy, **Department of Mathematics**, visited South Korea, accompanied Korean Language Students on a Study Trip 8th to 22nd May 2023.

Dr E. Caroline Victoria, **Department of Physics**, (i) went to South Korea on a Study trip to South Korean Universities as part of the United Board Fellows program of UBCHEA from 14th to 28th May 2023; (ii) visited Singapore Management University and completed the United board Fellows program, SMU Leadership Seminar during 20th to 23rd November 2023.

CONFERENCES/SEMINARS/WORKSHOPS/WEBINARS ORGANIZED BY THE STAFF/ DEPARTMENTS

Department of English organized a workshop on “Accountability of the Artist: theatre and Social Transformation” was organised on 11th of January 2024. Mr. Dipankar Mukherjee, Artistic Director, Pangea World Theatre, USA served as the resource person.

Department of Tamil: Dr. Y. Paul Prabu Santharaj and his research students jointly organized a one-day seminar on “Studies in Tamil from a Multifaceted Perspective” at the Library Research Hall, MCC on 20.08.2023. A draft of the book was released at the event.

Department of History organized (i) a Workshop on Chola Bronzes was organized by the Department of History in collaboration with the School of Continuing Education for six days beginning 3rd April 2023. Prof. Job Thomas, Professor Emeritus, Davidson College, USA conducted the workshop; (ii) a Seminar on Contemporary Polity, Society and Culture in South India: Commemorating Prof. M.S.S. Pandian’s Contributions was organized on 2nd February 2024 in the Centre for Media Studies, MCC.

Department of Political Science: Young Scholars Conference was conducted on 9th October 2023, with Dr. M. Uma Maheswari, Head of the Department of Politics and Public Administration at the University of Madras, as the keynote speaker.

Department of Public Administration organized (i) ICSSR sponsored Two-Day National Conference on Bridging the Digital Divide – Engaging in Imperative Policy, Capacity and Competency Building on 5th & 6th April 2023; (ii) 2nd Annual Two Day – National Seminar on Human Rights: Scope and Challenges in the 21st Century’ jointly organized by Post Graduate Department of Public Policy, MOPVC & Department of

Public Administration, Madras Christian College in Collaboration with State Human Rights Commission, Tamil Nadu, on 24th & 25th February 2023.

Department of Philosophy organized (i) a National Seminar on the theme “Relevance of post- independence Indian philosophical thought” as part of the World philosophy day on 10th March 2023. Dr. K. Vengadachalam received Rs. 30,000/- from the Indian Council of Philosophical Research, New Delhi to organize this event; (ii) three ICPR periodical lectures on March 21, 2023. Dr. Bins Sebastian received Rs. 20,000/- from the Indian Council of Philosophical Research, New-Delhi to organize this event; and (iii) a National Seminar on “Tracing the Tradition and modern Application of Indian Logic” as part of the World Philosophy Day celebration on January 22, 2024. Dr. Nanda Gopal Biswas received Rs. 40,000/- from the Indian Council of Philosophical Research, New Delhi to organize this event.

Dr. G. P. K Sastry, Associate Professor, Department of Nyaya, NSU delivered a lecture on the topic “Introduction to Logic: Nyaya Philosophy Perspective” in the National Seminar on “Tracing the Tradition and modern Application of Indian Logic” on January 22, 2024.

Dr. Meena Katamkar, Professor of Philosophy, Department of Philosophy, University of Mumbai delivered a lecture on the topic “Jaina Logic” in the National Seminar on “Tracing the Tradition and modern Application of Indian Logic” on January 22, 2024.

Dr. Pradeep Gokhale, Adjunct Professor, Department of Pali and Buddhist Studies SPPU, Pune delivered a lecture on the topic “Logical Thought in Buddhism: Dinnaga and Dharmakriti” in the National Seminar on “Tracing the Tradition and modern Application of Indian Logic” on January 22, 2024.

Dr. Sacchidnanda Misra, Member Secretary, Indian Council of Philosophical Research (ICPR) Chaired a session in the National Seminar on “Tracing the Tradition and modern Application of Indian Logic” on January 22, 2024.

Department of Commerce : Dr T. Shirmila was the organising secretary for the 3 days Faculty Development Programme on “Engaging through Shared Vision”, organised by Dr. Devanesen Centre for Human Resource Development for the faculty of Madras Christian College and Community College during 14th to 16th June 2023.

Dr Shirmila, (i)as Coordinator of Business Ideation Club, organised a special lecture on the topic “Shaping future business leaders” for the Commerce Department Students, on 8th August 2023, Prof. Stan Baker from Letourneau University, Texas, USA was the resource person; (ii) as Convener of Dr. Devanesen Centre for Human Resource Development organised talks on IPR in association with National Intellectual Property Awareness Mission (NIPAM) and MCCIIC on 28th July 2023 and 9th August 2023 for the Second year UG students; (iii) as Organising secretary of the I PG Softskill

programme orientation and skill-workshop on 23rd November 2023. Mr. Bastian Babu, CEO Skillwise consulting was the resource person; (iv) organised a Work-readiness workshop on 27th November 2023 for I PG softskills students, Mr. Melwyn Jonathan, Life coach and Mentor was the resource person; (v) organised a career readiness programme in collaboration with L&T Edutech for all the 2nd year Undergraduate students on 3rd January 2024; (vi) organised a programme on preparing students for placement “Honing essential skills” on 29th January 2024 in collaboration with Placement Cell for all 2nd year UG students; (vii) as Coordinator of SKY (Sharing Knowledge you’d abroad) organised programmes for faculty and students who travel abroad to share their experiences with the college community, programmes were held on a regular basis.

Dr B. Chinna Muthu organised the Indian Council of Social Science Research (ICSSR) funded Dissemination Workshop titled “Socio-economic Impact Assessment of Beti Bachao, Beti Padhao (BBBP) Scheme in Rural Tamil Nadu – An Empirical Study in Cuddalore district of Tamil Nadu” on 12th February 2024.

Department of Social Work organized a National Study Conference on Transformative Innovation in Social Work Practice held on 9th & 10th October 2023. These two days of conference involved various resource persons and students from all over the country. The conference had 8 themes with special sessions for each theme. This is the 31st conference conducted by the department. Dr. D. Prince Annadurai was the conference coordinator. Funds were mobilized from NGOs and TVS companies. UNICEF was the Knowledge Partner for the conference.

To commemorate the International Indigenous Day, the department jointly with the Departments of Political Science & History organised an Academic Discourse on ‘Understanding Manipur - Historical, Political & Social dimensions’ at Martin Hall, MCC, on 10th August 2023.

The SEWA Social Work Students Association, Department of Social Work (Aided), Madras Christian College, collaborated with Martin Luther Christian University, Shillong, for *Convergence 2023*. Convergence derived from the Latin prefix 'con-', meaning 'together', and the word 'verge', signifying 'toward'. Therefore, convergence simply implies 'Coming Together'. They shared and exchanged differences and similarities in ideas, practices, knowledge, and experiences within the field of social work. This collaboration provided perspectives from two distinct directions - South and Northeast. The Guest speakers for this event were Rev. Chongthu (Associate Chaplain, MCC), Dr. Prince Solomon (Faculty at MCCSWD), Dr. Seilienmang Haokeip (Faculty at MLCU), This programme was held on 7th December 2023.

The Department organised a seminar for 26 students led by Rev. Fr. Anish Mathew from The Orthodox Theological Seminary, Kottayam, Kerala, who visited the

department of Social Work for an orientation on the activities of the department and the relevance of Congregational Social Work on 5th January 2024.

Department of Mathematics organized a Workshop on Capacity Building for the final year UG and final year PG students was organized on 22nd August 2023. Mr. S. Johnson, Project Manager Specialist, delivered a talk on ‘Campus to Corporate – A Road Ahead’ and Prof. P. Murugesan delivered a talk on ‘The Role of Regression Models in Data Science and Python’.

Department of Statistics organized a Workshop on (i) SPSS and R Programming for II PG (STATISTICS) students during 19th – 22nd September 2023; (ii) in collaboration with Deanery – Research and Development, Madras Christian College, organized Workshop on SPSS for Ph.D. Research Scholars during February 12-16, 2024.

Department of Physics: The Department in collaboration with the Meston Center for Teaching and Learning, MCC and the Indian Association of Physics Teachers conducted a one day workshop for Science teachers entitled “Joys and Thrills of Learning and Teaching Science” on June 23, 2023.

Department of Botany: Dr E. Joyce Sudandara Priya, as a Convener, organized a National Internship on “Molecular Phylogeny and Biogeography- Hands-on Wet Lab training and Phyloinformatics analysis, 29th May- 14th June 2023, conducted by Department of Botany, Madras Christian College, Chennai- 600 059; (ii) as a Convener, organized a National-Level Online Internship on “Molecular Systematics and Biogeography- Hands-on training of Phyloinformatics tools in Systematics”, 20th November- 8th December 2023, conducted by Department of Botany, MCC.

After the devastating floods of December 2023 in Chennai and surrounding areas, the Department of Social Work at Madras Christian College, Tambaram, played a crucial role in post-flood relief efforts. With the city severely impacted, the department faculty and students engaged in grassroots initiatives to assist affected communities. The department also took part in flood relief activities in Tirunelveli and Tuticorin District Tamil Nadu.

Operating informally initially due to network disruptions, the department later coordinated relief work using resources from Samaritans of the Nation-Hyderabad, Chennai Volunteers, and philanthropists leveraging social media platforms. The flood relief objectives included identifying unreached areas, ensuring efficient resource distribution, promoting equality, and addressing the needs of vulnerable communities.

Regular meetings at the Department of Social Work facilitated data updates, documentation, and coordination. The relief efforts extended to various communities, such as Kolappanchery, Rajaankuppam, Thirukovilpathu, Ramapuram, Pallaverkadu, Sirupaadu, Athimarapattu, Sathyanagar, Kaalanganrai, Lakshmipuram, and

Ramaiyanpatti. The Field action programme (Tiruvallur) Field work trainee Mr Philip, MrAbishek and Ms Leena Sandra II MSW Field work trainee were facilitated by Dr Sudharshan FAP II Fieldwork Supervisor in order to mobilise and also to distribute the relief materials in flood affected area.

Detailed accounts from fieldwork trainees highlight the diverse needs addressed, including trauma support, tarpaulin, bedsheets, sanitary napkins, biscuits, and milk powder. The department's collaborative efforts showcased the importance of community engagement and adaptability in responding to evolving post-flood challenges. The following relief work was carried out:

Ms. Margret, social work trainee placed in Adani Foundation, a CSR initiative. This CSR is closely working with the fisher folk community and also with underprivileged people, especially concentrating PVTGs in Pulicat regions. This Adani foundation opened the arms during the time of Michaung Cyclone 2023. The trainee worked in the rescue and relief process by joining hands with Adani Foundation. The people were rescued and sent to the Tsunami stay centre and food materials, groceries were distributed to meet their daily needs.

The students of II MSW provided relief materials to the people affected by Michaung Cyclone at Mudichur, West Tambaram, on 6th December 2023.

On 7th December 2023 Field Action Project (FAP) II (Tiruvallur District) in collaboration with Chennai Volunteers and Mr. Ram (sponsor) distributed the relief materials (Tarpaulin sheets, Bedsheets, sanitary pad, Milk powder and Biscuits. The team distributed 360 bedsheets, 40 Tarpaulin sheets, 230 biscuits and 50 milk powder packets, and 65 sanitary pads for the Irular Community Households of Pulicat Panchayat, Ponneri Block, Tiruvallur District. Through this relief material nearly 260 families benefited, 10 pregnant women, 20 children under the age group 1- 10 and elderly people especially.

Through the flagship programme of Social Work Department (Aided) – Field Action Programme I (Thirukazhukundram), Dr Prince Solomon, Mr. Ponnusamy and Mr. Nigin (II MSW Field Work Trainees) distributed 100 bed sheets to the Amanjikai and Vitlapuram village on 08 December 2023.

On 9th December 2023, Field Work Trainee Ms. Margret, II MSW, distributed food and groceries to the cyclone affected fisherfolk Irular Community through Adani Foundation in Pazhaverkadu (Pulicat), Tiruvallur District.

Mr. Philip, F.W. Trainee, FAP Tiruvallur of II MSW distributed relief materials to the Irular Tribal community (10), Vettaikaran (15) and Pandaram (5) families in the Thirukovilpathu Village, Thirumanam Panchayat, Tiruvallur District on 10th December 2023.

Mr. Bil Graham, I MSW field work trainee placed in Surabhi organisation, did relief work through Don Bosco Emergency Relief 2023 at Vysarpadi Jeeva, Chennai, on 12th December 2023.

Ms. Sivaranjani & Ms. Rolanda, I & II MSW respectively, distributed 10 kits (Groceries) along with our faculty to the Irular hamlet in Karunagarachari village, Vangadu Panchayat, Somangalam, Kanchipuram district on 12th December 2023.

Ms. Margaret of II MSW along with Dr. Sudharsan, coordinated relief work to meet the educational needs for the cyclone affected fisher folk Community in Naduvur Madha Kuppam, Pulicat, Tiruvallur District. in collaboration with LMES Foundation, on 13th December 2023.

On 20th December 2023, Prof Ninan John along with FAP (Field Action Programme) II MSW field work trainees Mr Abhishek and Mr Philip distributed 23 Tarpaulins to Thirukovilpatu (Irular and Hunter Community) Hamlet, Tiruvallur District.

Helen Vijitha was awarded Ph.D. Degree for her thesis titled "A Study on Generative and Recognizability aspects of Two-Dimensional Oxide Picture Languages" under the guidance of Dr T. Robinson leading to the award on 7th November 2023; (ii) Ms. A. Anitta was awarded Ph.D. Degree for her thesis titled "A Study on Surface Languages and their Properties" on 29th November 2023.

Ms. Reena Roy was awarded Ph.D. Degree for her thesis in Mathematics under the guidance of Dr Thomas Rosy in April 2023.

Department of Chemistry: Mrs. S. Anithadevi was awarded Ph.D. degree for the thesis titled 'Studies on Optical Properties of Carbon-Dot Based Materials Derived From Natural Gum For Their Bioimaging, Photocatalytic And Optical Applications" on 26th May 2023 under the guidance of Dr. Rakhi Yadav.

Dhivya A was awarded Ph.D. Degree for the thesis titled 'Phyto-Synthesis of Selenium Incorporated Metal Oxide Nanomaterials: Characterization and Their Applications In Photocatalytic, Seed Priming, And Biological Activity on 20 June, 2023 under the guidance of Dr. Rakhi Yadav.

Ms. S. Ida was awarded Ph.D. Degree for the thesis titled "Ultrasonically Assisted One Pot Synthesis of Nitrogen Doped White TiO₂/ Pyrrolic Nitrogen Doped RGO Nanocomposite and its Black TiO₂ based Analogue for Hydrogen Generation and Electrochemical Applications" on 22nd June, 2023 under the guidance of Dr. P. Wilson.

Mr. Liju R was awarded Ph.D. Degree for the thesis titled "Dendritic Poly (aryl ether) Substituted Polypyridyl Ligands of Ruthenium (II) Complexes: design, synthesis, characterization, photophysics, computational studies, and biological application" on 4th January 2024 under the guidance of Dr. E. Rajkumar, Assistant Professor.

Department of Zoology: Ms. Farhath Matheen was awarded Ph.D. Degree for her thesis titled "Formulation of Essential oil based nanoemulsion, its characterization, and efficacy as an Antibacterial and Insecticidal agent, for a sustainable environment and Viva voce examination was held on 7th July 2023.

Ms. S. Pavithra was awarded Ph.D. Degree for her thesis titled “Studies on the host plant interactions - with special reference to *Phygasia silacea* (Illiger 1807) (Coleoptera: Chrysomelidae: Alticinae) on milkweed *Calotropis gigantea* – R Br Asclepiadaceae” and her Viva voce examination was held on 15th September 2023.

GLOBAL ENGAGEMENT

A Memorandum of Understanding (MoU) with Asia University, Taiwan was signed on 26th June 2023. The agreement aims to promote collaboration through faculty and student exchanges, joint research projects, organizing value-added courses, and cultural exchanges, enhancing academic excellence and international cooperation.

Madras Christian College signed a Memorandum of Agreement with Hanshin University, South Korea, to establish MCC-Hanshin Vocational School at MCC-Hanshin Hope Centre on 1st July 2023. The aim of establishing this school is to promote employability and social enterprise start-ups by providing skill-based education to Indian youth promoted by the Indian government, and further achieve the educational sustainable development goals presented by the United Nations.

A Partnership Agreement has been signed with Bocconi University, Italy, on 21st August 2023 for MCC-MRF Innovation Park to execute an Entrepreneurship Training Program called ‘Ideaboosterlab’ in collaboration with SDA School of Management, Bocconi University, Italy. The intention of the program is to conclude on the best methodology that helps ‘Startups/Entrepreneurs’ in better decision making leading to more chances of success in their entrepreneurial journey.

MOU with Chang Jung Christian University, Taiwan was renewed in September 2023. Followed by this MOU, a study abroad inbound program is planned for September 2024.

A Memorandum of Understanding (MoU) with California State University, San Bernardino, was signed on 19th October 2023.

INDUSTRY-ACADEMIA ENGAGEMENT

Madras Christian College (MCC) and Algae Global Innovations Enterprises (ALGIE) Pvt. Ltd. signed a mutual non-disclosure agreement for technology transfer pertaining to commercialization of algal technologies developed by Department of Microbiology, MCC, on 12th April 2023.

STUDENT STRENGTH

The total student strength of the Aided Stream of the College for the year 2023-2024 is as follows:

AIDED STREAM			
Course	Men	Women	Total
B.A.	486	616	1102
B.Sc.	368	517	885
B.Com.	94	147	241
M.A.	182	231	413
M.Sc.	103	236	339
M.Com.	20	30	50
M.S.W.	30	60	90
M.Phil.	0	01	01
Total	1283	1838	3121

ACADEMIC PERFORMANCE (2022-2023)

AIDED STREAM	
Class	Pass Percentage
B.A.	81.6
B.Sc.	81.9
B.Com.	96.0
M.A.	92.5
M.Sc.	90.1
M.Com.	98.0
M.S.W.	93.0

STUDENTS - PAPER PRESENTATIONS & PUBLICATIONS

Department of English: Harikrishnan of II M.A. English presented a paper titled “Mythical Echoes in Modern Cinema: Ghatotkach and Asi Maniyan’s Struggles with Caste Bias” at the two-day International Seminar on Literature as Discourse on 5th and 6th October 2023 organized by Department of English, Pondicherry University

(II M.Sc) got 1st prize in Neural Hack 101; (ii) Chandru K. (I M.Sc.) and Lynnet Lavanya S. (I M.Sc.) got 1st prize in Number Ninja; (iii) Abhinaw Kumar (II B.Sc.), Anand Kishore S. (II B.Sc.) and Bharath K. (II B.Sc.) got 1st prize and Chandru K. (I M.Sc.), Lynnet Lavanya S. (I M.Sc.), Kalloosh Paul Bryson K. (III B.Sc.) got 3rd prize in -Tokoido; (iv) Benishma T.L. (2 B.Sc.) and Aathirai E. (2 B.Sc.) got 3rd prize in Mad Matrix.

Department of Statistics : (i) Sakthi Kalyani K and Manivarsha V secured First Prize in Intercollegiate Competition “Mystity” conducted by PG Department of Biostatistics, SDNB Vaishnav College, Chrompet, Chennai during 3rd January 2024; (ii) Aarthi M and Gopikasri S K secured Second Prize in Intercollegiate Competition “Mystity” conducted by PG Department of Biostatistics, SDNB Vaishnav College, Chrompet, Chennai during 3rd January 2024; (iii) Rebecca J. Pricilla and Praveena E secured Third Prize in Intercollegiate Competition “Visual Symposium” conducted by PG Department of Biostatistics, SDNB Vaishnav College, Chrompet, Chennai during 3rd January 2024; (iv) Jowin Jaiprakash, S. Praveen and T. Dharun secured First Prize in Intercollegiate Competition “IPL Auction, Data Dynasty 2023” conducted by Department of Statistics, Loyola College, Chennai during 16th December 2023.

Department of Physics: Students participated in the following inter-college competitions and won prizes (i) Won overall Trophy in the event RIPPLES conducted by Ethiraj college on August 18, 2023. Maria Akshaya, Sneha V Sneha V and Sabiq A K of II B.Sc. Physics won third prize in Potpourri. Balaji sudarsan and Evans devakrubakar of III B.Sc. Physics won first prize in Quiz. Graham Stuart Staines E, Kishore Kumar and Manoj Kumar of III B.Sc. Physics won first prize in Stalwarts quiz. Akash K of II M.Sc. Physics won first prize in Photography; (ii) Won runner-up in the event IGNIS conducted by JBAS College on September 27, 2023. Hemadarshini P, Sharmila Mary P, Savundarya Lakshmi L, Rakshitha P, Kripa V Maria of III B.Sc. Physics won runner-up in Adzap. Sneha V of II B.Sc. Physics won third prize in Paper presentation. Ruquaiya Begam of III B.Sc. Physics won first prize in Sci-fi writing; (iii) Won overall Trophy in the event PHYSICA conducted by Loyola college on 12th December 2023. Hemadarshini P., Sharmila Mary P., Savundarya Lakshmi L., Rakshitha P., Calvin Saroj

C of III B.Sc. Physics won first prize in Adzap. Revathy S Unnithan of III B.Sc. Physics won third prize in Fame in a minute. Balaji Sudarsan, Evans Devakrubakar G E, Manoj Kumar S. of III B.Sc. Physics won second prize in Quiz. Graham Stuart Staines E of III B.Sc. Physics won first prize in Paper presentation. K. Akash of II M.Sc. Physics won first prize in Photography. Rohith Kumar G B, Venugopal S of II M.Sc. Physics won third prize in Physics experiment; (iv) Won overall Trophy in the event HIPHY conducted by Women's Christian college on January 22, 2024. (v) Hemadarshini P., Sharmila Mary P., Savundarya Lakshmi L, Rakshitha P, Maria Akshaya of III B.Sc. Physics won second prize in Adzap. Savundarya Lakshmi L of III B.Sc. Physics won first prize in Photography; (vi) Maria Akshaya M, Sneha V., Hemadarshini P of II B.Sc. Physics won first prize in Potpourri; (vii) Dorothy Thakuria, Pooja Priya P of II B.Sc. Physics won second prize in Palm painting; (viii) Dorothy Thakuria of II B.Sc. Physics won first prize in Poster making; (ix) Ruquaiya Begam A of III B.Sc. Physics won second prize in Sci-fi writing.

Department of Chemistry : International Centre for Clean Water (ICCW), IIT Madras and the researchers from Tel Aviv University, Israel were involved in a project for monitoring the quality of drinking water in areas of in and around Chennai region during the month of Sep 2023. Mr. J. Jaison Samuel and Mr. R. Yukesh of II B.Sc. and I M.Sc. Chemistry respectively were part of this project team. They assessed the quality of portable water in the houses of Tambaram region with the hand-held kits by analyzing the crucial parameters. This exposure provided them a hand-on experience on analyzing water quality and helped them to understand the water quality available to people of different socio-economic backgrounds.

The UG & PG students and research scholars: George Samuel J, Cheriyan Ebenezer, Shanthini Priscilla, R. Liju, A. Priya Dharshini, A. Dhivya, Priya Ranjan Dev, Abigail Jenifer, David Samuvel Michael and Midhun George Thomas have received cash awards and certificates for publishing research article in Scopus indexed journal from the Deanery, Research & Development, MCC on 5th April, 2024.

Raghul. R., II M.Sc., Department of Chemistry had secured I place in Adzap and in T-shirt designing and received certificates of excellence in Rhenja 2023, annual academic festival conducted by the Department of Chemistry, Loyola college.

Students of the Department of Chemistry have won the first runner-up trophy in Gracias Kemia, an Inter-Collegiate Event conducted on 16th December 2023 by the Department of Chemistry, Loyola college (i) Tharini A S and Sai Sudharsani Sundarrajan of III BSc chemistry won the III prize in UG Quiz. (ii) Kishore Kumar N, Abinesh E and Guru Harish G of III B.Sc. chemistry, won II prize in Treasure hunt.(iii) John Garland K of III BSc chemistry won I prize in Laugh of thoughts; (iv) Raghul and Prince Joby of II M.Sc. chemistry won I prize in Chem Debate; (v) Samuel Benaiah R, Paulshan of III B.Sc. chemistry, Benita Angel S of II BSc chemistry, Sriram Subramanian, Agnes Clara Antony A of I B.Sc. chemistry, won II prize in Chem Tunes

(vi) Joel Mathew A of III BSc chemistry and Rexlin S M of II BSc chemistry won III Prize in surprise event; (vii) Divyasree, Deepika, Aarthi P and Aswini. D of III B.Sc. chemistry won III prize in Rangoli; (viii) Tharini A.S., Sai Sudharsani Sundarrajan of III B.Sc. chemistry and Levin Joseph of I MSc chemistry won third prize in Chem auction; (ix) Gopika P M and Sneha Susan Santhosh of I M.Sc. chemistry won I prize in Chem Set; (x) Tamizharasu K. of II MSc chemistry, Surya K. of I MSc chemistry, Mohamed Farook and Guru Harish G of III B.Sc. chemistry won I and II Prize in Chem photography; (xi) Lakshmipriya H. of II B.Sc. chemistry won I prize in Chem shades.

The students of the Department of Chemistry won the first runner up trophy at the intercollegiate fest conducted by the Department of Chemistry, Ethiraj College for Women on 29th January 2024. The participating team won the following prizes (i) Sriram Subramanian and Agnes Clara Antony A of I B.Sc. chemistry won the first prize in dumb charades (ii) Guru Harish of III B.Sc. won the second prize in UG quiz (iii) Guru Harish of III B.Sc. won the third prize in JAM.

Lakshmipriya H of II B.Sc. won the first prize in Chem Shades in an intercollegiate fest conducted by the Department of Chemistry, S.D.N.B. College.

Competitive exams cleared by students: (a) Darshini R, Joel Manoah J and M. S. Vasudev (UG 2023 pass out) cleared IIT JAM 2023 examination. (b) V. Devaraj (PG 2023 pass out) cleared GATE examination and CSIR- NET examination in 2023.

Department of Botany : Joyce Gethzial (M.Sc. Student) Awarded 3rd Prize in Biowar (Quiz) for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishanav College for Women (Autonomous).

Joyce Gethzial (M.Sc. Student) Awarded 1st Prize in Mystery box (Quiz) for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishanav College for Women (Autonomous).

Evangelin Jecinta A (M.Sc. Student) Awarded 2nd prize in Ms. Madhulika for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishanav College for Women.

Evangelin Jecinta A (M.Sc. Student) Awarded 2nd prize in Bio-sketching for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishanav College for Women.

Pushpalakshmi S (M.Sc. Student) Awarded 2nd prize in Bio-war for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishanav College for Women.

G Sangeetha (M.Sc. Student) Awarded 1st prize in Mystery box for MADHULIKA'23

an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishnav College for Women.

G Sangeetha (M. Sc. Student) Awarded 1st prize in Bio-war for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishnav College for Women.

Kishoari S (M.Sc. Student) Awarded 1st prize in Bio-war for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishnav College for Women.

Rebecca Glory Jesline Kay (B.Sc. Student) Awarded 2nd prize in Ms. Madhulika for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishnav College for Women.

Rebecca Glory Jesline Kay (B.Sc. Student) Awarded 1st prize in Connection for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishnav College for Women.

Agalya J (B. Sc. Student) Awarded 3rd prize in cooking without fire for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishnav College for Women.

Helena Christy (B. Sc. Student) Awarded 3rd prize in cooking without fire for MADHULIKA'23 an intercollegiate competition on 19th December 2023, conducted by SDNB Vaishnav College for Women.

Dileepan P. (B.Sc. student) was awarded 1st prize in Bio-sketching for LANTANA'23 an intercollegiate competition on 3rd and 4th October 2023, conducted by Ethiraj College for Women.

Rakshana J. (B.Sc. student) was awarded 1st prize in Bio Quiz for LANTANA'23 an intercollegiate competition on 3rd and 4th October 2023, conducted by Ethiraj College for Women.

Rebecca Glory Jesline Kay (B.Sc. Student) was awarded 1st prize in Bio-zap for LANTANA'23 an intercollegiate competition on 3rd and 4th October 2023, conducted by Ethiraj College for Women.

Rebecca Glory Jesline Kay (B.Sc. Student) was awarded 2nd prize in Bio-tunes for LANTANA'23 an intercollegiate competition on 3rd and 4th October 2023, conducted by Ethiraj College for Women.

Rudhran S (B.Sc. Student) was awarded 2nd prize in Bio-tunes for LANTANA'23 an

intercollegiate competition on 3rd and 4th October 2023, conducted by Ethiraj College for Women.

Priyanga D (B.Sc. Student) was awarded 1st prize in Junkart for LANTANA'23 an intercollegiate competition on 3rd and 4th October 2023, conducted by Ethiraj College for Women.

Dafran Lince F (B.Sc. Student) was awarded 2nd Prize in Poster Making for Botany Day'23 conducted by Department of Botany, Madras Christian College on 6th April 2023.

Priyanga D (B. Sc. Student) was awarded 3rd Prize in Poster Making for Botany Day'23 conducted by Department of Botany, Madras Christian College on 6th April 2023.

Thirumurugan, V. (Ph.D. Scholar) secured the Best Poster Presentation Award for the paper Thirumurugan, V. Anoop Singh, Nehru Prabakaran & Gnanasekaran, G. (2023). Influence of Invasive Spotted deer (*Axis axis*) herbivory on the mangrove ecosystem in the Andaman Islands at XXXIV Annual Research Seminar held on 21 & 22 September 2023 at Wildlife Institute of India, Dehradun.

NATIONAL CADET CORPS (NCC)

INFANTRY AND AIR WING

The Infantry wing along with 1 Tamil Nadu Battalion NCC organized and conducted the International Yoga Day event on 21st June 2023 at SIVET College, Chennai. NCC Cadets from various schools and colleges in and around Chennai actively participated in this event.

Independence Day celebration was held on 15th August 2023. Dr P. Wilson, Principal & Secretary, delivered the Independence Day address.

Cadets of Infantry wing were invited to witness the passing out parade at Officer's Training Academy (OTA), Chennai on 5th September 2023.

NCC cadets conducted a Wall Painting Campaign at MCC-FLI on 9th September 2023, highlighting the significance of G20 New Delhi summit.

A Workshop on First aid measures and basic medical practices was conducted to NCC cadets by the Apollo Clinic, Tambaram on our campus on 14th September 2023.

Cleanliness Drive was organized by our cadets as part of "Swachh Hai Seva" at Madras Christian College campus on 27th September 2023.

Cdt. M. Deepan was selected for All India Thal Sainik Camp (AITSC) held at New Delhi from 19th to 30th September 2023. He was one among the 50 cadets representing our College and TN, P & AN Directorate.

Cadets were involved in interaction session with Corporation School at Dhamodharpuram, Besant Nagar, on the day of Gandhi Jayanthi (2nd October 2023) sensitizing them about cleanliness and the environment.

As part of an awareness program on the theme “Kadhi mahotsav” aimed to encourage handlooms and traditional weaving, cadets visited PT Silks, Kacheepuram on 24th October 2023. The cadets were also interacting with the staff members and learnt about the handloom products and their trading.

CSM K. Kaviyapriya, Sgt. Limima Therese and Cdt. Mohima Mohak got selected to attend Shivaji Trek Trail camp conducted by 56 Maharashtra Bn NCC, Maharashtra, from 18th to 27th November, 2023.

Air Force Station, Tambaram conducted a Fly past on 2nd November 2023 to commemorate the 90th Air Force Day. Our NCC cadets along with Dr. J. Allen Freddy, Asst. Professor of Zoology witnessed the air show.

NCC and NSS of our College along with the Government Hospital Blood Bank, Tambaram organized a blood donation camp on 27th November 2023. Student volunteers including NCC cadets also actively donated blood that was up to 86 units in a day.

NCC cadets were involved in relief operation task along with Chennai Corporation during Michaung Cyclone, Chennai.

Cdt R. Balakrishnan, Cdt. M. Deepan, Cdt. S. Madhan Raj and Cdt. M. Kamal Raj were participated in Army Attachment Camp (AAC) from 27th December 2023 to 7th January, 2024 held at 2nd Lancer Regiment, Secunderabad.

NCC cadets of our College served along with the Tamil Nadu Forest Department officials in regulating the crowd at Arignar Anna Zoological Park, Vandalur during Pongal Holiday on 17th January 2024.

Cadets of Infantry Wing actively participated 5K marathon event on 24th January 2024 organised by the Centre of excellence for Road Safety, IIT Madras, along with Ministry of Road Transport & Highways and Chennai City Traffic Police.

75th Republic Day celebration was held on 26th January 2024. Dr. P. Wilson, Principal & Secretary, hoisted the national flag and delivered the Republic Day address.

NAVAL WING

The Cadets of NCC Navy wing attended the CATC CAMP, conducted by the 1 TN Naval Unit from 21st June to 1st July 2023.

The Cadets were involved in learning and practicing various Seamanship techniques of Indian Navy, which includes Navigation, Naval Communication, Fire-fighting and Damage Control.

The Cadets had undergone a strenuous training on Foot Drills, Arm drills, Firing, Swimming, Rigging and Boat pulling.

EBSB is a national level camp, which creates a platform for the cadets to learn about the exciting cultures of other regions of our nation which paves the way for the National Integration.

NCI Roshini V., attended the EBSB camp at Udaipur, Rajasthan from 4th to 15th January 2024. The cadet became aware of the rich traditions of Rajasthan by learning about the Haldi Ghati war of 1576, witnessing the Forts of the Mughal Empire, the regional culture and language.

LC Jyothika M Shiju of II B.A. Economics, distinguished herself by participating in the prestigious Republic Day Camp, held in Delhi from 27th December 2023 to 29th January 2024, serving as a cultural cadet.

Demonstrating her exceptional talents, LC Jyothika M Shiju achieved a remarkable feat by securing the second position in the Group Dance competition, triumphing over competitors from all 17 NCC directorates. This accomplishment stands as a testament to her dedication, skill, and commitment to excellence in the realm of cultural expression within the cadet community.

Belgavi Trekking camp is the pinnacle of trekking and mountaineering camps in NCC, next to Mt. Everest NCC Expedition. LC Chellapandi M. from our college, representing the 1 TN Naval Unit, attended this prestigious camp from 15th December 2023 to 22nd December 2023. In this camp, the cadet underwent 5 days of trekking and mountaineering course on various mountains in and around Belgavi, Karnataka. In addition to the Mountaineering course, the cadet underwent the confidence training from the Commandos of the Maratha Regiment of the Indian Army.

From 11th to 22nd December 2023, POC T Bennyhinn actively participated in the Sea Attachment Camp held at Visakhapatnam. The cadet resided aboard INS GHARIAL (L23), gaining comprehensive insights into naval operations. Through briefings and hands-on involvement in different ship departments, POC T Bennyhinn received a thorough exposure to the daily life of a navy professional.

During this camp, INS Gharial ventured into the sea three times, providing the cadet

with a complete immersion into the experiences of a navy personnel. Engaging in diverse operations, including firing exercises, firefighting drills, emergency evacuations, and ship security protocols, the cadet gained practical knowledge crucial for naval service. Additionally, the camp included visits to two frigates, INS Mumbai and INS Delhi, at the dockyard. This exposure further enriched the cadet's understanding of the vessels dedicated to safeguarding the nation.

The All India Yachting Regetta is a National level Competition on sailing among the cadets of all the 17 NCC Directorates. This year it was held from 16th to 23rd November 2023 on INS Chilka. Along with 5 cadets of 1 TN Naval Unit, CC Guruprasaath N of III B.Sc. Physics, represented the TN, P & AN Directorates. After 5 days of sailing in the Chilka lake, they were able to secure III position among the 17 NCC Directorates.

On September 14, 2023, the NCC Naval Wing cadets actively participated in a comprehensive first aid awareness program. This initiative aimed to equip the cadets with fundamental life-saving skills for emergency scenarios. The session conducted under the guidance of hospital personnel, provided hands-on experience with CPR using demonstration dolls.

Beyond first aid, the programme included valuable insights into proper dietary practices for maintaining a healthy lifestyle. By emphasizing overall well-being and essential emergency skills, this initiative empowered the cadets with practical knowledge crucial for both personal health and community service.

In a laudable endeavor, the NCC of MCC participated in a one-day blood donation camp on 27th November 2023. This insightful event not only provided an avenue for cadets to grasp the life-saving potential inherent in blood donation but also served as an opportunity for heightened awareness among the participants.

The altruistic spirit extended beyond the cadets, with an impressive turnout of over 150 individuals, including students, professors, and staff from the college, all stepping forward to contribute to this noble cause alongside the dedicated Cadets and Volunteers of NSS.

As a result of this impactful program, each participant's donated blood, a vital lifeline, was responsibly handed over to the Government Hospital in Chrompet. This collective act of kindness ensures that the donated blood will play a crucial role in saving multiple lives in the future. The collaboration between the NCC and the wider college community underscores the profound impact that collective compassion and community involvement can have on fostering a healthier and more supportive society.

On 16th September 2023, the Tambaram Corporation orchestrated a Swachh Bharat rally along Mudichur Road. The event, attended by 9 SW cadets under the supervision of POC Vijayalakshmi, garnered participation from Tambaram Corporation, NCC cadets of our college as well as students from diverse educational institutions. The rally, skillfully led by personnel from Tambaram Corporation, aimed at fostering cleanliness and civic responsibility.

As a proactive measure, cotton bags were thoughtfully distributed to nearby shops, advocating the reduction of plastic usage within the community. This collective effort exemplifies the commitment of various stakeholders towards creating a cleaner and more sustainable environment.

On 24th August 2023, the Government of Tamil Nadu organized a rally to create awareness among youth about the effects of Drug Usage.

The Cadets, who have a firm belief on opposing the Usage of Drugs in the society, took a pledge save the Nation from Drugs by helping people to overcome the effect of Drugs and by spreading the awareness about the effects of Drug Usage. Our Honorable Chief Minister took the privilege of orating the pledge, to create awareness about Effects of Drug Usage in the society and against the usage of Drugs.

On the request for volunteers by the Director of Arignar Anna Zoological Park, the cadets helped the Vandalur Zoo in the crowd management on 17th January 2024. The cadets offered security to the visitors of the zoo, helped in directing the people to various sections and in the prevention of child missing and any theft and offered helping hand for the elders in the zoo.

To enrich the knowledge about the Naval warfare of the Indian Navy, the cadets took part in the submarine and Naval ship study. In this event, they had an opportunity to learn about the INS Sindhu Shashtra and INS Bangaram. The cadets gained insights on warfare of the ships with the help of the Sailors from the Naval ship explaining about the missile capabilities of the ship. They were educated about the construction of the Submarine Sindhu Shashtra and the organizational structure of the Submarine.

One of the day's most memorable moments was witnessing a captivating display by professional jet pilots during a brief air show, which left them thoroughly inspired and motivated.

On account of International Youth Day, The Tamil Nadu Government took the privilege of appreciating the Young Volunteers of NCC, NSS, Red Cross, etc. A special address was delivered by our Honourable Chief Minister to the Young Volunteers of our state and vision for better Tamil Nadu has been shared with

everyone by our Chief Minister. The Cadets had felt appreciated and inspired to contribute more to the Nation through service.

NATIONAL SERVICE SCHEME (NSS)

During this year, the units of the National Service Scheme of MCC conducted, coordinated and participated in a total of 43 events. These included various events like cleaning drives, sapling plantations, Services, competitions as a part of campaigns and the commemoration of important days. These included participation from the volunteers, Students from our college as well as other students and People. NSS organised a Suicide prevention by Naam Vidhaikalam NGO on 5th October 2023. 100 volunteers took part in it and asked questions about mental health and suicide prevention.

The volunteers of NSS MCC on the occasion of republic day on 26th January 2024 organised and performed a mime within the college premises highlighting a lot of social issues.

NSS conducted Ashram Visit and Career Guidance with Babuji Memorial Ashram on 19th January 2024. Our NSS volunteers cleaned around the ashram and learned the importance and positive impact of meditation.

The volunteers of NSS attended a seminar on election awareness on 22nd January 2024 which was a highly informative session that was chaired by Dr N. Ilango, Associate Professor, Department of Tamil, MCC.

NSS conducted Art Exhibition on 23.01.2024 creating an awareness regarding Body Dysmorphia and Body Positivity. Our NSS scheme volunteers and students from different department submitted their artworks, our volunteers explained their art creating awareness regarding the subject.

On 15th February 2024, a debate show on three different topics. This show was moderated by Mr. Gabriel Karthik, Assistant Professor in the Department of English Language and Literature (SFS) almost 10 volunteers participated in that event and almost 80 people witnessed it.

A Nutrition Awareness Seminar was organized on 19th February 2024. Around 50 students attended this seminar and got benefitted. Many Students to alter their exercise schedule and Food Diet Schedule to lead their life healthier.

On the occasion of International Development Week, NSS conducted 120 seconds of fame to provide platform for the students to exhibit different kind of talents they inherited and developed. Participants performed different forms of art like dance, music, silambam, instruments, beatboxing, stand up comedy, monoact ect.

On 19th and 20th of February 2024, a camp was organised by the volunteers for the registration of voter id and pan card. 180 students were benefitted through this camp. The main aim of the registration camp is to encourage people who are eligible, to vote.

SCRUB SOCIETY

The Scrub Society Forum 2023-24 inauguration and the investiture ceremony for the Scrub Society cabinet was held on 28th August 2023. It was inaugurated by Mr. Arun Krishnamurthy, an Indian environmental activist and the founding director of the Environmentalist Foundation of India (EFI). During the inauguration, a newsletter of the Scrub Society was also released which gave a glimpse of the achievements and aspirations of the Scrub Society, sparking excitement for what's to come. The Oath Taking Ceremony by the Cabinets was followed by inspirational speeches by the Cabinet members. A captivating video was also presented during the occasion showcasing ongoing and future projects.

The inaugural 'Green Walk' of the Scrub Society was organized on 24th July 2023, with a strong turnout of enthusiastic students. Students enjoyed the guided nature walk at 6.00 a.m., and learned about the diverse flora and fauna on campus. Starting from the Sun dial in the quadrangle, the walk was led by Scrub Society President, Dr Reji J.V. along with Dr. J. Logamanya Tilak, Warden of Heber Hall and Dr. S.J. Prabu and a few other faculties. The event attracted 200 enthusiastic student participants, marking a resounding success. The event also showcased MCC's commitment to sustainability inspiring students to be eco-conscious. Interactive sessions fostered engaging discussions among students, faculty, and experts.

Scrub Society conducted its Leader's Camp for the academic year of 2023-24 on 5th August 2023. It was hosted with the purpose of providing participants with a structured environment to learn, practice, and refine their leadership skills. Prof. Gnanamani Simiyon G., Department of Chemistry (Aided Stream) discussed the importance of leadership, and the Scrub Society President, Dr. Reji J.V. spoke about how to be a better leader and the running of Scrub as a student-led unit. The Chairperson and General Secretary shared their goals for the upcoming academic year. The leadership camp was concluded with an interactive session followed by a general body meeting.

The preliminary round of the State Level Environment and Nature Quiz Program 2023 as part of a Pan India quiz competition held in 8 different states, took place at Madras Christian College on 14th September 2023. The event was organized by Apollo Tyres in association with Scrub Society. Mr. Rajib Sanyal was the Quiz Master for the event.

Scrub Society organized an Eco-Marathon on 21st September 2023, in commemoration of Zero Emissions Day, aligning with the global initiative to reduce carbon emissions. The event witnessed enthusiastic participation from numerous students. The event aimed to sensitize the issues on carbon emissions and inspire participants and spectators alike to embrace environmentally responsible practices.

The Scrub Society and Wildlife Conservation Club organized the Food Carnival on 29th September 2023, for raising funds for Manipur Students Scholarship. There was a variety of food items from breakfast menu to desserts, all made by the volunteers themselves.

A street play in honour of International day for awareness on food loss and wastage was conducted on 9th October 2023 to raise awareness about food loss and wastage of food. The theme of the street play at MCC College was on campus litter, the silent struggles of our housekeeping staff, and the devastating impact of waste on our wildlife. It also showcased how people from different places came together with a common desire that is, working to keep the environment safe and healthy.

An inspection on the impact of Michuang cyclone was conducted on 4th December 2023 to check the status on felling of trees in the campus. This led to the discovery of ruins of several trees inside the campus. Cyclone Michauung, caused significant challenges and disruptions to the college environment. Numerous trees were uprooted, resulting in the destruction of flora and fauna across the campus. Specifically, trees fell in various areas including Selaiyur Hall Ground (1), Statistics Stairways (1), Selaiyur Hall to St. Thomas's Hall (2), International Guest House (1), and approximately 8 small trees near the Lake. The cyclone's aftermath led to the suspension of regular academic activities, hampering communication due to connectivity issues. Immediate recovery efforts prioritize structural assessments, repairs, and ensuring the safety of college facilities.

The Scrub Society fulfilled its promise by organizing the Green Walk on January 19, 2024. This event allowed students to explore various aspects of our campus, including its flora, fauna, serene lake, campus farm, and the newly constructed MCC-MRF Innovation Park. The Innovation Park, set to be inaugurated soon, offers students extensive spaces and cutting-edge facilities conducive to learning and collaboration. Equipped with dedicated ideation spaces and computational labs, it aims to foster an entrepreneurial spirit among students, encouraging them to engage in startup ventures. This initiative underscores the college's dedication to cultivating a dynamic and forward-thinking educational environment.

The Green Walk was led by Dr. Reji, President of the Scrub Society and Dr. Ananthi Rachel Livingstone, Warden of Martin Hall. They led students through various trails, identifying native plants, and trees, and observing the campus's vibrant wildlife, ensuring a well-rounded educational experience. Additionally, Mr. Karthick Jothi, CEO of Allytriz Technologies, from MCC-MRF Innovation Park, provided insights into the park's offerings. We also appreciate the dedication of our student volunteers, whose hard work contributed to the event's success.

The SWAWSA Sale, in collaboration with the Scrub Society, took place on January 23, 2024, and was a resounding success. Featuring a wide array of handcrafted goods and delectable foods, the sale attracted significant interest from buyers.

A Soil Testing Programme was conducted by the Scrub Society in which 20 volunteers collected soil samples from different areas of the campus and tested the pH of the soil. The preparation for this project started at the end of December and the project was

finally completed by 24th January 2024. The entire 320 acres of the campus was divided into 32 zones and volunteers took 4 samples from each zone. These samples were then tested for their pH using the pH paper method which uses a simple methodology. The entire sample collection and testing were done by the volunteers and certificates would be provided. This project was carried out to understand the soil existing on the campus and also to record the observations for future uses. This project provided an opportunity for the students to get hands-on experience with soil sample collection and testing methods and also explore the deeper ends of the campus.

The Scrub Society proposed to develop a nursery to mass multiply the TDEF native tree species of our campus using conventional methods like generating saplings through seeds or vegetative cuttings. They realised that most of the seeds produced by the tree species were either getting washed away during the rainy seasons or getting destroyed during the off seasons, thus losing the self-sustaining nature of the forest. This project was put forward to multiply the existing species of trees and maintain the ecological balance while making the campus denser. The Scrub Society will collaborate with Bisleri to attain upcycled bricks for the construction of the nursery.

To procure the seeds for the nursery, the Scrub Society proposed a Seed Collection Drive. The students from the Departments of Zoology and Botany, will walk through the forest and collect the seeds of the TDEF trees on our campus. The collected seeds will be stored in the "Writer's Nook" at the "Innovation Park". These seeds will then be planted in the nursery and saplings will be raised so that we can conduct self-reliant tree plantation drives and also multiply and conserve the different varieties of trees that are unique to this campus.

The Scrub Society observed that there are a lot of invasive species seedlings are obstructing the normal growth and development of native species in the campus. The Curator of MCC proposed to conduct a Project on removal of seedlings of invasive species. Under this project, seedlings of that plants that are invasive and hindering the growth and existence of native trees will be identified and removed or trimmed accordingly after proper consultation with the experts in this area. This project is considered necessary to ensure healthy growth and development of the different native species of trees on our campus.

Aquaponics stands as a sustainable agricultural practice amalgamating aquaculture, involving the cultivation of fish, with hydroponics, which grows plants without soil, within a self-contained system. This innovative approach to food production presents a multitude of advantages, including optimal water usage, diminished environmental footprint, and the consistent yield of fresh produce and fish throughout the year. The Scrub Society is steadfast in its conviction that through thorough planning, it is feasible to replicate this technique in a cost-effective manner without compromising any of these aforementioned benefits. We are pleased to announce our sponsorship from Future

Farms, India's foremost provider of hydroponics and Controlled Environment Agriculture (CEA) technology.

The skilled volunteers of the Scrub Society recently introduced their latest project: an Upcycled College Map inspired by ethnic art, with a special nod to Warley art.

Harnessing the power of recycling, this map was meticulously assembled using reclaimed materials, breathing new life into once-discarded items. By enhancing our campus with this artistic masterpiece and advocating for sustainability, we reaffirm our dedication to fostering a greener tomorrow.

The map will be displayed on the lawn in front of the library, situated within the serene ambiance of the Writer's Nook.

QR map is an offline interactive map of our MCC campus. Through this, students, staff, etc., can navigate through the vast MCC Campus easily. It will be made available for the students as a mobile website and is expected to help lot of our students. Along with the map, there will also be additional information regarding various facts of our historic campus along with the selected location, giving our students an opportunity to explore the historical significance of different spots in our campus. The map will also will be GPS supported.

MCC BOYD-TANDON SCHOOL OF BUSINESS

The official activities of MCC Boyd-Tandon School of Business (MCC BTSB) were officially launched on 26th October 2023. Distinguished guests, including Chairman of the MCC Board, Ms. Chandrika Tandon, our distinguished alumnus, Board Members, Principal and Bursar of MCC, various leaders of the industry and distinguished alumni were part of the gathering. The event helped in getting an overall perspective of what was expected from a new B School and how it could leverage the rich legacy of the MCC.

This was followed up by a visit to the MCC BTSB campus on 27th December, 2023 by Ms. Chandrika Tandon, Board Members, Principal, and Bursar. All the HODs of various departments were invited to the MCC BTSB campus. Ideas were solicited for building strong organic relations with the various departments of MCC.

MCC Board and Association Members visited the MCC BTSB campus on 7th November 2023 and joined in a discussion to create the vision for the MCC BTSB. Future plans for MCC BTSB and the key challenges were also discussed.

After a brief study of the market conditions and an analysis of the strengths and weaknesses it was decided that the AICTE approved 2-year Full-Time PGDM be offered and the programme would commence from July 2024.

It was also decided that a 1-year Masters Programme (with credible international tie-ups) be offered a little later by September/October 2024.

For the above said programmes, in depth analysis was conducted to decide on issues related to course content, credit systems, elective offerings and placement opportunities. The final structure for the PGDM has evolved.

To create a seamless relationship with MCC, an outreach programme was developed. Students of select departments were invited to the MCC BTSB campus and were briefed about the upcoming programme. More than 400 students had participated and a sizeable number has shown interest in pursuing the PGDM programme at MCC BTSB. The parents of the interested students have also been invited to visit the campus.

Several initiatives have been taken up to create credible corporate connections to help in the areas of student internships/final placements/establishments of analytics labs and course offering tie ups.

SCHOOL OF CONTINUING EDUCATION

A one year Advanced Diploma course in ‘Film Technology’ was started in August 2023. This course is offered in partnership with “One Stop Media Solution”.

A Graduation Day Ceremony for the first batch of the K-Chef & Barista Course was held on 18th July 2023. Mr. Young Seup Kwan, Chennai, Consul General of the Republic of Korea was the Chief Guest.

The Students of the Diploma Course in Montessori and Primary School Teacher Training celebrated the Birth Anniversary of Maria Montessori by organizing an Exhibition on her Life and Work on 31st August 2023.

Students of the Advanced Diploma Course in Film Technology attended the 54th Goa International Film Festival which was held in Panjim between 19th and 25th November 2023.

The MCC Skill Development Centre began functioning in January 2024 after receiving approval from the National Skill Development Corporation to start a training centre in Madras Christian College.

The S.C.E participated in a sale organized by SWAWSA on the 23rd of January, 2024 by setting up a stall to highlight its activities.

Students of the Diploma Course in Medical Lab Technology travelled to Kotagiri to conduct a medical camp at the Kotagiri Community College from 19th to 23rd February 2024.

The School of Continuing Education set up a Stall to highlight its activities during the “Open Forum” which was held on 17th February 2024.

CAMPUS MINISTRIES

The Campus Ministry strengthens the spiritual vitality in the College campus. The Campus Ministry includes the Bishop Heber Chapel, the Student Christian Movement, the Staff Study Circle, the Staff Prayer Fellowship, Value Education, the Anderson Hall Prayers and Services, MCC RRR, the Support Staff Fellowship and the IOB Staff Prayer.

Bishop Heber Chapel: On Sundays, two services were held in the morning in the Bishop Heber Chapel, English Service at 7:30 a.m. and Tamil Service at 9:30 a.m. The North East Christian Fellowship (NECF) had their Service in the Chapel or Anderson Hall at 11:30 a.m. The English and Tamil Worship Services were live streamed on the Bishop Heber Chapel official YouTube channel every Sunday at 7:30 a.m. and 9:30 a.m. respectively.

If there were five Sundays in a month, the fifth Sunday was observed as Family Sunday. On Family Sunday a combined service was held at 7:30 a.m. The Service was followed by a fellowship breakfast. Two Family Sunday Services were held during this Academic Year.

On Sunday, the 6th August, 2023, Guild Induction Service was held in the Bishop Heber Chapel. 70 members were inducted to be guild members this year. The newly inducted guild members were invited by the Principal for breakfast in his residence.

The Bishop Heber Chapel Choir plays an integral part in both the Chapel and College worship services. The choir plays a leading role in moulding the musical talent of students who are passionate to sing and praise God’s name. The Bishop Heber Chapel Choir comprises of 60 choristers, drawn from all the disciplines of the college. Regular practice sessions are held for the choristers to hone their musical skills.

It was a matter of pride and honour that the Bishop Heber Chapel Choir took part in Carol the King Competition conducted by the Hindustan University, and won 1st place in the Church Category and 3rd place in the College Category.

On Sunday, the 3rd December, 2023, the North East Christian Fellowship Christmas Charity Concert was held in the Anderson Hall at 6:00 p.m. An amount of Rs.45,466/-

was received from the offertory. Rs.35,000/- was given as charity to the Community College, Pulicat and Rs.10,466/- was given as charity to the Jerome Ministries Trust.

On Saturday, the 9th December, 2023, the Bishop Heber Chapel Choir and the NECF Choir sang in the Ecumenical Service organized by the CSI Egmore Wesley Church.

On Wednesday, 13th December, 2023, the Bishop Heber Chapel Choir and the NECF Choir sang in the Alumni Christmas Concert held in MCC School Campus, Chetpet.

On Friday, the 15th December, 2023, Bishop Heber Chapel Carol Service was held in the Bishop Heber Chapel. On Tuesday, the 19th December, 2023, carol rounds inside the MCC Campus was organized by the Bishop Heber Chapel Choir and the Bishop Heber Chapel Sunday School. They visited all the houses inside the campus and sang carols and offered prayers.

On Christmas Day, Monday the 25th December, 2023, Christmas Day service was held in the Bishop Heber Chapel at 5:30 a.m. The service was followed by a fellowship breakfast. On New Year's Eve, the 31st December, 2023, the Old and New Year Covenant Service was held at 11:30 p.m.

The Ash Wednesday Service was held on the 14th February, 2024 with Holy Communion in the Bishop Heber Chapel at 8:00 a.m. in English and at 6:30 p.m. in Tamil.

During the Season of Lent, Lenten Meditations were held on Wednesdays at 6:30 p.m. in the Bishop Heber Chapel.

On Maundy Thursday the 28th March, 2024 Service, the Sacristan, the Guild Secretary, the Office Bearers of the Choir, the Office Bearers of SCM, the Office Bearers of the North East Christian Fellowship and the Prayer Secretaries of the Halls will be inducted.

On every day of the month, there was a Holy Communion Service in the Bishop Heber Chapel at 7:30 a.m.

Sunday School: The Bishop Heber Chapel Sunday School is conducted by some of the staff and students of our college every Sunday at 9:30 a.m. in the Anderson Hall. On Sunday the 5th November, the World Sunday School Day service was conducted with a special order of Service in both the English and the Tamil Services. The Bishop Heber Chapel Sunday School children and teachers took part in leading the Services and presented special items.

Anderson Hall Prayers: Regular prayers were conducted on working days in the Anderson Hall for the Aided Stream and the Self-Financed Stream at 8:15 a.m. and 1:20 p.m. respectively. On Mondays, Tuesdays and Saturdays, prayers were led by the faculty

members; on Wednesdays by the officers of the College and on Thursdays and Fridays by the SCM students.

MCC Support Staff Fellowship: The Madras Christian College Support Staff Fellowship (MCC SSF) had its prayer meeting usually on the last working day of every month. The MCC SSF prayers play an important role in edifying the spiritual needs of members of the support staff.

Indian Overseas Bank, MCC Branch Staff Prayer: The Indian Overseas Bank, MCC Branch Staff Prayer was held regularly on the last working day of every month.

MCC Cottage Prayer Meeting: On the 22nd September 2023 the MCC Cottage Prayer Meeting (MCCCPM) was inaugurated in the Principal's Residence at 6:30 p.m. Henceforth, the MCCCPM is being held in the Faculty residences.

MCC Resilient Rehabilitation through Reskilling: The Madras Christian College Resilient Rehabilitation through Reskilling (MCCRRR) was initiated as a Tent-Making Ministry to have a sustainable income for the participants. This MCCRRR was focused on village pastors, their spouses, their congregations and to the College associated units like the Family Life Institute (FLI). Each training workshop was held either 2 or 3 days. Dr Paul C. Dass, Pro Vision India travelled from Vellore to teach in the workshops. He stayed in the IGH during the training.

The MCCRRR was firstly done by IACS and later shifted to Campus Ministry. From 2023-24, the MCCRRR is budgeted in the Campus Ministry.

So far, the following trainings for skill development were conducted: 12th July 2024 – Candle Decorating, 23rd to 24th August 2024 – Decorative Candle Making, 13th to 14th September 2024 - Card and Cloth Eco-Printing Training, 29th Feb 2024 - Cold Porcelain Clay Crafts, 1st March 2024 - T-Shirt Leaf Print and Hot Press Print; Egg Shell Jewellery Making

The products produced by the participants were opened for sale. The products had good sale. The goal of product making is focused on marketing.

The participants were from villages sent by village pastors. The original objective to reach rural pastors is gradually picking up and looking forward for a sustainable income in marketing the products to improve their economic status. This is a post covid venture when most of them lost their income anticipated from offertory.

Hall and Departmental Prayers: Hall prayers were conducted by Hall Prayer Secretaries in all the six Halls in the evening. Departmental prayers were organized weekly by the respective Department Prayer Secretaries in their departments under the supervision of the Department Staff Prayer Advisors. The prayers mainly consist of

songs, messages and testimonies. These prayers had been conducted for the spiritual edification of the students.

Sunday Evening Services: The Sunday Evening Services were held in the Anderson Hall at 6:00 p.m., conducted by the different departments of the college. The Departments that had conducted the Sunday Evening Services during this academic year were as follows:

The Annual General Body Meeting for the Academic Year 2022-2023 was held in the Centre for Media Studies on 16th April, 2023. The Devotion was led by Dr (Mrs.) G. Johanna Johnsi Rani, Asst Professor, Department of Computer Application (MCA). The Devotion was followed by the business session. The Annual General Body Meeting concluded with a fellowship lunch.

The Academic Year 2023-2024 started with the Annual Staff Retreat on the 11th June, 2023 in the Centre for Media Studies Auditorium, Madras Christian College. Dr P. Wilson, the Principal and Secretary of the Madras Christian College was the Speaker for the Retreat. The retreat concluded with a Holy Communion Service, followed by a fellowship lunch.

Two Thanksgiving Services in memory of our former professors were held during this Academic Year. Each Thanksgiving Service was followed by fellowship lunch in the Principal's Residence. (i) 21.08.2023 - Prof. T. Jaganathan, Former Professor, Dept. of Chemistry; (ii) 15.02.2024 - Dr P. Sitarami Reddy, Former Professor, Dept. of Zoology, Dr S.K. Sundar Raj, Former HoD, Dept. of Zoology and Dr R. Moses Inbaraj, former HoD, Department of Zoology

Student Christian Movement (SCM): The SCM has been at the forefront of fostering a spiritually vibrant atmosphere within the college community. This report aims to provide an overview of the significant events and initiatives organized by SCM, showcasing its multifaceted contributions to the spiritual, cultural, and social fabric of Madras Christian College.

The SCM Annual Induction Ceremony took place on 6th April 2023, at the Bishop Heber Chapel. The ceremony introduced the SCM office bearers for the academic year 2023-2024, showcasing the dedicated leaders who would guide the Campus Ministries. The event concluded with a solemn Lord's Supper service.

The SCM Inauguration for SFS and Aided streams was held on 27th June and 3rd July 2023 respectively. Dr. J. Jannet Vennila and Mr. Cyrus Kallupurackal graced the SFS and Aided Inaugurations as Chief Guests, respectively. Dr. Joshua Jayaseelan, the SCM Staff Advisor, introduced the 12 office bearers, culminating in a closing prayer.

The Fresher's Fest on 7th July 2023, at Martin Hall Auditorium was a vibrant event. Beginning with an opening prayer and a skit addressing students' common challenges, it featured an inspiring testimony by Pr. Reenu Kumar.

On 19th July 2023, the SCM collaborated with the North East Christian Fellowship (NECF) for a special prayer service at Bishop Heber Chapel. Our Principal, Dr. P. Wilson delivered a message, emphasizing unity in faith and the impact of collective prayer for Manipur.

On July 10, 2023, SCM held a crucial meeting at the International Guest House. Dr. Huldah Samuel and Dr. Reuben Jonathan provided valuable insights into SCM's history and emphasized the mandate for evangelism.

The SCM organized a transformative Student-Staff Retreat on July 30, 2023, featuring Rev. Dr. Duke Jeyaraj as the speaker. The retreat focused on repentance and the imperative to serve God. The NECF and BHC choirs added to the spiritual ambiance, making it a memorable day.

A Leadership Camp for SCM Office Bearers was held from 2nd to 4th August 2023 focusing on spiritual growth and leadership training. Rev. Dr. Joshua Jayaseelan, Dr. Huldah Samuel, and Rev. Lee Do Hyeong led sessions that energized and enriched the participating students.

In support of Dalit Christians and Dalit Muslims, SCM organized a signature campaign on National Protest Day, 10th August 2023. More than 300 students actively participated, signing a petition for equal rights. The event successfully raised awareness and fostered solidarity with collaborating institutions.

In keeping with the illustrious tradition of our College, the Christian Union of Students (CUS), National Service Scheme (NSS), and the Student Christian Movement (SCM) collaboratively organized the Annual Teachers' Day Programme on 5th September 2023. This year's celebration aimed to honor and acknowledge the dedicated educators who play a pivotal role in shaping the lives of MCC students.

MCC SCM actively participated in the Time for Creation Prayer on 21st September 2023, at CSI Bishop Newbiggin College. Dr. V. Regina, Dr. S. Stephen Jebanesan, Ms. Dakerlin Mukhim, and Ms. Yowanda Yonggara graced the occasion, making it a spiritually enriching experience.

On 8th December 2023, the Student Christian Movement (SCM) in collaboration with the Students Service for the Differently Abled (SSDA) organized an inclusive sports event aimed at promoting physical activity and fostering a sense of community among differently-abled individuals. The event was a remarkable success, bringing together

participants, volunteers, and supporters in a celebration of inclusivity and sportsmanship.

In response to the devastating impact of the Michaung Cyclone on the Pulicat Community College Students, the Student Christian Movement (SCM), in collaboration with the Staff Wives and Women Staff Association (SWAWSA) and the North East Christian Fellowship (NECF), undertook a joint relief effort. On 16th December 2023, a relief kit distribution was organized to aid and support 35 students who were severely affected by the cyclone.

In the spirit of gratitude and festive joy, the Student Christian Movement (SCM), in collaboration with the Waste Management Student Association, organized a heart-warming initiative to distribute Christmas gifts to the dedicated support staff and security personnel. On 20th December 2023, this joint effort aimed to express appreciation for the invaluable contributions of these individuals to the Madras Christian College community.

On 5th January 2024, MCC observed a spiritually enriching day dedicated to prayer and the Gospel. The entire campus came together to participate in various forms of prayer, collectively lifting up petitions for the college and its diverse needs.

A momentous occasion unfolded on 10th January 2024, as Madras Christian College hosted a special program featuring Bro. Augustine Jebakumar. The event took place at Martin Hall, bringing together the college community for an insightful and spiritually enriching experience.

On 23rd January 2024, the Staff Wives and Women Staff Association (SWAWSA) organized a charitable initiative, “Helping for Sales” aimed at supporting the poor and needy. The event involved the sale of various items, and the proceeds were dedicated to helping those in less fortunate circumstances. SCM students actively participated in sales and showcased the compassionate spirit of, contributing to the welfare of the community.

On 10th February 2024, SCM students undertook a visit to the Good Life Center (GLC), organized by the Staff Wives and Women Staff Association (SWAWSA) where they performed for the inmates. The visit was a testament to SCM's commitment to making a positive impact beyond the campus. Through music, dance, or other forms of expression, SCM students brought joy and entertainment to the inmates at GLC, fostering a sense of community and empathy.

A professional choreography team from the USA performed dances using their art as a medium to share the Gospel and aimed to help students identify their skills and talents. This program took place on February 2, 2024, at the Student Cafeteria.

The Student Christian Movement (SCM) has been actively engaged in Children's Ministry, held regularly every Thursday for SFS and every Friday for Aided streams. Dedicated SCM members enthusiastically participate, sowing seeds of spiritual growth in the young souls of Madras Christian College. The commitment to nurturing the faith of the next generation is evident in the consistent effort put forth by our SCMs.

Regular Anderson Hall Prayers, a cornerstone of spiritual life at Madras Christian College, continue to be conducted with unwavering dedication. Led by both Aided and SFS streams, these daily prayers are a testament to the grace of God and the collective commitment of the college community to seek divine guidance and blessings.

Every Wednesday, Fellowship Meetings are held for both Self-Financed and Aided streams. These gatherings provide a platform for students to come together, fostering a sense of community and shared faith. The Fellowship Meetings contribute to the spiritual enrichment of participants and enhance the sense of unity within the SCM community.

On Thursdays and Fridays, students are allowed to lead the Anderson Hall Prayer. This initiative not only empowers students to take an active role in the spiritual life of the college but also allows for diverse expressions of faith and leadership within the SCM community.

From January 9, 2024, a renewed focus on Bible Study was initiated by the Principal. These sessions take place at the Principal's residence, providing a more intimate setting for a deep exploration of biblical teachings.

These regular ministries and spiritual activities organized by the SCM serve as vital components of the spiritual fabric of Madras Christian College. The commitment to nurturing faith, fostering community, and providing opportunities for spiritual leadership is evident in the continued success and participation in these initiatives.

By the grace of God, the activities of the Campus Ministries 2023-2024 had enriched the College community in different realms.

STUDENT COUNSELLING SERVICES (SCS)

Student Counselling Services in collaboration with the Department of Psychology conducted a programme on 10th February 2024. The Speaker Ms. Keerthana Swaninathan, President of Indian Sports Psychologists Association (INSPA), had a fruitful and interactive session with the students. Topics such as Sports Psychology and its applications, the life of a sports psychologist and the pathways to become a qualified sports psychologists were addressed.

A Workshop was organized on Psychodrama for the students of Dept of Psychology on 29th February 2024. Ms. Poornima (Counselling Psychologist and Psychodramatist)

provided a comprehensive overview of psychodrama, explaining its history, theoretical foundations, and key techniques. She discussed the benefits of psychodrama in Adjustment issues Emotional disturbances, Anxiety related issues, Family and Relationship issues, Trauma due to harrassment in the past Career confusions, Childhood trauma, therapeutic settings and its applications in various psychological practices. The session included a live demonstration of a psychodrama session. Students actively participated in exercises, allowing them to experience the techniques first-hand. Ms. Poornima guided the participants through various psychodrama techniques such as role play, mirroring, double chair.

Workshop on Importance of Sleep and Impact of Sleep Deprivation was conducted in association with Sri Ramachandra Institute of Higher Education and Research, Chennai on 5th March 2024 for the students of Psychology Department. Dr Dilara K and Dr D.C. Mathangi from Sri Ramachandra Institute of Higher Education and Research served as the resource persons for the workshop. The workshop successfully raised awareness about the importance of sleep. Students gained a deeper understanding of how sleep affects cognitive functions, emotional regulation, and overall health. Students were provided with practical strategies to enhance their sleep quality. Techniques such as maintaining a consistent sleep schedule, creating a conducive sleep environment, and the role of nutrition and exercise in promoting good sleep were discussed.

Mental Health Awareness Talk for Gender Studies Students: Students were highly engaged during the sessions, asking insightful questions and participating in the discussions. The session started with awareness on mental health and reducing stigma associated with mental health issues. Coping strategies for dealing with academic and personal pressures were discussed. The feedback from students was positive. Many students expressed that the session was informative and helpful.

Leadership Training and Counselling Workshop: On 18th March 2024, a workshop on leadership qualities was conducted for upcoming Department Representatives and CUS office bearers. The event included group discussions, activities, and stress and personality profiling. Participants gained valuable insights into their leadership styles and learned effective stress management techniques. The activities helped students understand their strengths and areas for improvement, fostering personal and professional growth.

Career Assessment was conducted for school children in the MCC-MRF Innovation Park on 3rd May 2024.

INSTITUTE FOR ADVANCED CHRISTIAN STUDIES (IACS)

The Diploma in Christian Studies and the PG Diploma in Christian Studies courses for the academic year 2023-24 were inaugurated on the 18th July 2023 online. The Diploma in Christian Studies course classes are held offline at IACS premises on every Tuesdays

and Thursdays. PG Diploma in Christian Studies course is offered in extension mode and contact classes are held online on every third Monday of a month.

The Certificate in Biblical Foundations began with a brief devotion on the 30th January 2024 in the IACS Classroom on every Tuesdays and Thursdays.

The Certificate in Church Music commenced online on the 16th February 2024.

The IACS Graduation was held on the 7th of October 2023. A total number of 78 graduated from all the courses offered in IACS.

The Former Principal & Secretary, MCC, Dr V.J. Philip brought the Word of God to the graduates.

MCC as the Examination Centre of the Senate of Serampore offers the following courses of Senate of Serampore at MCC through IACS: (i) Bachelor of Christian Studies (4 years); (ii) Diploma in Christian Studies (2 years) (iii) Diploma in Contextual Theologies (1 year) (iv) Diploma in Christian Education (1 year).

The courses are in extension mode. Contact classes from IACS is offered to students online from time to time apart from the classes offered by the Senate of Serampore once a year. Annual Examinations were held in our college campus from 1st to 17th November 2023 for the academic year 2023-2024. The academic year cycle for the Senate of Serampore programmes are conducted from January to December.

IACS celebrated Christmas on 7th December 2023. The Officers of the College participated. Dr Shyamala Lionel, Assistant Professor (Retd), Department of Chemistry, MCC, brought the Christmas Message. The IACS students presented a few cultural items which were followed by the Christmas lunch.

Pastors' Fellowship Meet was conducted in collaboration with MCC RRR, Campus Ministries on 13th July 2023. Dr P. Wilson, Principal & Secretary, MCC, brought God's Word. A sale of products of MCC RRR was conducted followed by the fellowship.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell of MCC focussed on creating a unified data capture system encompassing the metrics and parameters of various national ranking and accreditation agencies. IQAC also aimed to create awareness about NAAC metrics among the college community through meetings, colloquiums and audits.

Madras Christian College has secured 16th Rank in College Category among 2746 colleges, in NIRF 2023. MCC is one of the colleges featured among top 20 colleges in Tamil Nadu and was facilitated by The Hon'ble Governor of Tamil Nadu in 'Conclave

of Excellence in Higher Education of Tamil Nadu' at Raj Bhavan, Chennai on 26th July 2023.

Analysis of NIRF 2023: A high-level review meeting on NIRF 2023 (MCC Rank: 16) was conducted on 6th June 2023 to statistically analyse the data of MCC in the background of other institutes' data to strategically plan for NIRF 2024.

Submission of NIRF 2024: IQAC has strategically approached the collection of data for various NIRF parameters as discussed in the analysis meeting and submitted the institution data in College category on 31st January 2024.

Dr. C. Amirthavalli, Coordinator, IQAC, presented about NAAC and IQAC functions and metrics in 'Orientation Programme for newly inducted faculty members' on 14th June 2023. The avenues and methods of contribution towards the quality of the institution were highlighted during the presentation.

Dr. C. Amirthavalli, Coordinator, IQAC and Dr. Ashik Bonofer, Associate Coordinator, IQAC served as Resource Persons for one day Faculty Development Programme on 'Road Map to NAAC Accreditation' on 15th July 2023, organized by Don Bosco Arts and Science College, Chennai.

IQAC drafted manual for Department's Annual report and framed unified and comprehensive templates to capture the data. The orientation meeting for the Department Nodal Officers on manual and template was conducted on 30th June 2023.

Workshop for the Department Nodal Officers on Data capture was conducted by Criterion team members on 17th and 18th August 2023. All the criterion team members interacted with the Department nodal officers.

Workshop on LOCF Question Paper Pattern: IQAC was the collaborating unit for the workshop on LOCF question paper pattern for 2023-24 batch students, organized by Controller of Examinations on 4th and 7th July 2023. The workshop aims to provide assessment methods and question paper pattern so as to facilitate the measurement of attainment of outcomes of each course offered to 2023-2024 batch students, by the College.

Faculty Colloquium and Coffee with Principal: IQAC initiated to create awareness about the quality metrics of NAAC among the faculty through Faculty Colloquium on 4th August 2023. The details about the all the seven criteria and their metrics and weightages were elaborated to faculty members.

Coffee with Principal was conducted on 12th December 2023 and IQAC presented on 'IQAC Challenges and Timeline for Reaccreditation process'.

Internal Academic Audit 2022-23: IQAC initiated the conduct of Internal Academic audit 2022-23 for the Departments. This audit also serves to evaluate the departments for 'Best Performing Department Award 2022-23'.

The audit was conducted in three stages: Stage I: Evaluation by the IQAC team, which consists of the Coordinator, Associate Coordinators, and Criterion Team. This phase involves scrutinizing the data and evidence submitted by departments against the specified benchmarks as per the key performance indicators marked in the evaluation sheet. This was conducted on 29th November 2023. Stage II: Random verification of quantitative scores by Vice-Principals and Deans to validate the integrity and accuracy of the assessment by the IQAC Team. This was conducted on 1st December 2023. Stage III: Final and comprehensive assessment by the Principal, in collaboration with an external member, to ensure a comprehensive and unbiased evaluation.

Stage III evaluation was conducted on different schedules: 18-19 December 2023 & 6th to 9th and 16th February 2024. A panel consisting of Principal and an External member evaluated the Departments on various qualitative and quantitative metrics as prescribed by NAAC. The following experts served as External Members in the panel on different occasions: (i) Dr. Arun, Director, IQAC, VISTAS, (ii) Dr. Lilly Priya, IQAC Coordinator, Women's Christian College, (iii) Dr. Suresh, Head, Department of Chemistry, Loyola College and (iv) Mr. A. Sudhan, Associate Professor, Department of Zoology, Presidency College.

Madras Christian College is in the 4th cycle of accreditation and in the 5th year of assessment cycle. IQAC is geared up in the preparatory work of reaccreditation process. As an initial step towards this, a meeting exclusive for qualitative and quantitative metrics were conducted as follows:

Dr. Mercy Pushpalatha, Board Member, MCC and Former Principal, Lady Doak College Madurai served as Expert for discussions on Qualitative metrics of SSR on 11th and 12th September 2023. The criterion team members presented their qualitative metrics and Dr. Mercy guided them on the methodology to approach the qualitative metrics through discussions.

Dr. Tensingh, IQAC Coordinator, Karunya University and Dr. Mercy Pushpalatha, Board Member, MCC and Former Principal, Lady Doak College Madurai served as Experts for discussions on Quantitative metrics of SSR on 7th October 2023. All the criterion teams presented their 4-year data and projected the expected scores for those data. Also, the criterion teams suggested the methods to improve the scores according to the SOP and Benchmarks given by NAAC.

Prof. A. Abudhahir, Director, IQAC, B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai served as Resource Person and delivered talk in 'Preparation

for NAAC' in the Faculty Colloquium on 2nd November 2023. He elaborated on nuances in SOP of the various criterion metrics as per NAAC SSR manual.

External Review Meeting for first and second quadrant (June – December 2023) was conducted through online mode on 16th December 2023.

PLACEMENT CELL

The Placement Cell works throughout the year to train students and place them in reputed companies through campus recruitment drives. Besides placement, the students are trained for Higher Studies to become entrepreneurs based on their skills and preferences.

Through the Campus Drive initiatives taken during the academic year 2023-2024, a total of 530 students have been placed in reputed companies so far. Companies like Zifo R&D, Deloitte Audit, Deloitte Analyst Deloitte Tax, Deloitte USI, KPMG Tax, KPMG Global Services Associate, Decathlon, HCL, Barclays, Bounteous, BNY Mellon, Persis India, ITC-HR, Zuci System, TCS – Trainee, Natwest (Virtual), Zion and Alwin Group of Schools, Guide House - AR Caller have conducted campus drives this year.

CENTRE FOR WOMEN'S STUDIES (CWS)

The Centre for Women's Studies (CWS) began this year's activities by offering four Basic Fashion Courses through its Fashion Design Studio: (i) 40 hours Basics in Tailoring, (ii) 32 hours Course on Aari, (iii) 16 hours Course on Mehendi, and (iv) 16 hours Course on Jewellery Making during the period 12th July 2023 to 11th August 2023. As on February 29th February 2024, the unit has trained four batches comprising 39 students. A workshop on Vegetable Carving and special Aari classes are also being planned. The studio since its launch on 25th February 2023 has been hosting a lot of star visitors from time to time: notable Alumni Ms. Chandrika Tandon (a business leader), Ms. Anu Haasan (actor), Mr. Rajesh (actor), Dr. Alfred Devaprasad (Board Member) to name a few.

Further, the CWS' Inauguration was graced by Swapna Sundar, Legal Strategist, Author, Ethicist on 1st August 2023. Ms. Sundar enlightened the gathering on Women and Equality in Law. The inaugural talk was followed by the distribution of certificates to students who completed the Basic Fashion Course(s) offered by the Centre for Women's Studies, Fashion Design Studio during the period March 2023-June 2023.

Alongside offering the skill-based courses through Fashion Design Studio CWS has been aiding economically challenged students of MCC and Kotagiri Community College (KCC) through Manna Scheme which was started in the Academic year 2012 to 2013. This scheme is sponsored by the faculty of Madras Christian College who contribute monthly or as a one-time contribution. In the academic year 2023-2024, around 195 Aided and SFS students have benefited through this. The beneficiaries are students

whose parents are unemployed, employed as daily wage labourers, farmers, drivers, watchmen, etc., and some who have lost one or both of their parents during the COVID pandemic. Some students travel for almost two hours to reach College and fall ill. Such students who travel a long distance and are also economically poor and cannot afford to buy food from the canteen are also supported. The meal for a day per person costs Rs. 30. The total amount required per month is around Rs.70,000/-. This scheme is also supporting the disadvantaged students of the MCC Kotagiri Community College which was started on 28th August 2018. MCC's KCC offers two Diploma courses viz., 1. Diploma in General Duty Assistant 2. Diploma in Graphic Design. 27 students have registered in VI Batch (2023-24) (Girls – 20, Boy-7). The students reside in Nilgiris and they travel from very interior places. Hence, the Manna Scheme provides a noon meal for them.

Impression, yet another facility of the Center for Women's Studies, is a photocopying unit in the library which used to be functional and efficient. However, a decline in its performance is observed recently, primarily due to the ageing equipment. It is currently under consideration and the process to procure a new photocopier is underway. Additionally, CWS intends to enhance its functionality by integrating a computer and a printer, ensuring an improved and efficient support system for the students. These upgrades are anticipated to be implemented in the near future.

The Centre for Women's Studies (CWS) and the Non-Resident Women's Forum organised an exclusive program to commemorate the National Girl Child Day on 24th January 2024 at CWS' Fashion Design Studio. Various competitions including English Debate, Tamil Debate and Face Painting were conducted to highlight the aim of the event and the importance of empowering girl children through education, health and social support.

CWS further hosted a food carnival on 27th September 2023, helping the college raise funds to aid Manipur students. CWS was also one of the units which supported SWAWSA to raise funds this 23rd January 2024.

Apart from the above listed activities, CWS has also been undertaking and efficiently delivering Gifts and Memento Orders to members of the staff, various departments and units in MCC at nominal rates.

CWS is thus steadily growing by aiding the student community in simple yet effective ways.

ALUMNI

The Executive Committee of the Alumni Association met and elaborately discussed on the various programmes, such as the Old Boys Cricket Match, Annual General Body Meeting, Distinguished Alumni Series, MCC Carol Concert, etc.

Principal Dr P. Wilson, attended many chapter meetings during his National and International visits and strengthened the bond between the College and the Alumni.

The Distinguished Alumni Series Association was conducted on 20th October 2023. The MCC Alumni Association honoured Mr. Sashi Kumar, Chairman, Media Development Foundation and Dr. (Ms.) Ruth Kattumuri, Senior Director of Economic, Youth and Sustainable Development Directorate at the Commonwealth Secretariat, UK.

The MCC Alumni Carol Concert was held on 15th & 16th December 2023.

The Annual Old Boys Cricket Match was conducted on 10th February 2024 at the C A Abraham Pavillion in the College Sports Grounds.

The MCC Alumni Association's Research Awards were given to faculty awardees during the Graduation Day Function on 30th October 2023.

MILLER MEMORIAL LIBRARY

The Miller Memorial Library has had an eventful year in 2023-2024. Between June 2023 and February 2024, the library added 1,039 new books to its collection. Of these, 834 books were purchased, including 575 books for the Self-Financed Stream (SFS) departments, costing ₹5,15,376, and 259 books for the library, amounting to ₹1,94,210. The total expenditure for these additions was ₹7,09,586.

The library has successfully enrolled 1,272 first-year undergraduate and postgraduate students for individual access to the N-LIST database. Institutional memberships with the American Consulate and British Council Libraries were renewed for the year 2023-2024. Furthermore, all printed journals and online databases, including EBSCO, N-LIST, and DELNET, were renewed. The library also registered 234 profiles in the VIDWAN/IRINS research database. To enhance academic integrity, the Turnitin plagiarism detection software was introduced and implemented on 27th July 2023.

The library recorded impressive usage statistics during the year. From June 2023 to February 2024, there were a total of 36,845 book issues, 33,673 book returns, and 9,184 renewals. The library's online public access catalog (OPAC) was accessed 24,183 times, and there were 1,26,895 gate entries, resulting in a total of 2,30,780 transactions.

In addition to these activities, the library organized various orientation programmes. Highlights include: (i) Readers Roof Inauguration (5th July 2023) by Dr. P. Yesudoss and Vishnu Prasath (III BA English); (ii) Blind Students Orientation (5th August 2023) by Dr. P. Yesudoss; (iii) A session on Library Facilities, Resources, and Services (28th July 2023) by Dr. P. Yesudoss; (iv) An orientation on the use of plagiarism detection tools like Turnitin, Urkund, and other open-source software (28th August 2023) by Dr. P. Yesudoss; (v) A program on Scholarly Communication: Tools and Techniques for

Research (1st November 2023) by Dr. K. Thirumal; (vi) Book reviews, including Eugene Vodolazkin's "Laurus" (17th November 2023) by Dr. Jojan Job (Department of Philosophy), Athcaya Pathiram (22nd November 2023) by Varun Kumar (MA Tamil), and Kahangalin Arivatrul (24th November 2023) by Dr. P. Yesudoss.

The library remains committed to supporting academic excellence through its resources, services, and initiatives.

MCC FARM

The MCC farm is known for its close association between scrub jungle and agriculture ecosystems. This condition makes the farm much efficient in terms of biological pest control, efficient pollination systems, nutrient recycling and better hydrology.

Various integrated farm practices including vegetable cultivation, rearing country chicken, turkey, native goat, pigs and honey bees add value to the farm by fulfilling the dietary requirements of the campus community and the neighbors around.

Vegetables such as Lady's finger, radish, brinjal, green chilly, greens and gourd varieties etc. are some commonly cultivated during this year. This year native goats (10 Nos.) were introduced to our farm. Our renovated Piggery unit is with 68 Yorshire breed pigs at present. MCC Farm is one of the best quality pork selling units in Chennai and regularly provide pork twice a month to the users in and around Chennai. The total produce of the farm products including fruits, vegetables, pork, poultry in the year 2023-2024 is 4.871 tones, i.e. agriculture - 3073.22 Kg, piggery - 1649.8 kg, goat – 13.5 kg, and poultry - 134.6 kg and eggs – 217 Nos.

The College Sewage Treatment Plant (STP) has processed 40853 m³ of campus sewage water in this academic year. Usage of STP sludge as green manure in the vegetable cultivation fields as well as fruit orchards also have been initiated during this month.

Farm Community Centre was utilized by various departments and units of college and the School children of neighbouring school for programs and as well as a learning centre. School children from Sri Chaitanya Techno School, Mappedu and Anchor Kids Global School, Chennai, visited the Farm during this year.

DR CHANDRAN DEVANESEN CENTRE FOR HUMAN RESOURCE DEVELOPMENT

A Mentor Workshop was organised by Dr. Devanesen Centre for Human Resource Development on 22nd March 2023 for facilitators who would act as mentors in the Five days FDP programme that was to follow. The resource person Dr. Paul Prathap gave a hands-on experience on being a mentor

Five Days FDP was organized for the facilitators of the Personality Development programme in association with SKILLWISE Consulting, a Corporate Training Service organisation on the theme "Train the Trainers". The programme was attended by 40

Faculty members who are the facilitators for the centre. Col. Dr. Paul Prathap, Coach and Corporate Trainer was the resource person for the FDP which was held between 27th to 31st March 2023. The outcome of the training given by the experts was to enhance the competencies that would effectively translate into classroom teaching leading to desired learning outcome.

The SKY program (Sharing Knowledge you'd abroad) which is an initiative of the College that enables Staff and Students who travel abroad to share their experience with other members of the community, was held on 2nd March 2023. The program was well attended by nearly 65 participants. Dr B. Prince Solomon, Associate Professor, Department of Social Work recounted his experience as a visiting scholar at the University of Michigan during January to June 2022. Students of MSW (Aided Stream) shared details from the International Study Tour to Malaysia.

A 3 Day Faculty Development programme and Induction programme, titled "Engaging Through Shared Vision," was organised by the Dr. Devanesen Centre for Human Resource Development during June 14 -16, 2023. This session aimed to introduce the new faculty to the inspiring ethos and culture of the institution, highlight available avenues for growth & development, and showcase the best practices followed at MCC along with enhancing their skills. In addition to the faculty development sessions, the program also included an orientation component specifically tailored for the newly recruited staff. The Centre demonstrated its commitment to fostering a culture of continuous learning and development, the program spanned over a period of three days and consisted of a variety of sessions coupled with interactive activities. The program structure included components such as Introduction to the Institution's vision, mission, values, and culture, Overview of academic policies, examination procedures, assessment strategies, professional ethics, Effective pedagogical practices, student-centered teaching approach, digital competencies and professional development opportunities including Research support services and grant opportunities. Sessions on Counselling, mentoring, Self- management, Communication, Resilience and change management along with Networking activities and team-building exercises enabled the participants to know themselves and each other better. The valedictory session was addressed by the Principal Dr. Wilson on the topic "Vision Casting Road map" further distributed certificates to the 28 participants.

"Rethinking Global Engagement in the Post Pandemic World for Sustenance" was organized by SKY program (Sharing Knowledge You'd Abroad) jointly with the Staff Study Circle's Conservation of Cultural Heritage series on 20th July 2023.

Dr. Devanesen Centre for Human Resource Development along with MCC - Institution's Innovation Council (MCC - IIC) & MCC - Entrepreneurship Development Cell (MCC - EDC), in collaboration with the National Intellectual Property Awareness Mission (NIPAM), organized an insightful Awareness Talk on Intellectual Property Rights. The event featured Mr. A. Seetha Raman, Assistant Controller of Patents and

Designs from the Patent Office, Chennai, as the speaker on 28th July 2023. The event was attended by an engaged audience of nearly 750 students of II UG SFS.

Dr. Devanesen Centre for HRD along with MCC – Institution's Innovation Council (MCC-IIC) & MCC Entrepreneurship Development Cell (MCC - EDC), in collaboration with the National Intellectual Property Awareness Mission (NIPAM), organized an insightful Awareness Talk on Intellectual Property Rights for students of Aided stream on 9th August 2023. The event was attended by II UG personality development students of aided stream nearly 600 students. Mr. Raman's expertise and engaging presentation style ensured a fruitful interaction between the speaker and the participants.

The SKY program (Sharing Knowledge you'd abroad) which is an initiative of the College that enables Staff and Students who travel abroad to share their experience with other members of the community, was held on 27th September 2023. The program was well attended by nearly 85 participants. The speakers of the programme Dr. Meera Rajeev Kumar, Assistant Professor, Department of Public Administration shared her experiences on being part of The International Cooperation and Development Fund Sponsored Human Resource Fellowship Programme held at Taiwan and Dr. S. Sudharsan, Assistant Professor, Department of Social Work recounted his experience as a visiting faculty at the Chang Jung Christian University, Taiwan.

FDP Review meeting was organized. A Follow up session for the facilitators who attended the five Days FDP that was organized in association with Skillwise Consulting, a Corporate Training Service organisation on the theme "Train the Trainers. The Resource person Col. Dr. Paul Prathap, Coach and Corporate Trainer interacted with the 40 faculty members who were part of the FDP. The session was held on 26th October 2023.

The centre for HRD conducted the PG Softskill Programme Orientation & Workshop for the I PG students (Aided stream). The event took place on the 23rd November 2023 in the Anderson Hall from 11.40 am to 1.30 pm. The resource person Mr. Bastian B. Babu, CEO of Skillwise Consulting, Specialist in Turnkey Project Management, Corporate Trainer and Manpower Placement spoke on the need for mastering the art of soft skills and their impact on Academics, Career and Life. It was well attended by nearly 350 students followed by fruitful interaction.

The centre for HRD conducted the PG Softskill Programme Orientation & Workshop for the I PG students (SFS stream). The event took place on the 27th November 2023. Mr. Melwyn Jonathan, Life coach, HR mentor, operational head Chosen Generation, Dubai was the chief guest for the event. The session focused on the significance of gaining knowledge in order to pursue one's own passion to excel in Career and in Life. The event was attended by around 200 students.

Dr. Devanesen Centre for Human Resource Development organized Career Readiness – Roadmap to the Corporate World in collaboration with L&T EduTech. Ms. Monika Choudhary, Assistant Manager, L&T EduTech was the resource person for the session which was held on 3rd January 2024. The program was well attended by nearly 550 participants. The session highlighted the emerging trends in the corporate world and the need to upskill with ever evolving technological advancements.

Dr, Devanesen Centre for Human Resource Development in association with Placement Cell organised “Honing Essential Skills – A Programme on Preparing Students for Placement”. The speakers of the session were Ms. Benita Alex, Placement Cell Manager, Dr Devanesen Centre for HRD Facilitators as well as Student Representatives. The focus of the session was to provide insights about placement cell, to expound Industry expectations, to elaborate the role played by the PD Facilitators and to highlight the importance of mastering Essential and Easy Skills.

The SKY program (Sharing Knowledge you’d abroad) which is an initiative of the College that enables Staff and Students who went abroad to share their experience with the other members of the community, was held on 29th January 2024. Dr. Sathasivam, Dr. Y. Paul Prabu Santharaj and Dr. N. Kanikkaraj, Faculty Members of the Department of Tamil recounted their experiences of visiting Malaysia, Mauritius and Andaman and Nicobar Islands. The event was attended by an engaged audience of nearly 65 participants.

INSTITUTE FOR ADMINISTRATIVE SERVICES COACHING (IASC)

The Institute for Administrative Services Coaching unit conducted a ROADMAP TO IAS PREPARATION program in association with MCC IAS ACADEMY on 12th January 2023. A similar program preparing the students for TNPSC examinations was conducted on 13th January 2023 with the expertise of EVA STALIN ACADEMY titled ROADMAP TO TNPSC PREPARATION. Special sessions were conducted for students of Economics, Political Science, History and Physics (SFS) by the MCC IAS ACADEMY on 23rd January, 10th February and 19th February 2023 respectively. On 27th January 2023 a session was organized with Hall residents.

Coaching classes for students appearing for the June 2023 UGC NET examinations was conducted by the IASC on 5th June 2023. There were three sessions with participation of 23 students from various Departments of the College. This is an encouraging response considering that the classes were conducted during the vacation. The IASC MCC in association with the MCC IAS Academy launched the Satellite Programme For Upsc Coaching in MCC Campus, for the benefit of Hall residents and other students of MCC. Classes would be conducted for two days at the College Library and one day at the Chetpet Campus.

The programme was launched by Selvi. Apoorva, IAS, Principal Secretary, Tamil Nadu Housing and Urban Development on 7th August 2023. Dr. G. J. Manohar, Director of

MCC IAS Academy and Dr. P. Wilson, Principal, MCC, were present. In her address, the chief Guest, Selvi. Apoorva, IAS., motivated the students and encouraged them to give their fullest to prepare and face the examination. The principal reiterated the commitment of the College to provide a conducive environment for students to prepare for the Civil Services. The students enrolled for the programme were given the brochure and identity cards. A short video with inputs from the students and former students of IASC on why they chose this career path and the role of IASC in shaping them was also played during the programme. The webpage of the Satellite Programme within the College website was also inaugurated by a live display. IASC MCC was involved in the popularisation of the programme and enrollment of students by visiting the Halls in person and speaking to the students. The classes are conducted between 6.30 pm and 8.30 pm for the students in an airconditioned classroom with state-of-the-art facilities for classes both online and offline along with good reference materials. The first batch has an enrollment of 14 students preparing for the civil services.

The IASC unit organised a special lecture by Mr. Israel Jeba Singh, IAS (Retd.) on 29th August 2023. The topic, “How to double your chances of entering the IAS” was very apt for the students as many students were in the early stages of their preparation. There was an overwhelming response with 197 student registrations. The Chief Guest opened the floor for discussions leading to a very enthusiastic Q & A session and a mock interview on the spot. The students raised a lot of relevant questions and also clarified their doubts. The Unit was actively involved in increasing the awareness among students and guiding them towards their goal of cracking the Civil Services with the able support of the Principal Dr. P. Wilson and the Coordinator Dr. N. Ilango.

The Institute for Administrative Services Coaching (IASC) conducted a seminar on “Strategies for Success in IAS/IPS Examinations - The Scope of UPSC Officers” on 25th November 2023. The seminar featured esteemed resource persons Mr. K. Vijay Kumar, IPS, Senior Security Adviser in the Ministry of Home Affairs and Former DGP of Tamil Nadu. Mr. C. Sylendra Babu, IPS, Former DGP of Tamil Nadu, Mr. Kisan Kumar, IAS, Mr. Arunraj S, IAS and Ms. Chitraa Thiyagarajan, IRAS who shared experiences and strategies for success in civil service examinations. They emphasized on dedication, perseverance, and effective preparation techniques, discussing various aspects of UPSC officer roles in detail. This exposure would surely go a long way in helping students.

DEANERY OF RESEARCH & DEVELOPMENT

The Principal investigators of all the fifteen projects presented the final report on 13th June 2023, before the review committee. Dr. S. Felix, Former Vice-Chancellor, Tamil Nadu Fisheries University served as the external expert. Dr. P. Wilson, Principal, Dr. Tabitha Durai, Dean R&D, and Dr. P. Hanumantha Rao and Dr. Marilyn Augustine, Associate Deans of R&D, were present during the presentation. The following outcomes with significant impact were achieved: one facility was created for fish culture

and breeding, and for conducting skill development programmes; one monograph created for publication; three manuscripts submitted for publication in high impact journals, two socially-relevant projects – one for enhancing the livelihood of tribal people and another, an awareness programme to achieve waste segregation; one capacity building workshop for faculty members on transdisciplinary education and research; two content creation for copyright generation; three project proposal submissions for major grants, one teaching pedagogy curriculum design; and two prototypes developed for patent filing.

All the PIs and Co-PIs of the 16 submitted proposals were requested to present before the external expert for screening and short-listing of the submitted proposals. The screening was held on 22nd June, 2023, and Dr. Sanjay Kumar, Professor & Head, Department of Chemistry, IIT Madras, served as the external expert. Dr. P. Wilson, Principal, Dr. Tabitha Durai, Dean R&D, and Dr. P. Hanumantha Rao and Dr. Marilyn Augustine, Associate Deans of R&D, were present during the presentation. Background of proposed research, knowledge gap, theoretical framework/research questions, methodology and expected outcomes were the criteria used for selecting the proposals. The following were the awardees for the year 2023-2024: Dr. S. Stalin, Department of Tamil–Aided; Dr. E. Iyyappan, Department of Chemistry–Aided; Dr. G. Gnanasekaran, Department of Botany; Dr. Reji J.V., Department of Botany; Mr. Tony Thomas, Department of Business Administration; and Dr. P. Persis Glory, Department of Computer Science – Shift II

The Deanery, Research and Development has planned to conduct the Research and Publication Ethics Course for the Ph.D. scholars, as mandated by the UGC and University of Madras, twice in an academic year. The first batch of students were registered and the classes were conducted between 20th July and 3rd August 2023. The inaugural cum the first session on research was handled by Dr. P. Wilson, Principal, Madras Christian College. This also became an occasion for open house with the research scholars who took this opportunity to interact with him. The course was for 30 hours and the scholars were to undertake an exam at the end of the course to secure grades. 28 students attended classes regularly and were eligible to appear for the test. Fifteen faculty members shared their expertise with the research scholars. The scholars considered it an enriching experience.

The II M.A. English students of the Voorhees College, Vellore accompanied by their two teachers visited Madras Christian College on 28 August 2023. They attended a workshop on Research Methodology organized by the Deanery. As part of the workshop, the students visited Miller Memorial Library and were oriented by Librarian Dr. P. Yesudoss about library resources. Followed by this, the students had a lecture by Dr. R. Vijay Solomon on Research Publication Ethics and about predatory journals. The students considered this visit highly informative and beneficial.

The Deanery of Research & Development organized an interactive meeting with Padmashri Dr. Swaminathan Sivaram for the faculty members and research scholars of

the science departments of the college on 8th August 2023. Dr. Sivaram, an alumnus of the Department of Chemistry, Madras Christian College, is currently an Honorary Professor and INSA Senior Scientist at IISER, Pune. The interactive meeting was attended by the Heads, faculty members and research scholars of the Science Departments. The HoDs of the Departments of Physics (Aided), Chemistry (Aided), Botany and Zoology presented PPTs showcasing the facilities, infrastructure, research expertise, unique activities, ongoing and completed projects and research publications. Dr. Sivaram commended the progress of the departments, while stressing upon the value of interdisciplinary research for generation of valuable data and development of models. He spoke about the need to work on larger societal problems like climate change, and also on utilization of Pulicat research facility for field research contributing to highly pertinent larger societal issues. The faculty members and the research scholars were benefitted from the above interactive meeting.

A one-day seminar was organized by Dr. Paul Prabu Santharaj for the doctoral research students, Department of Tamil and the Deanery (Research & Development) of Madras Christian College on August 15, 2023. The seminar, titled "Tamil Studies in Diversity," aimed to explore various dimensions of Tamil culture and literature. The keynote address was delivered by Dr. Gnanachandra Johnson. A congratulatory audio-visual presentation from the Principal, Dr. Paul Wilson, was also screened. Subsequent sessions featured presentations by scholars. Dr. Paul Prabhu Santaraj delivered the closing speech, marking the end of an enriching exploration into the diverse dimensions of Tamil studies.

The Research and Publication Ethics Course Valedictory Program was held on 26th September 2023, presided over by Dr. P. Wilson, Principal and Secretary of Madras Christian College, with Dr. D. Gnanaraj Thomas, former Assistant Professor of Mathematics and former Dean of Research and Development at Madras Christian College, as the Chief Guest. The highlight of the event was the distribution of certificates to all participants who attended the Research and Publication Ethics Course for the Ph.D. scholars organized by the Deanery-Research and Development.

In a collaborative effort, the International Network for Christian Higher Education (INCHE) and MCC orchestrated a transformative three-day Faculty Development Program on the Nuances of Scientific Writing and Publication. Hosted at the CSI College of Engineering in Ketti, Nilgiris, the program unfolded from September 28th to 30th, 2023, drawing participation from approximately 45 faculty members hailing from various CSI Colleges in Tamil Nadu. The comprehensive curriculum of the program delved into crucial aspects of scientific writing, offering insights into theoretical frameworks, research ethics, types of research papers, literature review, research gap identification, data analysis techniques, research metrics, and the intricacies of journal publications. The topics were meticulously crafted to enhance the faculty's proficiency in these critical domains. The resource persons included Dr. P Wilson, Dr. Feminna Sheeba, Dr. Tabitha Durai, Dr. R Vijay Solomon, Dr. A Jabarali, and Dr. Senthilkumar

Umapathy. The Faculty Development Program proved to be a valuable experience for the attendees from CSI Colleges in Tamil Nadu. The acquired skills in scientific writing and publication are poised to have a ripple effect, contributing to the enhancement of knowledge dissemination and ultimately fostering an improved learning environment for students.

A workshop on “Introduction to Scientific Writing & Publishing” workshop, was conducted on November 6-7, 2023, proved to be a transformative experience for participants from the Indian Maritime University. The two-day event, organized as Phase I, aimed to equip attendees with a comprehensive understanding of research methodology and the manuscript writing process. Dr. P. Wilson initiated the first day with the session on research design. Following this, Dr. R. Vijay Solomon led a session on types of research and research publications. The second day commenced with a session on the publication process, facilitated by Dr. P. Hanumantha Rao. The final session, conducted by Dr. Tabitha Durai centered on manuscript writing. By providing a holistic understanding of research methodology and unraveling the intricacies of scientific writing and publishing, the workshop played a pivotal role in empowering attendees with the indispensable knowledge and skills requisite for the effective conduct and publication of impactful research. The comprehensive nature of the workshop facilitated a deep dive into the fundamental principles of research design, enabling participants to discern and select the most fitting design for their specific research inquiries.

The Pune Knowledge Cluster, Pune, Maharashtra, and the Deanery Research & Development, Madras Christian College (Autonomous) in Chennai, Tamil Nadu, collaborated to organize a Mentorship Program for WEnyan Scholarship Winners 2023-2024. Sponsored by BASF Chemicals India Pvt. Ltd and facilitated by Pune Knowledge Cluster's Capacity Building division, this program targeted female students in Maharashtra pursuing undergraduate and masters' projects in Chemistry and Sustainability. Throughout November and December 2023, 28 selected students across Bachelor's, Master's, and Ph.D. levels received guidance from mentors Dr. R. Vijay Solomon and Dr. N. Nirmal Thyagu from Madras Christian College. The mentorship unfolded in three phases: the first phase, held on 8th and 9th November 2023, focused on drafting research proposals and understanding proposal components. Phase-I knowledge was pivotal as students refined proposals for resubmission, receiving insightful comments from mentors. Phase-II involved one-on-one interactions with mentors on 29th and 30th November, providing personalized feedback for proposal revisions. Phase-III, aimed at finalizing proposals with mentor input, concluded the two-month project, empowering students with skills to craft effective research proposals.

Internal Quality Assurance Cell and Research Cell of SDNB Vaishnav College organized five days workshop on Research Integrity and Journal Publications. Dr. Senthilkumar Umapathy, Dr. Nirmal Thyagu, Dr. Tabitha Durai, Dr. Vijay Solomon and Dr.

Hanumantha Rao from Madras Christian College conducted sessions that dealt in depth about the nuances of scientific writing and research, identifying indexed journal and avoiding cloned and predatory journals and the process of writing a manuscript and submitting it to an indexed journal. The chief guest for the valedictory was Dr. P. Wilson, Principal, Madras Christian College.

The first mid-review of the selected SMG projects chosen for the year was conducted on 1st November, 2023 and the second on 5th February, 2024, through online mode (Zoom Platform). Dr. Vigneswara Ilavarasan, Professor of Information Systems, Department of Management Studies, IIT Delhi, served as the external expert. Dr P. Wilson, Principal, MCC, and the members of the Deanery were present during the review process. Six awardees updated the status and progress of the projects through a PPT presentation, and the projects were evaluated for objectives achieved, methodology, work completed with reference to proposed timelines, expenditure details, and outcomes achieved, if any. Valuable suggestions were provided to improve upon the projects.

On 9th of January 2024, Deanery of International Programme and Deanery of Research and Development jointly organized a global engagement event titled “Facilitating Higher Education Abroad for Students and Research Scholars”. The event featured Dr. Mohan Balasubramanian from the University of Warwick, UK, as the guest speaker. Attended by 35 research scholars from various departments, the session aimed to provide insights into pursuing higher education opportunities abroad.

The Coffee with principal was held on 29th January 2024 in the Council Room. 49 Research Supervisors of the Research Departments attended this meeting with the Principal. Beginning of the session, the Dean, Research and Development made a presentation about the Ph.D. admissions and its related activities. Followed by this, the supervisors had an interaction with the Principal.

The Workshop on the nuances of Publishing Academic Books was organized by the Deanery, Research and Development on 7th February 2024. This attempt by the Deanery was to help the faculty to publish their research articles in the book. The 17 Sustainable Development Goals (SDGs) were taken as the theme. The faculty members volunteered to be the editors of the books and each book was to contain minimum of ten chapters each. The Dean, Research and Development made a presentation and shared the details of the format. The Deanery will facilitate the publication of the books by a reputed publisher.

The workshop on SPSS conducted jointly by the Deanery of Research and Development and the Department of Statistics at the Gift Siromoney Computing Laboratory, MCC, from 12th to 16th February 2024, proved to be an invaluable resource for the research scholars of MCC. Covering a diverse range of topics, the workshop provided participants with a comprehensive understanding of statistical analysis using

SPSS software. From fundamental concepts like data entry and transformation to advanced techniques such as chi-square tests, t-tests, ANOVA, correlation, and regression analysis, the workshop catered to the diverse needs of research scholars across various disciplines. Moreover, participants gained practical insights into graphical representation methods, enhancing their ability to present and interpret data effectively.

MCC RESEARCH COLLOQUIUM (MCC RC)

MCC Research Colloquium organized 11 online discussions, 1 online workshop for other colleges and 1 out-reach program during the academic year 2023-2024. About 11 resource persons delivered online lectures on various topics including infographics, plagiarism, academic writing, journal selection, review writing, data science in research, R&D eco system, entrepreneurship Among Educational institutions, Literature Review For Effective Research, Manuscript writing- dos and donts and so on. Totally, 603 participants actively involved in these discussions and spent more than 650+ man-hours.

MCCRC rendered its support to AIACHE in conducting a Five-day online Faculty Development Program on The Nuances of Scientific Writing and Publishing during 10th – 14th October 2023. Nearly 210 participants from 90+ institutions across the country making this program a truly national. We had 5 technical sessions in addition to the inaugural and valedictory programs. The inaugural program was held on 10th October where Dr. P. Wilson who delivered the introductory remarks. Day 1 has started with journal selection which was handled by Dr. R. Vijay Solomon, Coordinator MCCRC where he took us to a world of predatory journals and emphasized on where not to publish our work. It was an eye-opening session for many of the participants. Day 2, we had Dr. P. Wilson expounded on theoretical framework and conceptual framework using service learning as example. This session kindled our mind and completely changed our perception about the frameworks. The next session was on research gap, research design and plagiarism by Dr. B. Chinna muthu which was the need of the hour and he explained about the types of plagiarism and how to design your research with research questions. Dr. Muthukumar illustrated the various types of research methods, nuances of questionnaire preparation and data collection. Day-5 was completely devoted to manuscript writing where different sections were described with examples. Further Dr. Vasupradha did real time demonstration of going through journals websites. This FDP concluded with a valedictory program on 14th October 2023.

MCC - INSTITUTION INNOVATION COUNCIL (MCC IIC)

Inauguration of the Innovator's club was conducted by the Institution Innovation Council on 9th of August for both SFS and aided stream students. The chief guest of the event was Nagalakshmi N, Educationist & social Entrepreneur: CurioKidz ED Tech National STEM Education, AIIC – Kalasalingam Innovation Foundation.

In campus orientation for the innovator's club was held on 23rd of August for the aided stream students. An interactive session was conducted by Dr. Arthi Head Operations,

MCC-MRF Innovation Park in which the rules and regulations of the innovator's club were briefed. According to the rules, each member should be present during the club meetings, every week the members will be assigned certain tasks which should be submitted on time.

Student Representatives Orientation Meeting, organized by the Institution's Innovation Council in collaboration with the MCC-EDC, held significant importance in promoting innovation and entrepreneurship within our institution.

On the 5th October, 2023 – the Innovator's Club held an inspiring talk called 'From Campus to CEO', featuring Dr. Sabaru Banu, the director of ACRES Techsol PVT LTD as the distinguished speaker.

On the 4th of January, 2024 – the Institute innovation council held an inspiring talk called my entrepreneurial journey by Ms. Anbu Mathi as the distinguished speaker. The session was interactive and informative, focusing on the various ways in which existing problems could be tackled by strengthening the existing solutions with the help of science and technology. These products would benefit society at large and how exactly students could accomplish the same.

On the account of the National Youth Day, MCC-IIC in collaboration with MCC-EDC conducted a creative writing competition for the students. The event was held on February 01, 2024 in the newly built Entrepreneurship café of MCC-MRF Innovation Park. The event witnessed numerous participants from various departments to participate in the competition, unleashing the art of writing creatively. Cash prizes were announced for felicitating the winners and channelize them in the writer's nook of the Innovation Park and bestow opportunity to publish their books in the college publication. In between the competition,

MCC Institute Innovation Council, in collaboration with MCC Entrepreneurship Development Cell, organized Art's and Poetry competition on National Youth Day 2nd February 2024. The registration link for the event was sent through the IIC representatives and on-spot registration was also arranged for the students. It was a 45-minute competition held in front of the IIC Cabinets. Over 35 students participated. After the competition, a brief orientation was given to the students about the MCC-MRF Innovation Park.

MCC - ENTREPRENEURSHIP DEVELOPMENT CELL (MCC EDC)

The activities of EDC started with registration Madras Christian College as a spoke college with the University of Madras Hub, EDII-TN for the academic year 2023-24.

The Convener, EDC, participated in the Spoke college coordinators online review meeting conducted by EDII- TN on 22nd July 2023.

The First Entrepreneurship Development Cell (EDC) and Institution Innovation Council (IIC) Faculty meeting for the academic year 2023-24 was conducted on 12th July 2023.

Key agenda items encompassed welcoming new faculty, refining goals for the academic year, and planning upcoming events. Responsibilities were allocated for organizing initial events, and action plan were defined for efficient execution. Following which EDC co-organised all the programs hand in hand with IIC and MCC MRF innovation park. Few highlight events are listed here.

MCC- EDC, IIC, IP cell, HRD units in collaboration with National intellectual property mission (NIPAM) jointly organized an awareness talk on “Intellectual property rights” on 28th July 2023 and 9th August 2023. The talk was given by Mr. A. Seetha Raman, Assistant controller of parent and design, Chennai patent office. More than 400 students participated for each session and certificates were provided to the participants by NIPAM.

MCC- IIC and EDC jointly organized the Inauguration of Innovators club, a new initiative by MCC for UG students on 7th September 2023. Dr. J. Jannet Vennila, Vice-Principal, Self- Financed Stream delivered the keynote address followed by a talk by Nagalakshmi N Vijaykumar, Educationist & Social Entrepreneur, and founder of CurioKidz Ed Tec.

On the same event the two of our illustrious alumni, Mr. Darshan (Department of Zoology) and Mr. Karthik Jothi (Department of Physics) were felicitated for their remarkable success as pioneers in their journey from our campus to becoming successful entrepreneurs in the startup world. They set an inspiring example for our current students. Mr. Karthick Jothi signed incubation agreement with MCC-MRF innovation park on stage.

On August 31, 2023, an Internship Fair was jointly organized with the IIC and MMIP at our institution. The event took place in exam hall, creating a significant platform for students and industry professionals to connect and explore mutually beneficial opportunities.

Grand Entrepreneurship challenge program, sessions facilitated by Hand in Hand social Entrepreneurship. 15 startup ideas are selected for this challenge after peer review. The selected ideas were trained technically for a day. On final pitch 6 ideas were selected by external jury members and given a seed money of Rs. 20,000 per idea.

On the 5th of October, 2023 – the Innovator’s Club held an inspiring talk called ‘From Campus to CEO’, featuring Dr. Sabaru Banu, the director of ACRES Techsol PVT LTD as the distinguished speaker. The session was interactive and informative, focusing on the various ways in which existing science and technology could be harnessed to

produce products that could benefit society at large and how exactly students could accomplish the same.

On 4th of January 2024, the Institute innovation council held an inspiring talk called my entrepreneurial journey by Ms. Anbu Mathi as the distinguished speaker. The session was interactive and informative, focusing on the various ways in which existing problems could be tackled by strengthening the existing solutions with the help of science and technology. The student leaders of the institute innovation council were inducted this day to accept their postings and duties for the smooth functioning of the council and the awareness of the Niral Thiruvizha conducted by TN-EDII & TNSDC.

WILDLIFE CONSERVATION CLUB

Inauguration of the Club (2023-2024) was held on 17th July 2023 in Seminar Hall, Chemistry Wing, MCC. Dr. Joyce Priyakumari, Head, Department of Zoology, delivered an informative session on campus beauty and shared real-time experiences. Dr. Mahesh Pattabiraman, Professor at the University of Nebraska in the United States, applauded the club's efforts in animal conservation and briefed on the importance of humanity towards conservation. Also, he voluntarily donated a sum of Rs.25,000/- towards the good initiatives of the club. Mr. Bryan Thompson, Chairman (Department of Zoology) with a short presentation highlighting the activities of the club. Mr. Ramu, water man, MCC, has been recognized for his whole-hearted services towards the club & its activities.

Every month, the club hosts a bird walk on campus to appreciate and enjoy nature and its beauty. The bird walks were held on 4th August, 9th September, 4th October 2023 led by the Resource Person Prof. Bala Manikandan, Department of Visual Communication. It was a rejuvenating experience for everyone who took part, as they were able to appreciate the majesty of the dawn, fresh air, and the enthralling beauty of over thirty different types of birds among the dense greenery.

In the month of September, the College Union Society arranged a campus walk for the freshers in which the Wildlife Conservation Club participated, introducing itself to the freshers and many of them joined the club as volunteers.

On 26th September 2023, phase I sterilization and vaccination of campus canines were executed with the assistance of Guindy's Blue Cross unit. Three campus dogs were sterilized, vaccinated and safely released into the campus soon after their recovery.

A delightful food carnival unfolded on 29th September 2023, orchestrated collaboratively with the Scrub Society to raise funds for the Manipur student's scholarship. The event radiated with the vibrant energy of every dedicated club member, their collective efforts turning the activity into a joyous celebration towards a good cause.

The club played a crucial role in the rescue of seven abandoned puppies on the campus, diligently offering them sustenance and shelter within the designated area provided to the club in the farm for an entire month.

The club received support from a benevolent sponsor who graciously stepped forward to transform the designated space into a haven for the puppies, complete with netted windows and impeccably crafted wooden doors (two doors for two rooms).

Eventually, all the puppies found loving homes through adoption process. Five puppies were found inside the Innovation Park Out of 5, 4 were given for adoption.

Additionally, another incident involving Selaiyur dog Siby unfolded, as it met with an accident rendering it immobile. Promptly, the dog was transported for treatment with the assistance of the Blue Cross.

In a proactive move, the club organized a vaccination and sterilization drive for the campus residence dogs on 19th January 2023.

The club along with its dedicated members, significantly involved in the SWAWSA sale on January 23, 2024, contributing to a noble cause. The club members meticulously prepared and showcased a diverse array of delectable edibles, complemented by the presence of herbal/ornamental plants and betta fighter fish.

The Club offered support to two students, Mr. Pranay and Mr. Adhisakyan, department of Zoology, from 22nd to 24th January, 2024 who got selected for the research project on Human-Bonnet Macaques conflict undertaken by the Wildlife portal of India. An article about their survey along with the forest officials, Nagercoil was published in the Tamil newspaper, Thina thandhi.

Free vaccination campaign for residents in and around MCC college was arranged on 25 February 2024. Ms. Vasantha Kumari, Mayor, Tambaram Corporation, inaugurated the programme. In addition to the vaccination drive, the club will introduce the installation of water pots for animals, providing a thoughtful solution to quench their thirst during the upcoming summer season.

MCC-MRF INNOVATION PARK

A two-day workshop on “Design Thinking” in collaboration with Shell’s NXplorers programme by Learning Links Foundation was conducted on April 5 & 6, 2023 at the instructor was Dr. Balaji, Senior Consultant, Learning Links Foundation. The participants were taught how to address the complex challenges faced by the world and to do something about them, especially in designing your ideas for positive change.

On November 24, 2023, the Open Weavers Team led an "Accelerating Product Launch" workshop at MCC-IGH for startups and aspiring innovators. The session aimed to

equip participants with strategies and insights to expedite the product launch process, fostering success in the competitive business landscape.

A fifteen-day Internship on Molecular Modeling & Drug Design was held from 15th to 30th May 2023. 11 Students from MCC and other colleges including Loyola College and Sacred Heart College, Tirupattur benefited from the programme. The students were exposed to the theoretical basis of computational drug design and hands-on sessions were provided on each topic. The theory and practical sessions on web resources in drug design, ligand based and structure based drug design were handled by Dr. Beutline Malgija. Mr. Cheriyan Ebenezer taught the theory and hands-on sessions on Computational Chemistry, DFT calculations and chemical structure drawing. Further the students were given individual projects in the field of drug designing and reports were submitted.

These informal sessions are held to facilitate interactions between startups and experts in various fields to create awareness and improve social skills. The following sessions were held: (i) 19th May – Talk on Sales Cycle by Senthil Kumar Deivasigamany Founder, Emergway Academy Pvt Ltd.; (ii) 24th May – Accounting 101 for startups by CA Monika Hari and CA Shalini, Associates; (iii) 26th June – Patent 101 for startups by Meenaa Balakrishnan, Patent agent and IPR attorney with the Government of India.

On 6th September 2023 – Zero Penalty; Navigating Growth Without Consequences for startups by Sathish Ramalingam, CEO of eAuditor Office Pvt Ltd.

On 6th February 2024 – Navigating the Indian startup landscape: A Comprehensive Guide to Company Registration and Fundraising for startups by Shamil Ukil, Senior Consultant at Advisory Monks Consulting.

Experience sharing sessions for gaining information into startup culture and its tricks, offered valuable insights into building a startup, including identifying market opportunities, assembling a talented team, securing funding, and navigating the complexities of entrepreneurship. His experiences resonated with aspiring entrepreneurs. These events were held on: (i) 10th June 2023 – Kireesh Thyagar, Co-Founder and CEO of Oilo Healthy Foodtech Ventures Pvt Ltd; (ii) 24th June 2023 – Akash J, Co-Founder and CEO of AtumX (iii) 15th July 2023 – “Post Incorporation Compliances for Startups” by Mr. Eshwar Sabapathy, Managing Partner at Eshwars; (iv) 7th September – “Beyond Boundaries: Register Your Company, Run It Smooth, Zero Penalties” by Sathish Ramalingam, CEO of eAuditor Office Pvt Ltd; (v) 8th February – “The Power of Purpose: Crafting our Pitch Deck” for startups by Karthick Jothi, Founder and CEO of Allytriz Pvt. Ltd.

Startups Palm era and KIDLO showcased their innovations at Aerohub East shopping mall at Meenambakkam during ‘Kalaiyugam’ organized by the Department of Communication on October 7th and 14th 2023, creating a platform for entrepreneurial

visibility and engagement. This event focused on celebrating the dying ancient art forms of Tamil Nadu with an open mic and an exhibition where they set up product stalls.

These placement drives empower students to embark on exciting career paths while enabling startups to discover exceptional talent. The MMIP organised a placement drive on the 31st of August 2023 with 11 startups participating and an estimated footfall of 400.

The startup ecosystem in Coimbatore witnessed a remarkable milestone with the hosting of "Startup Thiruvizha," held on 19th and 20th of August at the CODISSIA Trade Fair Complex in Coimbatore. It was an event of epic proportions that brought together startups, investors, and incubation centers in a grand celebration of innovation and entrepreneurship. Six startups from the MCC-MRF Innovation Park showcased products at the MMIP stall at the expo that was part of this event, interacting with dignitaries and investors. Two of the startups Allytriz Technologies and Palm Era received TANSEED 5.0 grant with a funding of 10 L each.

On August 30, 2023, the Electronics Wing of the Tinkering Club was established at MMIP, comprising undergraduate students from the Department of Physics (Aided), spanning all three academic years. Through this endeavor, they coalesced into a cohesive unit named SPARKIFY. Their engagement extended further as they took on the role of student mentors in the SCIIGNITE-01 Internship program guiding eleventh-grade students from MCC Campus School for a week-long session between the 18th to 29th of January 2024, imparting hands-on experience in constructing electronic circuits on breadboards, and utilizing various sensors. Additionally, SPARKIFY represented the college at the 48th Indian Tourist and Industrial Fair held from 14th to 16th February 2024 in Island Grounds. They showcased their electronic projects to the public, elucidating their functionality and significance, occupying a designated space facilitated by the Department of Collegiate Education, Government of Tamil Nadu.

MCC – MRF Innovation Park in association with the Science Departments of MCC conducted a week-long internship programme "Sciignite-01", between 18th - 29th January 2024, to XI Science students of MCC Campus school to fan the flames of scientific passion. SCIIGNITE is designed to offer a unique and immersive learning experience, kindling curiosity and providing hands-on learning opportunities.

The Innovators Club was inaugurated on August 9, 2023 by Nagalakshmi N, Educationalist & Social Entrepreneur, Curio Kidz Ed Tech National STEM Education at an event held at Anderson Hall, followed by a tour of the MMIP facilities for the dignitaries.

The Tamil Nadu Incubators meet was held on July 14, 2023 to introduce the StartupTN Incubator Maturity Model. Around 20 Incubators in and around Chennai participated.

Investor Pitch by startups with the members from Campus Angels on 11th July 2023. Signing of formal MoU with Campus Angels Network for strategic investments for startups on 30th August 2023.

MCC-MRF Innovation Park in collaboration with Bocconi University, works as a strategic partner to host Europe's top entrepreneurship and strategy program designated to support startups: IdeaBoosterLab.

Training for the six assigned research assistants began on the 8th of June and continued till the 3rd of January with one-hour sessions every month except in August. These RA training sessions were held online on Zoom calls and taught by staff of the University of Bocconi.

Twenty startups were selected for the Demo Day based on their growth and the quality and robustness of their Investor Pitch. After the final pitch review the startups will be pitching to high profile angel investors on Demo Day.

The NGO Hand in Hand India worked with the MCC-MRF Innovation Park to host this event, where startups who cleared the selection process had the opportunity to attend a bootcamp and finally pitch to angel investors. This selection and bootcamp were held at Agnes Martin Auditorium with the final session and prize distribution at the Professors' Canteen.

This programme motivates school students to take up Science & research in future as their career. Seventy five students studying in IXth standard from Chengalpattu and Kanchipuram participated in this programme. Students stayed in the Halls of residence and used the campus research facilities and exposure was given on various aspects of Science and Technology. The students learnt to work with sophisticated machinery like laser cutters and 3d printers and had hands on experience in recycling paper and rapid prototyping. The MCC-MRF Innovation Park set up a stall in the final day exhibition held at the Exam Gallery where students showcased their products.

On 4th August 2023, Entrepreneurship training for women was organized at Pulicat in Fisheries along with NFDB. Around 30 women from the community benefited by the programme.

The Institution Innovation Council of Anna Adarsh College, Chennai visited the Incubation Centre on August 14, 2023.

MCC FAMILY LIFE INSTITUTE (FLI)

Regular health services were rendered through the MCC FLI clinic. More than 1500 (One thousand five hundred) patients benefited from the clinic services and the Medical Camps organized from June 2023 to February 2024. The doctor's consultation was given on all Thursdays. Most patients accessed the clinic services for their minor ailments such

as fever, cough and cold, burns wounds, injury, skin infections, gastritis, myalgia, and migraine. Women got a consultation for reproductive health-related issues and few patients with diabetes and blood pressure-related problems accessed the services regularly.

Twenty-five students benefitted from the three-month short-term course, nine months long-term course, and one-year National Skill Development Course from June 2023 to February 2024.

Workshop on Entrepreneurship Banking and Financial Management for the MCC FLI MCC MRF SHG beneficiaries on 16th June 2023.

A one-day workshop on “Entrepreneurship, Banking and Financial Management” was organized for the MCC FLI - MCC MRF Self Help Group members in collaboration with the MCC Center for Women Studies, and Bharatiya Yuva Shakthi Trust on 16th June/2023. The participants learned the process and procedures involved in getting entrepreneurship loans, Government schemes for entrepreneurship, banking procedures, and documents required to apply for micro-entrepreneurship loans. Mr. Victor, Mr. Alphonse, Ms. Sasikala, Mr. Mugilan Ravi, and Mr. Jerome from Bharatiya Yuva Shakthi Trust were the resource persons. With the support of Dr. Sheba Davidson Convener, MCC Center for Women Studies, Dr. Aarthi, Head Operations, MCC MRF Innovation Park, and Dr. Sylvia Daisy Convener MCC FLI the workshop was successful.

MCC FLI MCC MRF SHGs received their first linkage Loan from Kancheepuram Cooperative Society Bank on 7th July 2023.

On 7th July 2023, the first linkage loan of Rs. 3 Lakhs was distributed to MCC FLI - MCC MRF SHG groups by the Kancheepuram Cooperative Bank Limited Selayur Branch. Each beneficiary received Rs.15,000/- (Fifteen thousand). A few started their micro-entrepreneurial activity. Three beneficiaries registered their enterprise under the MSME portal and got their register number.

An Ortho screening camp in collaboration with the Parvathy Hospital, Chromepet was organized on 27th July 2023. Mr. V. Ramesh, Mr. Madhan Infant Raj from Parvathy Hospital, and Dr. Premalatha, MCC Campus Doctor were the chief guests for the inaugural of the Camp. Nearly 70 patients benefitted from the tests conducted to find blood pressure, sugar, and bone health.

The MCC FLI MCC-MRF SHG members participated in the two-day skill training program organized by MCC RRR on 23rd and 24th August 2023 on Candle making and they learned to make candles of different types, shapes, and colors. They exhibited their products for sale organized at the college campus.

Being a satellite center of MCC Community College the MCC FLI offers NSDC courses such as GDA (General Duty Assistant) Course and SET (Self Employed Tailor) Course. The students completed their internship at Sudar Hospital, MCC Centre for Women Studies, and Coral Tailors in August 2023.

A session on cracking the NSDC Course exam was organized on 21st August 2023 for the NSDC students of MCC FLI the Satellite Center of MCC Community College. The objective was to remove the fear of the exam. Sr. Pauline the Coordinator of Christ King Community College, and Ms. Vino. the tailoring teacher of Christ King Community College were the resource persons.

A two-day workshop on Coasters out of nature was organized by MCC RRR at Madras Christian College on 13th September and 14th September 2023. Eight women beneficiaries of MCC FLI participated and benefitted from the training program.

A session on cracking the NSDC Course exam was organized on 25th September 2023 for the NSDC General Duty Assistant Course students of MCC FLI the Satellite Center of MCC Community College. The objective was to remove the fear of the exam. Mr. Samson the Coordinator of MCC Community College and Ms. Latha the staff of MCC Community College were the resource persons.

On 28th October 2023, the NSDC Exams for the General Duty Assistant Course and the Self-Employed Tailor Course were conducted. Twenty Students appeared for the Written exam, Practicals, and Viva Voce organized at MCC FLI and MCC Community College premises.

On 9th November 2023 the leaders of MCC FLI MCC-MRF Self-help Groups participated in the meeting organized by the Panchayat Level Federation of the St. Thomas Mount Block at Agaram Then Village Panchayat. They learnt about the Government Schemes, procedures, and processes involved in availing the same.

A general medical camp was organized for the MCC FLI beneficiaries in collaboration with the MCC Clinic on 14th December 2023 after the Mischaung Cyclone hit the district. More than 100 beneficiaries benefitted from the Medical Camp. Medicines for general health were given free of cost by Kaleesuwari Private Limited. More than 100 beneficiaries benefitted from the Medical Camp. The Gypsy community members without a proper shelter who were most affected by the Mischaung Cyclone benefitted the most.

Christmas Day emphasizing the culture of giving was celebrated by the MCC FLI team on 21st December 2023. Games and cultural programs were organized. The staff and students got Christmas gifts shared sweets and snacks.

On 7th December 2023, Christmas Day was celebrated by MCC RRR at IACS and three women beneficiaries participated in the program.

The MCC FLI team including the Convener and staff members Sr. Juli Jasphine and Ms. Amsa Sankar participated in the Institutional Retreat organized at MCC Chetpet school on 6th January 2024. Sr. Juli Jasphine was part of the Choir.

The First Graduation Day of the NSDC course of MCC FLI was organized at MCC FLI on 9th January 2024 as it was the fiftieth year of the establishment of MCC FLI. On the golden Jubilee celebration, MCC Family Life Institute celebrated the First Graduation Day of 20 students who completed the General Duty Assistant Course and the Self-Employed Tailor Course. The Principal of Madras Christian College Dr. P. Wilson, Ms. Logeswari Boopalan, Company Secretary, ZOHO Corporation, the Director of the Indian Centre for Research and Development of Community Education Dr. Xavier Alphonse S. J., and Mrs. Janani Suresh the President of Thiruvancheri Panchayat participated and graced the occasion. The worship session was led by the MCC Choir and the students of the MCC Tamil Department performed Folk Dances which was appreciated by the gathering. MOU between RANE NSK and MCC FLI for financial support for refurbishing MCC FLI buildings and scholarships for GDA students were exchanged. Dr. P. Wilson, the Principal of MCC gave away the Diplomas. It was a proud moment for the students, the program ended with an oath-taking ceremony by the Nursing students followed by the vote of thanks.

The women beneficiaries of MCC FLI MCC-MRF Self-Help Groups participated in the SWAWSA sale organized on 23rd January 2024 which helped them to generate income. They exhibited and sold the products made by them in the sale such as cloth bags, herbal soaps, hair oil, detergent, and home decor items.

and exhibited their products such as incense sticks, hair oil, herbal bathing powder, soaps, cleaning products, cloth bags, and wire baskets in the Entrepreneurs Sale. They were encouraged by the sale of their products and income generation.

CENTRE FOR PEACE STUDIES

A five-day workshop on Peace Education for college teachers from across South India was held from 14th to 18th August 2023 at the International Guest House. The workshop was jointly organized by the Center for Peace Studies and the United Board for Christian Higher Education.

The workshop was attended by 29 participants from various South Indian states, including: 13 participants from six colleges in Chennai, 5 participants from five colleges in Karnataka, 4 participants from two colleges in Kerala, and 7 participants from six colleges in Tamil Nadu, excluding Chennai.

The workshop received active support from the Mindanao Peacebuilding Institute, Philippines, with its Director and another faculty member serving as resource persons. Additional resource persons from the Mennonite Central Committee Peace Initiative also contributed to the sessions.

The program included activities, project work, interactive sessions, and discussions on various aspects of Peace Education, such as designing Peace Education programs, skills in training for Peace Education, innovative pedagogical methods, and more.

A one-day workshop on Peace and Conflict Resolution, themed “Forgiving Across Faultlines,” was held on 6th October 2023 at the Martin Hall Auditorium. The workshop featured special guests Ginn Fourie and Letlapa Mphahlele.

The event included the screening of the movie “Beyond Forgiving,” which depicts the healing process of a black man and a white woman who suffered due to the actions of the other. Following the screening, the real-life subjects of the film interacted with the audience, delivering a powerful message on the importance of forgiveness. The program was attended by about 60 members of the MCC community, including students and faculty members.

From 16th to 19th January 2024, the Center for Peace Studies collaborated with the Mennonite Central Committee (MCC), headquartered in India at Calcutta, to host a four-day workshop on the Relevance of Theory of Change, Conflict Analysis, Gender Analysis, and Barrier Analysis in Project Planning. The event, held at the International Guest House, was primarily intended for leaders of NGOs partnering with MCC’s Peace Initiatives.

The workshop covered various dimensions of peace and conflict resolution for grassroots-level workers. Dr. Paul Wilson, Principal of Madras Christian College,

delivered the keynote address, highlighting the challenges to peace in society, especially among the student community, due to the increasing promotion of gender non-conformity. He emphasized the need for a constructive response to these challenges.

The Center for Peace Studies was also actively involved in peace-related initiatives at sister institutions. (i) At Stella Maris College, Chennai, the Center cooperated in the establishment of the Francis of Assisi Center for Peace Studies. The Director of the MCC Center for Peace Studies inaugurated the new center and assisted in selecting books for its library; (ii) At Women's Christian College (WCC), Chennai, the Center partnered in organizing workshops and developing a Peace Studies curriculum as part of WCC's value education program. The collaboration extended to the publication of a handbook on Peace Education by WCC.

A rally to raise awareness about drugs and their harmful effects was conducted on 25th August 2023 by MCC Kotagiri Community College. The event saw participation from local NGOs and school students.

A hemoglobin (HB) level test was organized for MCC KCC students on 4th October 2023. Since most students were found to be anemic, nutritional enhancements were introduced in the noon meal scheme.

An English workshop was conducted from 10th to 13th October 2023. Prof. Judson taught topics such as pronunciation, sentence formation, tenses, and common errors in English.

On 14th October 2023, students from both the Diploma in General Duty Assistant and Diploma in Graphic Design courses participated in a one-day workshop on Basic Life Support organized by BS Hospital, Ooty.

Students of the Diploma in Health Care course visited KPS Hospital, Mettupalayam, for an industrial visit on 19th October 2023.

CONCLUSION

The academic year 2023-2024 has witnessed tremendous progress in lines of global engagement and some of them have begun to translate as internships, semester abroad programs, capacity building programmes offered by universities abroad, visits by presidents and dual degree programmes.

Our efforts to engage with industries and corporates have resulted in Philanthropy, Placements, Internships and Skill development programmes for the College.

The strategy of designating a devoted officer for Placement has witnessed an exponential scaling up of placements around 600.

The fund-raising strategies by the College has been navigated initially towards conservation through the mitigation of the financial liability towards extension activities of the College. The progressive number of scholarships received from Corporates have rendered us to offer inclusive education in compliance with SDG 4.

It has been a rewarding experience with regard to alumni engagement through alumni meetings and philanthropy experienced from the alumni for developing departments and labs.

Streamlining of data capture, accelerating Professional Development of faculty, redefining the Academic Audit towards impactful assessment, conducting Appreciation days through Incentivization, Value propositions offered to faculty and staff in terms of social security has strengthened the change management.

With the blessing hand of God, MCC has always been enriched by new initiatives and developments, year after year. With His divine leading and support of all the stakeholders, our College is poised for glorious achievements in the days to come.

May God Bless Madras Christian College. *In hoc signo.*

Thank you.

P. Wilson
Principal & Secretary
